New Directions in Mission and Evangelization 2 James A. Scherer, 2015-03-24 *Evangelization and Religious Freedom* Stephen B. Bevens, Jeffrey Gros, 2009 An informational and entertaining text this work offers readers a deeper sense of why the saints and the honoring of them has been influential in the lives of Catholics and others who strive to follow Jesus Christ and experience his love Catholic

Mission and Liturgy Dr. Jameson K. Pallikunnil, 2018-06-15 As an ancient Christian community the Mar Thoma Church with its vibrant life of mission and sacraments has a pride of place in the Christendom The evangelization process and constant migration made this church a global Church which has encountered multi cultural and multi ethnic atmosphere and assimilated various cultural practices and faced faith confrontation in its own geographical regions This confrontation has caused a renewed view of nature identity and mission of the Church in a positive manner Mission is in fact the lifeblood of the Church Through its mission work and revised liturgy the Mar Thoma Church took a pioneer role in the formation and nurturing of new Christian communities in India and different parts of the world Hence this book reflects on the role of liturgy and its influence on the missionary undertakings of the MTC It elucidates how the revised liturgy functions as a basis for mission and recounts how liturgy and mission are connected Further the diverse mission centres of the Church and its cultural specialties an integration of liturgy and evangelism importance of liturgical orientation and training are also dealt with in detail Added to this the various challenges of the Church in its mission fields and diaspora regions are studied in the framework of the liturgy The scope of liturgical renewal is looked into where the liturgical adaptation and possibilities of contextual liturgies in the Church are studied This study concludes with some of the pertinent liturgical proposals for the furtherance to sustain the life and mission of the Church With a living experience and profound theological understanding this ancient but reformed Church has something unique to offer to the whole Christendom

Call to Mission and Perceptions of Proselytism John Baxter-Brown, 2022-04-13 Proselytism remains one of the most divisive issues in global Christianity jeopardizing many ecumenical initiatives and projects Almost all traditions accuse others of proselytism but none readily confess to it as one tradition's mission and evangelism is another's proselytism This work brings together for the first time significant formal statements from Christian bodies and churches alongside articles from leading commentators in this hotly contested issue It gives clergy academics and students a vital resource in understanding the perspectives of different traditions and therefore the opportunity to study and understand viewpoints and opinions from competing perspectives The volume originates in a process of work commissioned by the World Pentecostal Fellowship the World Council of Churches the World Evangelical Alliance and the Roman Catholic Church under the auspices of the Global Christian Forum We discovered that there are no easy answers that resolve the tensions and debates about proselytism but through listening and understanding different voices new opportunities for establishing constructive relationships can and do emerge

Constants in Context Stephen B. Bevens, Roger P. Schroeder, Roger

Schroeder,2004-01-01 Mission is handicapped without a sound biblical theology of mission and an understanding of the history of mission leading up to our current context Constants in Context offers both of these elements It is mission theology in historical perspective and or a history of mission that is grounded theologically The authors describe it as a systematic theology with mission at its core and a church history shaped by the constant but always contextual Christian traditions Furthermore it is a constructive contribution to how mission theology needs to be practical and lived out through today s church and in our world Written collaboratively by Roman Catholic writers Stephen Bevans and Roger Schroeder both Missionaries of the Divine Word SVDs It is a particularly insightful in regard to the history and the various streams of Catholic mission but it also addresses and learns from the other traditions of the church In fact one of the book s strengths is its attention to neglected aspects and hidden stories of church and mission history As a result it is gratifying to be inspired by non European mission women in mission and various forgotten or often ignored branches of the church The book is in three sections first there is a framework for cultural contexts and theological constants second an in depth exploration of historical stages and different models for mission and third a presentation of theological frameworks for mission The third section concludes with a case for mission as prophetic dialogue being the most appropriate model for 21st century mission Amazon com

Prophetic Dialogue Stephen B. Bevans,Roger P. Schroeder,2011 A collection of essays that demonstrates that to be effective in the twenty first century mission must be prophetic as it encounters other cultures and religious traditions When we speak as mission as dialogue then we are about as far away from imagining mission as conquering the world for Christ and missionaries as marines of the Catholic Church as we probably can get There has indeed been a radical shift both in the world in which the church does mission and within the church s own consciousness of the goodness and even holiness of that world These words from one of the essays in this superb collection clearly demonstrate the changing of mission today In this volume Fathers Bevans and Schroeder address a primary challenge faced by Christians missionaries today How can they bring the Christian tradition to interact respectfully and effectively with members of other cultures and traditions from around the globe and still be prophetic

Border of Death, Valley of Life Daniel G. Groody,2007-05-24 This book is a powerful first hand account of religious ministry reaching out to heal the lives of desperate people who come to the United States often illegally seeking a better life
