Right Before Your Eyes:

Right Before Your Eyes Ellen Shanman, 2007-05-01 Outspoken playwright Liza Weiler left Yale with everything she thought she needed to make her mark on the New York stage So why nearly a decade later is she still waiting for her real life to finally begin But like any great drama Liza's life only needs one good twist And that's what happens when she turns her ankle on the way out of a downtown nightspot and falls into the arms of a suspiciously gallant Wall Street prince and a practically perfect ER doc Suddenly Liza not only has a couple of men in her life but her play has fallen into the hands of a hip theater director Now Liza's about to discover how much mess she can make of a seemingly good thing and how terrifying slightly tragic and utterly hilarious a little success can be *Right Before Your Eyes* Ruth Price, 2015-08-01

Educational Piano Library In engaging and informal language Ruth Price invites pianists to look for the magic in well known works from both concert and student repertoire What gives a piece its identity How can we get inside the composition in order to develop an interpretation What makes us fall in love with certain passages *Right Before Your Eyes* passionately delves into piano music through score study based on the idea that if we start with our emotional reactions to the music analysis and interpretation will flow more naturally It is a valuable guide to score study for students at every level and a must have book for every piano teacher *Right Before My Eyes* Michelle Robinson, 2012-03-06

What we can see lets us protect ourselves but what about the things we can't see The most dangerous threats are often the ones that catch us off guard forming an abrupt and unsettling feeling that just doesn't sit right In *Right Before My Eyes* Angela Diane skillfully incorporates a psychological thriller that obscures the lens between perception and reality The novel follows Sarah a college sophomore working to find her place in the world She flounders with faith identity and the eerie feeling that someone or something is watching her Furthermore Grace Valley Christian College's remote picturesque campus with its soaring mountains and quiet halls conforms to both sanctuary and prison intensifying Sarah's rising anxiety As Sarah undergoes the forces of faith and belonging the novel underscores the chilling world of obsession and surveillance Through alternating perspectives the reader is drawn into the mind of a mysterious observer someone who knows Sarah's routines too well Here subtle warnings misplaced belongings and a lingering presence in the shadows turn mundane moments into disturbing
