Peculiar People The Church As Culture In A Post Christian Society:

A Peculiar People Rodney R. Clapp, 1996-11-12 Rodney Clapp asks and answers the question How can the church provide a significant alternative to the culture in which it is embedded *Paul's Letter to the Romans* Ben Witherington, 2004-03-02 While Paul's letter to the Romans is the most studied and commented on document from the biblical period the major exegetical books on Romans from the nineteenth and twentieth centuries have been overwhelmingly shaped by the Reformed tradition Through a careful survey of work on Romans by both ancient Church Fathers and modern exegetical scholars Ben Witherington III here argues that the interpretation of Romans since the Reformation has been far too indebted to and at key points led astray by Augustinian readings of the text as filtered through Luther Calvin and others In this first full scale socio rhetorical commentary on Romans Witherington gleans fresh insights from reading the text of Paul's epistle in light of early Jewish theology the historical situation of Rome in the middle of the first century A D and Paul's own rhetorical concerns Giving serious consideration to the social and rhetorical background of Romans allows readers to hear Paul on his own terms not just through the various voices of his later interpreters Witherington's groundbreaking work also features a new clear translation of the Greek text and each section of the commentary ends with a brief discussion titled Bridging the Horizons which suggests how the ancient text of Romans may speak to us today **Corners in the City of God** Jonathan Tran, Myles Werntz, 2013-10-24 David Simon's *The Wire* lays out before us a city in which people struggle under the weight of poverty political corruption economic despair educational collapse and the drug trade This volume explores the various theological ethical and philosophical challenges presented by *The Wire* As each season of *The Wire* unfolds the moral complexities of life in the city deepen as the failures of one system have unforeseen effects in other corners of the city Fleshing out the ongoing tension between the earthly city and the City of God *Corners in the City of God* is a theological companion to David Simon's masterpiece inviting the reader to wrestle with the implications of belonging fully to the cities of the world in all of their splendor and tragedy *The Electronic Church in the Digital Age* Mark Ward Sr., 2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution's modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today's Christian subculture while the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today's religious political

economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accommodate both secular and religious voices The Shaping of Things to Come Michael Frost, Alan Hirsch, 2013-03-01 In a time when the need for and the relevance of the Gospel has seldom been greater the relevance of the church has seldom been less The Shaping of Things to Come explores why the church needs to rebuild itself from the bottom up Frost and Hirsch present a clear understanding of how the church can change to face the unique challenges of the twenty first century This missional classic has been thoroughly revised and updated **Saving God's Face** Jackson Wu, 2013-04 Years ago the author had a startling realization Theologians and pastors have long taught on the glory of God and its central importance in the Bible However because he was living in East Asia it also dawned on the author that this sort of talk about God's glory praising Him and magnifying His name was simply another way of talking about honor and shame When the author looked at most theology and ministry related books he found that honor and shame seemed to be treated differently Anthropologists talked about honor shame but theologians largely focused more on legal metaphors The author could see both themes in Scripture but couldn't find help as to how to bring them together This study was developed in order to address this gap and bring those themes together Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L> Reinventing English Evangelicalism, 1966-2001 Robert E. Warner, 2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition **One World Or Many?** Richard Tiplady, 2003 This book considers in detail the key drivers of globalization its contemporary shape and its implications for world mission It also looks at the impact of globalization on different contemporary issues affecting mission such as ethnicity the environment and global health as well as globalization's effect on more traditional missionary questions of the world religions contextualization theology and the church One World or Many is written by a variety of authors from all over the world This book was published in partnership with the World Evangelical Alliance Work and Worship Matthew Kaemingk, Cory B. Willson, 2020-11-17 The modern chasm between secular work and sacred worship has had a devastating impact on Western Christianity Drawing on years of research ministry and leadership experience Kaemingk and Willson explain why Sunday morning worship and Monday morning work desperately need to inform and impact one another Together they engage in a rich biblical theological and historical exploration of the deep and life giving connections between labor and liturgy In so doing Kaemingk and Willson offer new ways in which Christian communities can live seamless lives of work and worship Colossians Remixed Brian J. Walsh, Sylvia C. Keesmaat, 2004-10-04 Drawing together biblical scholarship with a passion for authentic lives that embody the gospel this groundbreaking interpretation of

Colossians from Brian J Walsh and Sylvia C Keesmaat provides us with tools to subvert the empire of our own context in a way that acknowledges the transforming power of Jesus Christ

What's Love Got to Do with It? Sam

Hamstra,2016-08-18 In the past three plus decades a significant conversation has taken place among American Protestants about worship As a result countless books have been written on the subject We have read books on music and worship ancient future worship worship as spiritual formation worship and the arts worship and children even life as worship Listen to that conversation however and you will notice one word conspicuously absent While the heart and soul of the Christian life is love and while the apostle Paul I Corinthians 13 insists that worship without love fails to be worship recent conversations on worship fail to answer this simple question What s love got to do with it In this volume Sam Hamstra answers that question and more by identifying biblical principles that shape our love as worshipers The end result is an invaluable resource for worshipers and for those responsible for planning corporate worship

Transforming the Struggles of Tamars

Lina Andronoviene,2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science and theology

Servantship

Graham Joseph Hill,2013-10-10 Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the missio Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many

West **Go to Jail** Rick Bezanson, 2009-09 Go to Jail is a call for Christians worldwide to take the mission of Christ outside the walls of the church Dr Bezanson provides a good model and keen insight into how a local church and its people can make a huge impact in the jail found near its own back yard He brings out a sense of the amazing reality that occurs in God's kingdom as the battle rages for guilty and incarcerated people's souls and in the process some end up belonging to God Chaplain James Holder AZ prison complex Perryville A life changing and lifesaving story of caring people who bravely follow their faith as they share God's word with those who have been forgotten Thanks be to God for the servant hearts of Pastor Bezanson and the Amazing Grace Jail Pastors A grateful Mother of a former inmate Rick Bezanson is the senior pastor of Amazing Grace Christian Church in Glendale Arizona During his tenure over six years the church has grown from worship attendance of 23 to over 170 He also implemented the planting of 5 jail churches in the Maricopa County jail complex and the commencement of Spanish worship at Amazing Grace Rick recently received his Doctor of Ministry from Fuller Theological Seminary His passion is for the outcast and disenfranchised Go to Jail is the culmination of many talks and training classes for pastors and laity interested in jail or prison ministry He has found that prisoners are longing for transformation and are desperately in need of the words of Jesus Remember Jesus will equip the called If you are considering this ministry Jesus will bless you and equip you Amazingly you will be changed also as you bring Jesus words to prisoners **Christian Baptism** Bruce A. Cunningham, 2002-11-01 In this fascinating and fresh look at the Apostles Creed David Cunningham argues that reading fiction and film can lead Christians to a deeper more precise and more experiential knowledge of their faith Drawing on novels plays and films by the likes of Dickens Shakespeare P D James and Graham Greene Cunningham discusses the Apostles Creed in detail using one primary text to illuminate each article Cunningham begins with a brief history of the

Christian creeds and their significance In addition to plot summaries each chapter includes discussion questions addressing the relationship between literature and faith and concludes with a works cited list and a list for further reading This book will delight Christians who want to better understand the creeds and basic doctrinal confessions of the Christian faith While academics theologians and literature and film aficionados will celebrate Cunningham s keen literary and theological insights the book is equally readable for those with little background in these fields of study Reading Is Believing is an ideal text for Christian education classes adult Sunday school and church based book clubs It will serve well as a text in theology courses as well as various courses in the humanities ethics and cultural and religious studies *Dancing in the Dark, Revised*

Edition Graham Buxton,2016-11-08 Christians are often tempted to encapsulate God in their own little boxes as if God could be tied down to our finite way of thinking But we can neither domesticate nor fully understand God for theology has a lot to do with coming to terms with the mystery of God This revised edition of *Dancing in the Dark* shaped as in the first edition by the two overarching themes of God as Trinity and a theology of participation embraces the notion of mystery in presenting a compelling vision of seeing all things finally united within the inner life of God As we engage in Christian ministry we are summoned to participate as grace filled faith communities in the triune God s immeasurably loving and healing work in the world leading those who are in darkness into an awareness of the God who imparts life in all its glorious abundance that which is so and a journey into the mystery of that which is to come The liberating ministry of the gospel is both a declaration and an invitation an invitation to the dance *Jesus Made in America* Stephen J. Nichols,2009-09-20 Jesus is as American as

baseball and apple pie But how this came to be is a complex story one that Stephen Nichols tells with care and ease Beginning with the Puritans he leads readers through the various cultural epochs of American history showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the times often with unfortunate results Always fascinating and often humorous *Jesus Made in America* offers a frank assessment of the story of Christianity in America including the present For those interested in the cultural implications of that story this book is a must read **Christian**

Preaching Michael Pasquarello III,2011-06-28 Michael Pasquarello has written a must read book articulating a Trinitarian vision for preaching His compelling argument is richly informed by traditional biblical hermeneutics creedal history understood as storied attestation of the witness of Scripture and liturgical theology and practice considered as embodied performance of the Bible s divine narrative Here is a clear summons to the church to abandon all lesser homiletic aims and to prayerfully and faithfully proclaim the holy gospel to the glory of God Charles L Bartow Princeton Theological Seminary Like all of Michael Pasquarello s work his newest book not only upholds the classical Christian tradition but also breathes new vitality into it In an era in which preaching is reduced to persuasive communication Pasquarello reminds us that the Christian message has a content that originates in and gives expression to the Father Son and Holy Spirit Richard Lischer Duke Divinity School One of the refreshing things about this fine book by Michael Pasquarello is that when he thinks about the

ministry of preaching he is not afraid to measure the breadth historically or plumb the depths theologically Pasquarello has written this book like a good sermon faithfully thoughtfully prayerfully and with a profound word to speak We are in his debt Thomas G Long Candler School of Theology Boldly challenging homiletical accommodation to American culture Pasquarello seeks to change the subject of preaching from method and marketing to the Triune God who is the source and goal of our speech A welcome theological vision of preaching Charles L Campbell Columbia Theological Seminary Christian Preaching brings together two disciplines that have sadly grown apart such that they almost developed irreconcilable differences preaching and theology Pasquarello offers a brilliant critique of theology as technique and draws on the theology and sermons of Irenaeus Augustine Luther Wesley and others convincingly demonstrating that effective pragmatic preaching requires substantive theological engagement and vice versa This book accomplishes its purpose so well that it should be used not only in preaching courses but also in basic theology courses No preacher should be let loose on a congregation without passing through Pasquarello's Christian Preaching D Stephen Long Marquette University Mike Pasquarello III PhD University of North Carolina Chapel Hill is Granger E and Anna A Fisher Professor of Preaching at Asbury Theological Seminary He is the author of Sacred Rhetoric Preaching as a Theological and Pastoral Practice of the Church
