Riding Into Glory:

A Ride in Egypt William John Loftie, 2017 Mr Loftie's very pleasant book relates strictly speaking to an excursion from Siout to Luxor undertaken by the author and three friends in 1879 but it includes as well some entertaining notes en route from England to the East and a number of instructive chapters on Cairo and its environs The Ride proper which was taken mostly on donkey back conducted the party a little aside from the hackneyed track and to some of the less well known points of archaeological interest notably to the ruins of This or Thinis claimed by modern Egyptologists as the cradle of ancient monarchy Nothing fresher or more entertaining on the subject of Egypt has appeared for a long time back than this well considered volume Mr Loftie gives us much that is curious as well as entertaining with regard to antiquities history and the humors of the road and makes a little gentle fun of the school headed by Mr Piazza Smith which professes to have discovered so much of the secret of the great Pyramid and he deserves special credit for his forcible and manly exposure of the misdoings and misgovernment of the Khedive who was at that time still the shielded pet of English stockholders and of the terrible results of his mal administration as evidenced by the Fellah famine

The Midnight Rider in the Hot Rod Lincoln and Other True and Edifying Tales of Startling Shocking Action Packed Spine Tingling Supernatural Adventures and Stuff Sonny L. Abshier, 2012-07-03 The stories in this book are real life supernatural experiences in the life of one man Some of the subjects brought up in relation to those events are sure to be provocative and maybe even to some controversial but Sonny has taken care to back up from the Bible what he has written to show that God can do whatever He chooses The Lord spoke audibly to Sonny in 1974 while he was in jail and not interested in anything spiritual Sonny had chosen crime as a lifetime career choice but after literally seeing the light and being body slammed in that jail cell his life has drastically changed and the things that have happened in his life since then to say the least are very unusual and noteworthy Although a lot is given to action thrills and chills deep and unheard of subjects are brought to light and examined in detail in the light of the Word of God Readers can expect inspiration encouragement and instruction with adventure mystery suspense and thrills with a few chills
