Erasures and Eradications in Modern Viennese Art, Architecture and Design Megan Brandow-Faller, Laura Morowitz, 2022-09-23 *Erasures and Eradications in Modern Viennese Art Architecture and Design* challenges the received narrative on the artists exhibitions and interpretations of Viennese Modernism The book centers on three main erasures the erasure of Jewish artists and critics erasures relating to gender and sexual identification and erasures of other marginalized figures and movements Restoring missing elements to the story of the visual arts in early twentieth century Vienna authors investigate issues of gender race ethnic and sexual identity and political affiliation Both well studied artists and organizations such as the Secession and the Austrian Werkbund and iconic figures such as Klimt and Hoffmann are explored as are lesser known figures and movements The book s thought provoking chapters expand the chronological contours and canon of artists surrounding Viennese Modernism to offer original nuanced and rich readings of individual works while offering a more diverse portrait of the period from 1890 through World War II and into the present The book will be of interest to scholars working in art history history design history architectural history and European studies *Atlanta's Public Art* Robert M. Craig, 2021 The public art in Atlanta includes a broad range of media subjects styles and artistic merit Statuary and figurative sculpture often in bronze memorialize historic individuals while contemporary sculpture includes large scale abstract works in stone stainless or weathering steel and other materials Street artists and muralists have created more than 1 000 urban murals throughout the city including large and colorful abstract canvases with thematic subjects referencing sports nature social issues the city s African American and Hispanic communities and Atlanta s leadership in the civil rights movement Some guerrilla artists began as traffickers of graffiti who tagged buildings railroad boxcars and underpasses creating iconic compilations such as the Krog Street Tunnel Street art styles embrace photo realism abstract expressionism or folk op or pop art with the latter inspired by fantasy comic strip graphics or Goth Native Atlantan Alex Brewer also known as HENSE has executed commissions from Peru to Australia while artists from Barcelona Rome and Zimbabwe have contributed to Atlanta s status as an international city *German Expressionist Painting* Peter Selz, 2023-04-28 Published in 1957 *German Expressionist Painting* was the first comprehensive study of one of the most pivotal movements in the art of this century When it was written however German Expressionism seemed like an eccentric manifestation far removed from what was then considered the mainstream of modern art But as historians well know each generation alters the concept of mainstream to encompass those aspects of the past which seem most relevant to the present The impact of German Expressionism on the art and thought of later generations could never have been anticipated at the time of the original writing of this book During the subsequent years an enormous body of scholarly research and an even larger number of popular books on German expressionist art has been printed Numerous monographs and detailed studies on most of the artists exist now and countless exhibitions with accompanying catalogues have taken place Much of this new research could have been incorporated in a

revised edition and the bibliography certainly could have been greatly expanded to include the important writings which have been published in Germany the United States and elsewhere since this book was originally issued The author however was faced with the choice of reprinting the original text with only the most necessary alterations such as updating the captions to indicate present locations of the paintings or the preparation of a revised text and bibliography Desirable as a revision appeared present printing costs would have priced the paperback out of reach for students It is for this reason that I decided to reissue the original text which stands on its own as a primary investigation of German Expressionist Painting

The Painted Kiss Elizabeth Hickey, 2005-04-05 Gustav Klimt one of the great painters of fin de siècle Austria and the subject of Helen Mirren's latest film *Woman in Gold* takes center stage in this passionate and atmospheric debut novel which reimagines the tumultuous relationship between the Viennese painter and Emilie Flöge the woman who posed for his masterpiece *The Kiss* and whose name he uttered with his dying breath Vienna in 1886 was a city of elegant cafés grand opera houses and a thriving and adventurous artistic community It is here where the twelve year old Emilie meets the controversial libertine and painter Hired by her bourgeois father for basic drawing lessons Klimt introduces Emilie to a subculture of dissolute artists wanton models and decadent patrons that both terrifies and inspires her *The Painted Kiss* follows Emilie as she blossoms from a naïve young girl to one of Europe's most exclusive couturiers and Klimt's most beloved model and mistress A provocative love story that brings to life Vienna's cultural milieu *The Painted Kiss* is as compelling as a work by Klimt himself

German Expressionist Painting, 1957

Severo Sarduy and the Neo-Baroque Image of Thought in the Visual Arts Rolando Pérez, 2011-11-15 Severo Sarduy never enjoyed the same level of notoriety as did other Latin American writers like García Márquez and Vargas Llosa and his compatriot Cabrera Infante On the other hand he never lacked for excellent critical interpretations of his work from critics like Roberto González Echevarría René Prieto Gustavo Guerrero and other reputable scholars Missing however from what is otherwise an impressive body of critical commentary is a study of the importance of painting and architecture firstly to his theory and secondly to his creative work In order to fill this lacuna in Sarduy studies Rolando Pérez's book undertakes a critical approach to Sarduy's essays *Barroco Escrito sobre un cuerpo Barroco y neobarroco* and *La simulación* from the standpoint of art history Often overlooked in Sarduy studies is the fact that the

twenty three year old Sarduy left Cuba for Paris in 1961 to study not literature but art history earning the equivalent of a Master's Degree from the cole du Louvre with a thesis on Roman art And yet it was the art of the Italian Renaissance e g the paintings as well as the brilliant and numerous treatises on linear perspective produced from the 15th to the 16th century and what Sarduy called the Italian Spanish and colonial Baroque or neo baroque visually based aesthetic that interested him and to which he dedicated so many pages In short no book on Sarduy until now has traced the multifaceted art historical background that informed the work of this challenging and exciting writer And though Severo Sarduy and the Neo Baroque Image of Thought in the Visual Arts is far from being an introduction it will be a book that many a critic of Sarduy and the Latin American baroque will consult in years to come

Gustav Klimt Jane Rogoyska,Patrick Bade,2023-12-28 I am not interested in myself as a subject for painting but in others particularly women Beautiful sensuous and above all erotic Gustav Klimt s paintings speak of a world of opulence and leisure which seems aeons away from the harsh post modern environment we live in now The subjects he treats allegories portraits landscapes and erotic figures contain virtually no reference to external events but strive rather to create a world where beauty above everything else is dominant His use of colour and pattern was profoundly influenced by the art of Japan ancient Egypt and Byzantium Ravenna the flat two dimensional perspective of his paintings and the frequently stylised quality of his images form an oeuvre imbued with a profound sensuality and one where the figure of woman above all reigns supreme Klimt s very first works brought him success at an unusually young age Gustav born in 1862 obtained a state grant to study at Kunstgewerbeschule the Vienna School of Arts and Crafts at the age of fourteen His talents as a draughtsman and painter were quickly noticed and in 1879 he formed the K unstlercompagnie Artists Company with his brother Ernst and another student Franz Matsch The latter part of the nineteenth century was a period of great architectural activity in Vienna In 1857 the Emperor Franz Joseph had ordered the destruction of the fortifications that had surrounded the medieval city centre The Ringstrasse was the result a budding new district with magnificent buildings and beautiful parks all paid for by public expenses Therefore the young Klimt and his partners had ample opportunities to show off their talents and they received early commissions to contribute to the decorations for the pageant organised to celebrate the silver wedding anniversary of the Emperor Franz Joseph and the Empress Elisabeth In 1894 Matsch moved out of their communal studio and in 1897 Klimt together with his closest friends resigned from the K unstlerhausgenossenschaft the Cooperative Society of Austrian Artists to form a new movement known as the Secession of which he was immediately elected president The Secession was a great success holding both a first and second exhibition in 1898 The movement made enough money to commission its very own building designed for it by the architect Joseph Maria Olbrich Above the entrance was its motto To each age its art to art its freedom From around 1897 onward Klimt spent almost every summer on the Attersee with the Fl ge family These were periods of peace and tranquillity in which he produced the landscape paintings constituting almost a quarter of his entire oeuvre Klimt made sketches for virtually everything he did Sometimes there were over a hundred drawings for one painting each showing a different detail a piece of clothing or jewellery or a simple gesture Just how exceptional Gustav Klimt was is perhaps reflected in the fact that he had no predecessors and no real followers He admired Rodin and Whistler without slavishly copying them and was admired in turn by the younger Viennese painters Egon Schiele and Oskar Kokoschka both of whom were greatly influenced by Klimt The Routledge Companion to Philosophy in Organization Studies Raza Mir,Hugh Willmott,Michelle Greenwood,2015-11-06 The Routledge Companion to Philosophy in
