Eugene Sadler-Smith

Right Place At The Wrong Time:

Right Place, Wrong Time Judith Arnold, 2009-10-29 Ethan Parnell and Gina Morante meet when they accidentally wind up in the same time share condominium on the Caribbean island of St Thomas Right place for a tropical vacation but wrong time for them both to appear and for sure the wrong two people to spend a week together in close quarters He is a Connecticut type reserved well bred a product of the best schools She is a savvy Manhattan girl a funky shoe designer whose warm working class family lives in the Bronx So how come they end up thinking so much about each other once they reback in their own worlds after the wrong time is up

The West Stole Africa's Wealth Khoza Mduduzi, 2015-07-28 The West stolen Africa's wealth and invested it in the IMF World Bank and European Bank Through the colonization of Africa the West not only managed to impoverish the African continent but it managed to build its own world class infrastructure through ill gotten wealth from Africa Africa is the richest continent on the face of the world as far as mineral resources is concerned but Africans are the poorest people on the face of the world Its an open secret that the majority of skyscrapers in the US were built by African slaves who were bought from Gore Island in Senegal at the cheapest price and transported to the US From the Dark Age until to the information age the African continent is the only continent where there is no perennial political peace Africans have been on the run from their civil wars for quite a long period of time to the point that some Africans have emigrated from the African continent to live in the West where they are not even welcomed and accepted African mineral resources are sufficient enough to the point that if they were equally and fairly utilized in the interest of the Africa people Africa was going to be a poverty free continent Unfortunately opposite is the case the African mineral resources continue to enrich the Westerners at the expense of the African people Africans are political free but remain economically in prison which they cant see smell touch or feel The west destabilizes the African continent by pouring military weapons to the African continent to ensure that bloodshed does not cease

Jesus who embarked on a mission to save teach and heal offers a remedy for all Despite the heartache pain and suffering found in this timeless story it is the miraculous truth of faith hope and love that provides us with the prescription we desperately need If you are seeking to be restored to a healthy state of mind and body so you can live a life of meaning and purpose look no further Scott Weibling Author of River Guide Published by Scott Weibling 2017 **Logistics and**
