Kaplan, Eug Kohn, 1947 *Jerusalem Transformed* Professor Emeritus of Modern Jewish History Richard I Cohen, Richard I Cohen, 2024-10 The symposium that kicks off the latest volume of *Studies in Contemporary Jewry* focuses on the city that is at the very center of contemporary Jewish life both geographically and culturally Jerusalem is an extremely engaging and beautiful city as well as a source of continual controversy and contestation The authors in the symposium discuss a wide range of topics with a focus on politics and culture offering readers provocative views on the city over the last 120 years Essays by historians and cultural scholars

in the volume engage with such issues as visions of the city among Jews and non Jews and musical and literary imaginings of the city while other scholars bring original interpretations of the city's political evolution in the past century that will both surprise and intrigue readers The extensive book review section illustrates the consistent interest in modern Jewish history and culture

Jewish Reform Movement in the US Mara W. Cohen Ioannides, 2017-11-20 This volume examines the development of the non liturgical parts of the Central Conference of American Rabbis Haggadot Through an understanding of the changes in American Jewish educational patterns and the CCAR's theology it explores how the CCAR Haggadah was changed over time to address the needs of the constituency While there have been many studies of the Haggadah and its development over the course of Jewish history there has been no such study of the non liturgical parts of the Haggadah that reflect the needs of the audience it reaches How the CCAR the first and largest of American born Judaism's addressed the changing needs of its members through its literature for the Passover Seder reveals much about the development of the movement This in turn provides for the readers of this book an understanding of how American Judaism has developed

גילה גבירצ'ן Gila Gevurtz, 1999 Whether at a model seder a community seder or a family seder The New American Haggadah will inspire and delight participants of all ages First developed as The New Haggadah this Passover classic has been revised to reflect the experiences of our generation and the contributions it has made to the holiday's message of universal freedom The New American Haggadah presents the Passover service filtered through the richness of the American Jewish experience The moving text and traditional Passover songs are supplemented with illuminating commentaries Highlights include An Ethiopian Jew's account of Operation Moses her own modern day exodus from poverty and oppression The memoir of a Union soldier celebrating Passover during the Civil War Illustrations reflecting the diverse ways American Jews have enriched the Passover message of liberation Songs by Debbie Friedman and Linda Hirschhorn Riddles to entertain children and adults alike Gender sensitive language with elegant translation transliteration of the original Hebrew text music and instructions for the leader combine to offer an accessible and uniquely American Passover seder

Key Texts in American Jewish Culture Jack Kugelmass, 2003 Key Texts in American Jewish Culture expands the frame of reference used by students of culture and history both by widening the canon of Jewish texts and by providing a way to extrapolate new meanings from well known sources Contributors come from a variety of disciplines including American studies anthropology comparative literature history music religious studies and women's studies Each provides an analysis of a specific text in art music television literature homily liturgy or history Some of the works discussed such as Philip Roth's novel Counterlife the musical Fiddler on the Roof and Irving Howe's World of Our Fathers are already widely acknowledged components of the American Jewish studies canon Others such as Bridget Loves Bernie infamous for the hostile reception it received among American Jews may be considered key texts because of the controversy they provoked Still others such as Joshua Liebman's Piece of Mind and the radio and TV sitcom The Goldbergs demonstrate the extent to which American Jewish culture and

mainstream American culture intermingle with and borrow from each other
