Mehmet Akpak,Advocates of Silenced Turkey,2024-07-25 The story you will read below is based on real people and events Farzona an epitome of selflessness consumed by a desire to explore distant lands when she was a young girl Driven by this yearning she left her home and family to attend college thousands of miles away eventually spending her life dedicated to Hizmet across three countries on three different continents Aram following the footsteps of his teachers who have worked tirelessly to showcase the beauty of life the joy of cooperation and the critical role of nurturing minds in a foreign country where ongoing political conflicts and wars have claimed hundreds of thousands of lives and left a ravage behind Inspired by his dedicated teachers Aram had only one goal Living life to the fullest to contribute to the world and humanity Finally the story of a young academician who got married in a country far away from her homeland While pursuing her dreams in that country which was so dear to her her life took a dramatic turn and her dreams were abruptly interrupted She didn't know what was waiting for her a husband imprisoned unjustly a baby she gave birth to who was denied citizenship and police raids at her home The innocent woman was left with no other choice but to contact human smugglers and flee the country taking a very difficult and dangerous journey risking her life and her baby's life *Miscellaneous Paper* Pacific Southwest Forest and Range Experiment Station (Berkeley, Calif.),1954 *My True/ Legendary Story with the Green Man & Beyond Sapiens` Wisdom, Ultimate Meaning and Fixed Destiny* Benjamin Katz,2020-07-21 We belong to a gullible partly delusional hallucinating self destructive species Homo sapiens First we create the conditions for global catastrophes including epidemics by following unsustainable policies and then as we are hit as the COVID 19 pandemic shows we react often too late confused and short sighted Hence we badly need a new evolved global vision mission to steer away from our innate and self destructive shortcomings and flaws This book includes two parts Book One tells my true legendary story with the Green Man describing how such a vision mission was conceived Book Two describes a tour de force beyond Homo sapiens's current wisdom ultimate meaning and fixed destiny leading to the abovementioned new evolved vision for a future civilization which will focus on saving us from ourselves Value-Focused Thinking Ralph L. KEENEY,Ralph L Keeney,2009-06-30 This text argues that in decision making a focus should be placed on the bottom line objectives that give it its meaning It states that through recognizing and articulating fundamental values better decision opportunities can be identified thereby creating better alternatives
