New Life for the Old, Old Story Amanda Joann Burr, 1989 *Teaching from the Heart* Mary Elizabeth Moore, 1998-01-01
Here is a serious and passionate plea for theology and education to stand in relationship Moore argues for an organic approach to religious moral and theological education *Elenchus of Biblica* , 1993 So, Tell Me a Story Stephen Farris, 2018-07-19 Everyone loves a good story and So Tell Me a Story offers wise counsel to preachers and teachers who want to improve their storytelling skills Farris an experienced and skilled speaker provides instruction encouragement and advice on how to avoid pitfalls that face storytellers The book moves beyond the realm of the how to manual however with an extensive collection of stories and reflections on Christian life that will spiritually enrich both speakers and other readers
 The Cumulative Book Index , 1903 **Subject Guide to Books in Print** , 1993 **Forthcoming Books** Rose Arny, 1994 *Books in Print* , 1991 **The Watchman-examiner** , 1925 **The Oxford Handbook of the Bible in America** Paul Gutjahr, 2017-11-01 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation s politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible s role in American cultural formation
