Riding With The Lion In Search Of Mystical Christianity:

Riding with the Lion Kyriacos C. Markides,1996-01-01 Professor Markides continues his quest for the nature of reality mind self and ultimate divinity searching within diverse sources of wisdom on a journey that takes him from Maine to New York to London to Cyprus and on to ancient monasteries on the coast of Greece His revelation of a vital living mystical practice based in ancient Christian thought is a major step in linking the most esoteric traditions of the East to the largely hidden esoteric traditions of the West *Awakening the Soul: Book 2* Bill Missett,2005-10-18 I am absolutely in awe of your book It is an extraordinarily important work It will I humbly suggest change many lives Joseph W Dunn Jr Editor A R E Press I believe *Awakening the Soul Book 3* is the key to the 12th Step of Alcoholics Anonymous Susana K Oregon We all agree on the brilliance of this work Lisa Hagan literary agent Paraview Inc *The Mountain of Silence* Kyriacos C. Markides,2002-03-12 An acclaimed expert in Christian mysticism travels to monasteries high in the Troodos Mountains of Cyprus and offers a fascinating look at the Greek Orthodox approach to spirituality that will appeal to modern seekers In an engaging combination of dialogues reflections conversations history and travel information Kyriacos C Markides continues the exploration of a spiritual tradition and practice he began in *Riding with the Lion* His earlier book took readers to the isolated peninsula of Mount Athos in northern Greece and into a group of ancient monasteries There in what might be called a Christian Tibet two thousand monks and hermits practice the spiritual arts to attain oneness with God In his new book Markides follows Father Maximos one of Mount Athos s monks to the troubled island of Cyprus As Father Maximos establishes churches convents and monasteries in this deeply divided land Markides is awakened anew to the magnificent spirituality of the Greek Orthodox Church Images of the land and the people of Cyprus and details of its tragic history enrich *The Mountain of Silence* Like the writings of the great mystics the book brilliantly evokes the confluence of an inner and outer journey The depth and richness of its spiritual message echo the thoughts and writings of Saint Francis of Assisi and other great saints of the Western Church as well The result is a remarkable work a moving profoundly human examination of the role and the power of spirituality in a complex and confusing world *Awakening the Soul* Bill Missett,2008-05-21 *Awakening The Soul* The Trilogy includes *ATS Book One Proof of Our Spiritual Nature* which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth *ATS Book 2 Our Suppressed Spiritual Nature* which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and *ATS Book 3 Restoring Your Spiritual Nature* contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that *Re-Introducing Christianity* Amir Azarvan,2016-03-22 Faith means making a virtue out of not thinking And those who preach faith and enable and elevate it are intellectual slaveholders keeping mankind in a bondage to fantasy and nonsense that has spawned and justified so much lunacy and destruction Bill Maher Many seem unaware that contemporary critiques

of Christianity are relevant mostly to its modern offshoots whose followers have to some extent earned Bill Maher's unflattering caricatures. To its detriment, Christianity is increasingly identified in people's minds with these more recent expressions. As a result, a growing number of people are turning away from Christianity and indeed religious faith altogether. Drawing from an eclectic group of theologians, clergy members, monastics, and lay scholars, this edited volume reintroduces Christianity to a modern audience. It presents a more authentic experiential side of Christianity to the religious skeptic, a side that eschews blind faith, legalism, and judgment, a side that is rarely given a hearing in the ongoing debate with today's skeptics. Re-Introducing Christianity is also directed at modern Christians and refutes their most frequently expressed criticisms of what the contributors boldly but humbly call the Apostolic Faith.

The Wreckage Reconsidered P. H. Liotta, 1999-01-01. The Wreckage Reconsidered examines Yugoslav disintegration in order to suggest through the Yugoslav example that a reexamination of national security strategy and foreign policy concerns for the United States in a new century is not only a wise choice but an imperative one. P. H. Liotta examines this subject by means of the oxymoron, which he defines through its specific Balkan application, a force or issue so contrary in nature that it may remain problematic no matter what approach or resolution might be offered. The five oxymorons Liotta considers are: U.S. strategic perspectives as they have applied to the Balkan example; the rise of the parastate as a result of recent Balkan history; a strategy of chaos as it may have applied in the last Balkan war; and as it may target American strategic culture in the future; religion, a cultural and political force in the Balkans as it may have provided the occasion though not the cause for the outbreak of conflict; and finally, the recognition that NATO enlargement may bring both unintended and unwelcome consequences.

The Healing Path of Prayer Ron Roth, Peter Occhiogrosso, 2010-04-07. Prayer is the key to tapping into the healing energy of the Divine. Yet for many people, prayer has been reduced to a rote practice that has lost its basic meaning and efficacy. In his long-awaited first book for an ecumenical readership, internationally renowned spiritual healer Ron Roth teaches his unique approach to prayer as energy medicine. The Healing Path of Prayer explains in detail the connection between healing, faith, and prayer. Roth shows you how to find your own path to prayer in a way that connects with God's healing energy. As Roth explains, you can use this energy not only for physical healing but also perhaps more significantly for healing emotional and spiritual wounds that may be at the root of physical maladies. The Healing Path of Prayer gives you specific guidance in setting up a daily healing prayer practice. Through a series of simple but effective exercises and rituals, Roth shows you how to celebrate your own sacraments and become a mystic in the course of your everyday life. Each chapter offers a new, higher level of prayer, enabling you to acquire more advanced techniques of focus, intention, and insight. As Roth revitalizes many tired traditional prayers with his fresh and inspiring reinterpretations from original scripture, he also recounts the dramatic story of when he discovered his healing abilities, as well as true cases of healing in which he has participated. The Healing Path of Prayer is a blueprint for a truly democratic spirituality. Roth's instruction on how to pray and establish a daily practice of meditation will
