PORTRAIT OF MAX S N BEHRMAN,1960 Portrait of Max Marianne E. Strehler,1991 **Max Weber** Reinhard Bendix,1977 **The Portrait of Doreene Gray** Esri Allbritten,2012-07-03 A little bit X Files a little bit Agatha Christie and a whole lotta charming If you like your mysteries baffling bizarre and above all fun you re going to love it Steve Hockensmith author of Holmes on the Range In this laugh out loud funny mystery Angus MacGregor and the zany staff of Tripping Magazine a travel magazine that covers paranormal destinations investigate a bizarre story in a town brimming with secrets Forty years ago Maureene Pinter painted a portrait of her twin sister Doreene In an eerie turn of events Doreene hasn t aged although her portrait has When Doreene decides to sell the portrait the Tripping team travel to Doreene s mansion in Port Townsend Washington a Victorian town wreathed in mists and mysteries to get the scoop on this intriguing story When strange strips of paper appear in her soup Doreene invites Tripping to stay and solve the town s many puzzles Why does a man named Enrico Russo sit in a white Impala outside the mansion And what does Lupita the housekeeper fear Soon it becomes clear that while Doreene has kept her youthful looks the past is catching up with her Packed with laughs and featuring a mystery with a delightful literary twist Esri Allbritten s The Portrait of Doreene Gray is a fabulously entertaining tale **German Expressionist Painting** ,1957 Max Beckmann Peter Selz,Max Beckmann,1992 **German Expressionist Painting** Peter Selz,2023-04-28 Published in 1957 German Expressionist Painting was the first comprehensive study of one of the most pivotal movements in the art of this century When it was written however German Expressionism seemed like an eccentric manifestation far removed from what was then considered the mainstream of modern art But as historians well know each generation alters the concept of mainstream to encompass those aspects of the past which seem most relevant to the present The impact of German Expressionism on the art and thought of later generations could never have been anticipated at the time of the original writing of this book During the subsequent years an enormous body of scholarly research and an even larger number of popular books on German expressionist art has been printed Numerous monographs and detailed studies on most of the artists exist now and countless exhibitions with accompanying catalogues have taken place Much of this new research could have been incorporated in a revised edition and the bibliography certainly could have been greatly expanded to include the important writings which have been published in Germany the United States and elsewhere since this book was originally issued The author however was faced with the choice of reprinting the original text with only the most necessary alterations such as updating the captions to indicate present locations of the paintings or the preparation of a revised text and bibliography Desirable as a revision appeared present printing costs would have priced the paperback out of reach for students It is for this reason that I decided to reissue the original text which stands on its own as a primary investigation of German Expressionist Painting **The International Studio** Charles Holme,Guy Eglington,Peyton Boswell,William Bernard McCormick,Henry James Whigham,1919 Max
