Applied Theatre: Voice Sarah Weston, 2025-01-23 Applied Theatre Voice is a unique exploration of the conceptual and practical understandings of voice in relation to applied theatre Voice is fundamental to much practice that takes place in applied and community performance and is regularly the go to word to articulate community involvement and engagement be that in terms of creativity or social cultural and political activity Yet often in these references the preciseness of what we mean by voice is lost Is voice in applied theatre simply another word for representation as in finding or giving voice Or is voice also referring to the material sonic and embodied phenomenon of human communication when we consider the relationship between voice performance and social justice In this book voice in applied theatre is critically examined in a range of practical case studies discussing both its symbolic and material function demonstrating the necessity of considering both when working in applied and community spaces In Part One voice as a concept is introduced discussing recent theorizations of voice and why they are significant to applied theatre Part Two introduces the case studies exploring divergent understandings of why the voice matters in community practice

The Voice Coach's Toolkit Pamela Prather, 2023-03-31 The Voice Coach s Toolkit identifies the primary professional vocal coaching opportunities and the avenues by which a student or early career coach can navigate the vocation For purposes of this book the Voice Coach is defined as someone who coaches the spoken voice in three precise areas the teaching artist the professional film TV theatre coach and the professional voice user coach These three coaching worlds are broadly defined and each area includes in depth interviews and practical advice from top coaches along with the author s personal expertise The book can be read in sections or as a whole making it as useful for early career coaches as it is for those looking to expand their vocal coaching career or vocal pedagogy students who need a broad survey of all three areas

Putting Your Words to Work: Learn to Use the Voice of Authority Lance Ivey, 2016-08-02 When God created man the earth and the realms of time and space He did so with the voice of authority Man was made in the image and after the likeness of God as a speaking spirit with a voice designed to speak with authority in the earth It may sound seemingly unrealistic but if any part of the body of Christ speaks with His authority
