The New Home of Tribals Christopher Lakra,1999 Social transformation of Oraon Indic people in urban setting in Ranchi case study **Contemporary Religious Institutions in Tribal India** Amit Jha,2009 **Tribals and Their Culture** Das Kornel,2006 Study on Koya tribe of Malkangiri District in Orissa State India Development of Tribal People of North-East India Ram Krishna Mandal,2015-01-01 The book attempts to provide a clear cut picture on various perspectives and issues affecting development of Tribal People in North East India Encounter of tribal communities to globalisation through state policies needs to be considered from different angles The tribals are tradition bound and their tradition is quite different from that of in the market economy In a way it can be stated that their tradition tells on their efficiency level of skill endowment which fall short of market requirements The tribal people should be brought into main stream if they are to be benefited from the progress on the development front The Tribal people are facing a number of problems like land alienation displacement rehabilitation and degradation of Common Property Resources They still suffer from poverty unemployment and poor access to health and sanitation This book focuses on the themes Intervention of Civil society NGOs for Tribal Development Health and Tribal Development Education and Tribal Development Watershed and Tribal Development Natural resources management and Tribal Development Impact of Government policies for tribal welfare Impact of social movements and Tribal Development Land alienation and Tribal Development Agriculture and Tribal Development Livestock and Tribal Development Gender Issues and Tribal Development Role of Panchayati Raj Institution PRI for Tribal Development Poverty Eradication and Tribal Development **Tribals in North and Northeast Regions of India** Mr. Rohit Manglik,2024-03-04 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels Theorising Urban Development From the Global South Anjali Karol Mohan,Sony Pellissery,Juliana Gómez Aristizábal,2021-10-25 This edited volume brings together debates from the Global South and Global East to explore alternatives to conventional planning in Southern cities Embracing the evolving post colonial theory the volume offers fragments of the urban that provide clues to the larger often repeated ontological question that continues to hold Why and what does theory from the South mean The chapters derive from and speak to the simultaneously homogenous and heterogeneous South They focus on presenting the alternative realities of Southern cities as critical analytical lenses that can build up to the theorisation of the Southern urban with a potential to re understand the contemporary urban world The contributions explore locally rooted knowledge systems premised on social and cultural practices as possible conduits to evolving planning methods In doing so the volume breaks apart the linear modernity that urban theory from the North relies on Chapters Chapter 1 and Chapter 11 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) Particularly Vulnerable

Tribal Groups of India Swapan Kumar Kolay and Nilanjan Khatua, 2024-01-01 This publication primarily focuses on various livelihood patterns of different PVTGs in India. It also critically examines the impact of different development programs on these vulnerable groups through 31 chapters arranged into five broad headings such as I Tribal Ethnography II Ecology Economy and Tribal Identity III Socio cultural Beliefs and Practices IV Tribal Health Food and Nutrition and V Tribal Development and Tribal policy. The lack of effective implementation of various development programs has deprived them of enjoying the benefits of development. The learned contributors to the volumes have touched upon many important aspects of livelihood patterns health food and nutrition that need immediate attention from the government and development agencies on issues of the PVTGs. These two volumes are the outcome of a modest attempt by the authors to update the status of traditional occupations and change the livelihood of Particularly Vulnerable Tribal Groups in India. Vulnerable Tribal peoples often have much in common with other neglected segments of societies i.e. lack of political representation and participation economic marginalization and poverty lack of access to social services and discrimination. They strive for recognition of their identities their ways of life and their right to traditional lands territories and natural resources. These volumes will be useful for anthropologists social scientists administrators policymakers planners and students of social sciences interested in understanding tribal ethos and world views. Sevartham, 2005 *The Routledge Handbook of Contemporary Readings on Tribe and Religions in India* Maguni Charan Behera, 2024-10-08 Tribal societies in India observe a diverse set of religious practices which are a quintessential part of their community life. This handbook explores rituals beliefs ceremonies and festivals liturgy knowledge and traditions that tribal people practice today and traces the history of their interaction with other religions communities and cultures. The book provides analytical intellectual and cultural insights into the religious tradition of tribes within the interactive space of a pan Indian civilisation. It examines contemporary religious practice within tribes while also exploring changes either brought on by interactions or political interventions. The volume reflects on the intersections of cultural or political life of communities and their religious worldviews. The book also discusses the processes of assimilation or adoption of different religion or religious traditions by tribes and the challenges of detribalisation and shrinking populations of vulnerable groups. It explores both established and emerging dynamics in the field of tribe and religion and provides a look into the unique systems of kinship worship and life within many different tribal communities in India. This and its companion handbook *The Routledge Handbook of Tribe and Religions in India Contemporary Readings on Spirituality Belief and Identity* provide a comprehensive look into the religious life and practices of a very diverse group of tribes in India. It will be of interest to academics and researchers working in the fields of religion anthropology indigenous and tribal studies social and cultural anthropology sociology of culture sociology of religion development studies history political science folkloristic and colonialism.
