

6 WAYS TO BE A KIND LEADER

By Amy Gibson

1 Be honest but with compassion

Don't sugarcoat feedback or avoid tough conversations. Approach them with empathy and a genuine desire to help your team members grow.

2 Look out for the quiet voices

Amplify their ideas in meetings. Offer them challenging projects. Advocate for their advancement. Your support could be life-changing.

3 Own your mistakes

When you mess up, admit it openly. Share what you learned and how you'll do better. This vulnerability builds trust and shows it's okay to be human.

4 Show you care beyond 9-to-5

Remember birthdays, ask about family, and celebrate milestones. These small gestures show you see your team as people, not just employees.

5 Be the shield your team needs

Protect your team from unnecessary stress and office politics. Take the heat from higher-ups when needed. They'll appreciate having you in their corner.

6 Pay it forward

Mentor others. Share your knowledge freely. Use your influence to open doors. Especially for those underrepresented in leadership roles.

New Kind Of Leader:

The Power of Paradox Nina Rosoff, 2012-05-23 Leaders actions can have consequences opposite to those they intend These unintentional results are difficult to detect understand and change Consequently leaders actions tend to persist resulting in further unexpected outcomes This can create a vicious cycle of leadership failure With all their best efforts strategic financial scenario human capital and operational plans in place they fail Unaware they self sabotage and sabotage others again the result is unintended consequences no matter how hard they try This book gives a glimpse into why and how this happens and what to do about it Understanding the Power of Paradox can empower leaders in uncertain times Paradox reveals uncertainty giving leaders room to breathe and time to think better able to deal with ambiguity and manage complexity no longer stymied Learning to think differently and behave with capabilities you already have more resilient adaptive and flexible leaders execute conscious actions effectively inspire and empower others creating the consequences they intend successful Protean Leaders

The Hospitable Leader Terry A. Smith, 2018-10-02 Successful leaders today don't dictate they invite They don't dismiss they welcome They don't neglect they care Now more than ever we must pay attention to the soft side of leadership if we want hard results As leaders from parents to CEOs we must learn gracious leadership to truly positively change our spheres of influence In this passionate powerful book pastor and leadership mentor Terry Smith fleshes out five vital principles you need to become a hospitable leader He shows that this type of leadership is not superficial niceness or allowing people to do whatever they want Hospitable leadership is result oriented because it's motivated by genuine love It's how you create environments where people and dreams can thrive where vision turns to action and where great things happen regularly Here is everything you need to become the type of leader people want to follow
