Against a background of profound worldwide social and economic change the concept of lifelong learning has come increasingly into the public eye As educators and policy makers rethink the meaning of education the purpose of schooling and the place of learning in our everyday lives educational institutions are opening up to those traditionally deprived of the opportunity The books in this set originally published between 1979 and 1992 including global case studies reflect upon major issues confronting adult educators worldwide and discuss the role of adult education in social and community action examine the relationship between class and adult education look at the concept of culture and the transmission of cultural values in relations to adult education evaluate the role of adult education in reducing unemployment *Resources in Education* ,1990 **Evaluation for Continuing Education** Alan B. Knox,2002-10-02 Evaluation for Continuing Education provides the useful and practical tools necessary to ensure a successful program evaluation The book presents systematic guidelines aimed at enhancing understanding of evaluation concepts and procedures and offers manageable ways to selectively include evaluation activities as an integral part of program planning implementation and justification Author Alan Knox reveals that the key to successful evaluations that improve education programs for adults is a basic rationale for why and how He helps readers select and develop their own rationale throughout the course of the book while suggesting fundamental evaluation concepts and procedures He shows how to distinguish some program aspect upon which a specific evaluation project will focus including needs assessment goals and policies staffing assessment materials development and more and summarizes examples of evaluation reports that reflect the various types of providers and scales on which evaluations are conducted Knox offers a particularly wide variety of these examples enabling readers to reflect on implications for their own evaluations and fashion unique guidelines and procedures that fit their own situations **NOTIS Users' Group Meeting** NOTIS Users' Group. Meeting,1991 **Serials in Microform** ,1988 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1982 *The Adult Learner* Malcolm S. Knowles,Elwood F. Holton III,Richard A. Swanson,Petra A. Robinson,2020-12-21 How do you tailor education to the learning needs of adults Do they learn differently from children How does their life experience inform their learning processes These were the questions at the heart of Malcolm Knowles pioneering theory of andragogy which transformed education theory in the 1970s The resulting principles of a self directed experiential problem centred approach to learning have been hugely influential and are still the basis of the learning practices we use today Understanding these principles is the cornerstone of increasing motivation and enabling adult learners to achieve The 9th edition of *The Adult Learner* has been revised to include Updates to the book to reflect the very latest advancements in the field The addition of two new chapters on diversity and inclusion in adult learning and andragogy and the online adult learner An updated supporting website This website for the 9th edition of

The Adult Learner will provide basic instructor aids For each chapter there will be a PowerPoint presentation learning exercises and added study questions Revisions throughout to make it more readable and relevant to your practices If you are a researcher practitioner or student in education an adult learning practitioner training manager or involved in human resource development this is the definitive book in adult learning you should not be without **Transforming Academic Library Instruction** Amanda Nichols Hess, 2018-09-25 Academic librarians working in instruction are at the crux of professional higher educational and societal change While they work with disciplinary faculty to ensure learners are critical information consumers and producers in 21st century ways how do academic librarians develop a sense of their own identities as post secondary instructors Using both broad and in depth data from practicing instruction librarians this book identifies the catalysts and influences in academic librarians perspective development process From these factors then instruction librarians and librarians to be can hone their own instructional identities and transform their teaching practices This focus on understanding this perspective transformation process around instructional identities offers both working academic librarians and LIS graduate students an innovative way to think about their roles as educators While many books explore the practical or how to aspects of teaching in libraries Transforming Academic Librarianship How to Hone Your Instructional Identity and Adopt Best Teaching Practice takes a step up and examines how academic librarians think about or approach instruction as a part of their work Through explicating this metacognitive process this book helps both academic librarians and librarians to be to more intentionally consider their teaching practices and professional identities *Current Catalog* National Library of Medicine (U.S.), 1983 First multi year cumulation covers six years 1965 70
