The Poetics of the Avant-garde in Literature, Arts, and Philosophy Slav N. Gratchev, 2020-10-05 The Poetics of the Avant garde in Literature Arts and Philosophy presents a range of chapters written by a highly international group of scholars from disciplines such as literary studies arts theatre and philosophy to analyze the ambitions of avant garde artists Together these essays highlight the interdisciplinary scope of the historic avant garde and the interconnectedness of its artists Contributors analyze topics such as abstraction and estrangement across the arts the imaginary dialogue between Lev Yakubinsky and Mikhail Bakhtin the

problem of the masculine ethos in the Russian avant garde the transformation of barefoot dancing Kazimir Malevich's avant garde poetic experimentations the ecological imagination of the Polish avant garde science fiction in the Russian avant garde cinema and the almost forgotten history of the avant garde children's literature in Germany The chapters in this collection open a new critical discourse about the avant garde movement in Europe and reshape contemporary understandings of it

Portraits and Philosophy Hans Maes, 2019-11-20 Portraits are everywhere One finds them not only in museums and galleries but also in newspapers and magazines in the homes of people and in the boardrooms of companies on stamps and coins on millions of cell phones and computers Despite its huge popularity however portraiture hasn't received much philosophical attention While there are countless art historical studies of portraiture contemporary philosophy has largely remained silent on the subject This book aims to address that lacuna It brings together philosophers and philosophically minded historians with different areas of expertise to discuss this enduring and continuously fascinating genre The chapters in this collection are ranged under five broad themes Part I examines the general nature of portraiture and what makes it distinctive as a genre Part II looks at some of the subgenres of portraiture such as double portraiture and at some special cases such as sport card portraits and portraits of people not present How emotions are expressed and evoked by portraits is the central focus of Part III while Part IV explores the relation between portraiture fiction and depiction more generally Finally in Part V some of the ethical issues surrounding portraiture are addressed The book closes with an epilogue about portraits of philosophers Portraits and Philosophy tangles with deep questions about the nature and effects of portraiture in ways that will substantially advance the scholarly discussion of the genre It will be of interest to scholars and students working in philosophy of art history of art and the visual arts

Cultures of Forgery Judith Ryan, Alfred Thomas, 2013-05-13 In Cultures of Forgery leading literary studies and cultural studies scholars examine the double meaning of the word forge to create or to form on the one hand and to make falsely on the other

With God on their Side Timothy Chandler, Tara Magdalinski, 2005-07-12 Sport and religion are cultural institutions with a global reach Each is characterised by ritualised performance and by the ecstatic devotion of its followers whether in the sports arena or the cathedral of worship This fascinating collection is the first to examine in detail the relationship between these two cultural institutions from an international religiously pluralistic perspective It illuminates the role of sport and religion in the social formation of collective groups and explores how sport might operate in the service of a religious community The book offers a series of cutting edge contemporary historical case studies wide ranging in their social and religious contexts It presents important new work on the following fascinating topics sport and Catholicism in Northern Ireland Shinto and sumo in Japan women sport and the American Jewish identity religion race and rugby in South Africa sport and Islam in France and North Africa sport and Christian fundamentalism in the US Muhammad Ali and the Nation of Islam With God on their Side is vital reading for all students of the history sociology and culture of sport It also presents important new research material that will be of

Herbert,2004 *Lysippos* Franklin Plotinus Johnson,1927 *Ancient Greek Portrait Sculpture* Sheila Dillon,2006-04-24 This book offers a new approach to the history of Greek portraiture by focusing on portraits without names Comprehensively illustrated it brings together a wide range of evidence that has never before been studied as a group Sheila Dillon considers the few original bronze and marble portrait statues preserved from the Classical and Hellenistic periods together with the large number of Greek portraits known only through Roman copies In focusing on a series of images that have previously been ignored Dillon investigates the range of strategies and modes utilized in these portraits to construct their subject s identity Her methods undermine two basic tenets of Greek portraiture first that is was only in the late Hellenistic period under Roman influence that Greek portraits exhibited a wide range of styles including descriptive realism and second that in most cases one can easily tell a subject s public role that is whether he is a philosopher or an orator from the visual traits used in this portrait The sculptures studied here instead show that the proliferation of portrait styles takes place much earlier in the late Classical period and that the identity encoded in these portraits is much more complex and layered than has previously been realized Despite the fact that these portraits lack the one feature most prized by scholars of ancient portraiture a name they are evidence of utmost importance for the history of Greek portraiture The Athlete's Bible:
