New Essays On Go Tell It On The Mountain:

New Essays on Go Tell It on the Mountain Trudier Harris, 1996-03-29 A collection of critical essays on James Baldwin's *Go Tell It on the Mountain*

James Baldwin's Go Tell it on the Mountain Carol E. Henderson, 2006 The publication of James Baldwin's *Go Tell It on the Mountain* ushered in a new age of the urban telling of a tale twice told yet rarely expressed in such vivid portraits *Go Tell It* unveils the struggle of man with his God and that of man with himself Baldwin's intense scrutiny of the spiritual and communal customs that serve as moral centers of the black community directs attention to the striking incongruities of religious fundamentalism and oppression This book examines these multiple impulses challenging the widely held convention that politics and religion do not mix [CliffsNotes on Baldwin's Go Tell It on the Mountain](#)

Sherry Ann McNett, 2001-03-07 The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format *CliffsNotes on Go Tell It on the Mountain* explores the Great Migration a time in American history characterized by a mass exodus of African Americans from the rural south to northern cities Follow the simple story of a young boy coming of age a tale that gains complexity as it interweaves with the experiences of his mother father and aunt This concise supplement to James Baldwin book about religion racism and familial expectations features summaries and commentaries on each part within the novel Other features that help you study include Background on the author Descriptive character map and analyses Critical essays on racism the church and homosexuality as a subtext A quiz plus suggested essay questions and practice projects Classic literature or modern day treasure you'll understand it all with expert information and insight from CliffsNotes study guides

New Essays on Go Tell it on the Mountain, 1996 [Reviving the Children of Nimrod](#) A. Pinn, 2019-06-12 As Anthony Pinn argues in his latest collection humanism comes in many colors When more attention is given to issues of race as connected to other forms of oppression it is easier to see the manner in which humanism has lived and functioned within African American communities Using the biblical figure Nimrod as symbol African American Humanist Principles demonstrates African American humanists intellectual and praxis related grounding in a history of rebellion against over determined and oppressive limitations on human doing and being Pinn maintains that it is this quest for a fuller sense of being for greater existential and ontological worth that informs the basic principles of African American humanism *African American Humanist Principles* is one of the only books to present the inner workings of humanist principles as the foundation for humanism from the African American perspective its form and content nature and meaning

James Baldwin Harold Bloom, 2007 A collection of essays presenting critiques and analysis of the major works of the African American author

A Political Companion to James Baldwin Susan J. McWilliams, 2017-11-15 Uniformly excellent essays on the work of the renowned author and his extraordinary relevance in the present moment Choice In seminal works such as *Go Tell It on the Mountain* *Notes of a Native*

Son and The Fire Next Time acclaimed author and social critic James Baldwin expresses his profound belief that writers have the power to transform society engage the public and inspire and channel conversation to achieve lasting change While Baldwin is best known for his writings on racial consciousness and injustice he is also one of the country s most eloquent theorists of democratic life and the national psyche In this book prominent scholars assess the prolific author s relevance to present day political challenges Together they address Baldwin as a democratic theorist activist and citizen examining his writings on the civil rights movement religion homosexuality and women s rights They investigate the ways in which his work speaks to and galvanizes a collective American polity and explore his views on the political implications of individual experience in relation to race and gender This volume not only considers Baldwin s works within their own historical context but also applies the author s insights to recent events such as the Obama presidency and the Black Lives Matter movement emphasizing his faith in the connections between the past and present These incisive essays will encourage a new reading of Baldwin that celebrates his significant contributions to political and democratic theory **Salvific Manhood** Ernest L.

Gibson,2019-10-01 *Salvific Manhood* foregrounds the radical power of male intimacy and vulnerability in surveying each of James Baldwin s six novels Asserting that manhood and masculinity hold the potential for both tragedy and salvation Ernest L. Gibson III highlights the complex and difficult emotional choices Baldwin s men must make within their varied lives relationships and experiences In *Salvific Manhood* Gibson offers a new and compelling way to understand the hidden connections between Baldwin s novels Thematically daring and theoretically provocative he presents a queering of salvation a nuanced approach that views redemption through the lenses of gender and sexuality Exploring how fraternal crises develop out of sociopolitical forces and conditions *Salvific Manhood* theorizes a spatiality of manhood where spaces in between men are erased through expressions of intimacy and love Positioned at the intersections of literary criticism queer studies and male studies Gibson deconstructs Baldwin s wrestling with familial love American identity suicide art incarceration and memory by magnifying the potent idea of salvific manhood Ultimately *Salvific Manhood* calls for an alternate reading of Baldwin s novels introducing new theories for understanding the intricacies of African American manhood and American identity all within a space where the presence of tragedy can give way to the possibility of salvation **All Those Strangers**

Douglas Field,2015-06-02 *All Those Strangers* examines how Baldwin s fiction and non fiction shaped and responded to key political and cultural developments in the United States from the 1940s to the 1980s *Faithful Vision* James W.

Coleman,2009-08-01 This is a marvelous and sustained discussion of faithful vision and its significant influence on African American literature American Literature In *Faithful Vision* James W. Coleman places under his critical lens a wide array of African American novels written during the last half of the twentieth century In doing so he demonstrates that religious vision not only informs black literature but also serves as a foundation for black culture generally The Judeo Christian tradition according to Coleman is the primary component of the African American spiritual perspective though its syncretism

with voodoo hoodoo a religion transported from West Africa through the West Indies and New Orleans to the rest of black America also figures largely Reviewing novels written mainly since 1950 by writers including James Baldwin Randall Kenan Toni Morrison John Edgar Wideman Alice Walker Gloria Naylor Erna Brodber and Ishmael Reed among others Coleman explores how black authors have addressed the relevance of faith especially as it relates to an oppressive Christian tradition He shows that their novels no matter how critical of the sacred or supernatural or how skeptical the characters viewpoints ultimately never reject the vision of faith With its focus on religious experience and tradition and its wider discussion of history philosophy gender and postmodernism Faithful Vision brings a bold critical dimension to African American literary studies An insightful interrogation of the complexities of religious discourse in the African American literary tradition Because it superbly translates complex spiritual ethos into literary tradition this remarkable book is a must for anyone interested in intersections of the sacred and the secular in black cultural productions Southern Literary Journal Faithful Vision both looks intently into faith and shows us how to look Christianity and Literature

Right here, we have countless books **New Essays On Go Tell It On The Mountain** and collections to check out. We additionally find the money for variant types and also type of the books to browse.
