Doing the Right Thing for God and Others Johnny R Saucedo, 2020-08-27 We should all have a right standing with God which means that we should have his righteousness as

Christians I know that in this world it is a difficult situation and a challenge each day to do the right thing for God because of where you may be like work church school or even at home when you have friends over As Christians doing what is right in the eyes of God is done all the time no matter where we are Doing it God s way is the best way to doing things and we would be blessed when we do it As real Christians or children of the Most High God we are to do the right thing and we would be able to see and feel that it is the right thing to do to help others that are in need help people to see the truth to read his Word showing all that we are walking in his light and staying out of the dark of this world The earthly life of Jesus is described as being led or filled with the Holy Spirit We also must do as he did God loves you and offers a wonderful plan for your life Find your relationship with God Learn how to do what is right by following Jesus Christ in all that he did Learn from his truth learn to hear his voice Know his spiritual principles Believe in God and he will The Right Thing James Richard Larson,2007-03-06 From James Richard Larson author of The Eye of Odin and Wolfgar The Story of a Viking comes his third novel a study in horror titled The Right Thing When a woman is found wandering on a quiet rural road her incoherent rambling is dismissed as fantasy But others are about to learn that the man from the woods the man attired in black intends to pay them a visit as well Not only will he enter their lives he will alter their very reality The Right Thing will take you on a journey into a world of kabbalistic magic a world of trance and ritual where an ancient evil is released from the power of one woman s will So pick up the wand sword cup and pentacle step into the magic circle and accompany us on a tour of the dark place *The Politically Incorrect Success System* Larry Winget,2020-04-03 The cancer of political correctness has not only helped to form a society of insincere oversensitive and under achieving people it has deprived individuals from the joy of living authentically and boldly Well living authentically and boldly has never been a problem for Larry Winget Known as the Pitbull of Personal Development Larry is not afraid to tell it like it is about what it takes to be successful And he s also not afraid of skewering some of those well known shibboleths of personal development like The Law of Attraction and the path of effortless success that are peddled by so many motivational speakers In this book Larry will take on the political correctness that has infected our society and the personal development industry He ll outline an effective back to the basics approach to help YOU be more successful Larry still believes that hard work and excellence are the keys to success and communicates that like no other person on the planet can Larry makes you think He makes you uncomfortable He offers common sense solutions that are impossible to argue with On top of all that he is hilarious Learn Why being politically correct will leave you unhappy uninspired and unsure about your future Why it takes a contrarian approach to be successful and true to yourself in this upside down politically correct world Why you need to fix yourself first rather than putting your focus on how to fix others or society Why letting go of your need for approval is essential to happiness How to get to the point and ask for what you want in life directly and decisively How to make big bold and brash plans for your life The biggest problem preventing entrepreneurs from being successful in business in our modern world How getting rid of politically correct excuses about
