Infamous Chinese Emperors (2010 Edition - EPUB) Tian Hengyu, 2018-11-14 In ancient China an emperor is regarded as tianzi or Heaven s son one who is sent from Heaven to rule the nation and its people Little wonder that he held sway over the masses and is deemed sacred and inviolate Literally a dynasty s rise and fall and the people s weal and woe are intimately linked to his calibre and character Much has been written about the great emperors of China But what about those rulers who through their whims and fancies had the commoners gnash their teeth in grief and hate Here are 12 stories on China s most notorious emperors a motley crew of squanderers murderers thugs lechers and idiots swaggering under the holy cloak of a tianzi Read on and see how they got their just deserts Secrets of the Chinese Palace (2010 Edition - EPUB) Lim SK, 2018-11-20 For 5 000 years kings and emperors had ruled China with the palace as their power hub Yet the common people knew little of the goings on there even though court affairs greatly affected their lives In this book we unveil the secrets of the Chinese palace You will learn about the physical palaces of the various dynasties of China although most of them no longer exist Meet the occupants of the palace the emperors empresses imperial concubines and siblings eunuchs and many others and find out how the notable ones altered the course of history You will be surprised to know that although authority was vested in the emperor there were numerous occasions when others such as the empress concubines eunuchs and even imperial siblings around him supplanted his power Renowned cartoonist Tian Hengyu now relives these stirring tales with the deft strokes of his pen to shed new insights into Chinese history **The Best Ever Book of Chinese Jokes** Mark Geoffrey Young, 2012-09-28 If you ve ever heard a Jewish Italian Libyan Catholic Irish Mexican Polish Belgian Norwegian or an Essex Girl Newfie Mother in Law or joke aimed at a minority this book of Chinese citizen jokes is for you In this not so original book The Best Ever Book of Chinese citizen Jokes Lots and Lots of Jokes Specially

McDougall,2024-06-21 The essays in this volume constitute an exceptionally broad and inclusive account of Chinese literature and performing arts since 1949 Extending beyond fiction to poetry and drama and covering song opera and film as well these essays reveal a more lively and varied cultural life than that disclosed by studies confined

to fiction and literary politics Rather than stopping at the assumption that art reflects Party or government policy the essays uncover the traditional roots of popular literature and performing art by employing literary and artistic methods of analysis While often lacking in appeal to Western audiences these popular arts nonetheless have their own artistic validity and convey complex meanings to broadly based Chinese audiences The materials and analyses presented here have social as well as cultural relevance Variety and change rather than monolithic uniformity have characterized post 1949 cultural bureaucracies writers performers and audiences This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984
