God's Hand on America Michael Medved, 2019-11-26 The national radio host and bestselling author of *The American Miracle* reveals the happy accidents

bizarre coincidences and flat out miracles that continue to shape America's destiny. A hopeful message for our troubled times. Michael Medved has an eye for a story and a preternatural gift for telling it in beguiling ways. Joseph J. Ellis Pulitzer Prize and National Book Award winning author of *Founding Brothers*. Has God withdrawn his special blessing from the United States? Americans ponder that painful question in troubled times as we did during the devastation of the Civil War and after the assassinations of the 60s and as we do in our present polarization. Yet somehow on battlefields across western wilderness and in raucous convention halls astounding events have reliably advanced America, restoring faith in the Republic's providential protection. In this provocative historical narrative Michael Medved brings to life ten haunting tales that reveal this purposeful pattern including: A near fatal carriage accident forces Lincoln's secretary of state into a canvas and steel neck brace that protects him from a would-be assassin's knife thrusts, allowing him two years later to acquire Alaska for the United States. A sudden tidal wave of Russian Jewish immigration beginning in 1881 coincides with America's rise to world leadership, fulfilling a biblical promise that those blessing Abraham's children will themselves be blessed. Campaigning for president Theodore Roosevelt takes a bullet in the chest but a folded speech in his jacket pocket slows its progress and saves his life. At the Battle of Midway U.S. planes get lost over empty ocean and then miraculously reconnect for five minutes of dive bombing that wrecks Japan's fleet, convincing even enemy commanders that higher powers intervened against them. A behind-the-scenes conspiracy of the pure of heart by Democratic leaders forces a gravely ill FDR to replace his sitting vice president, an unstable Stalinist, with future White House great Harry Truman. These and other little known stories build on themes of *The American Miracle*, Medved's bestseller about America's remarkable rise. The confident heroes and stubborn misfits in these pages shared a common faith in a master plan which continues to unfold in our time. God's Hand on America confirms that the founders were right about America's destiny to lead and enlighten the world. [Liberty Means Freedom for All](#) Steven H. Propp, 2012-11. Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science. It's an election year and as a young progressive in California who has been raised by equally progressive parents, he is very much concerned with the political issues currently being discussed in the mass media. A chance encounter with a fellow graduate named Kelly Kelso however shakes up his settled view of the world. He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative. Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rand's philosophy of Objectivism. His explorations grow wider now encompassing the Tea Party movement and the Christian Right tax resisters and gun rights advocates, survivalists and militia members, anarchists, communists and Democratic Socialists as well as the Occupy Wall Street movement. He debates the radical environmental views of animal welfare and animal rights advocates and challenges

opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting ideas and opposition But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved **The Myth of Hitler's Pope**

David G. Dalin, 2012-03-28 Was Pope Pius XII secretly in league with Adolf Hitler No says Rabbi David G Dalin but there was a cleric in league with Hitler the grand mufti of Jerusalem Hajj Amin al Husseini As Pope Pius XII worked to save Jews from the Nazis the grand mufti became Hitler's staunch ally and a promoter of the Holocaust with a legacy that feeds radical Islam today In this shocking and thoroughly documented book Rabbi Dalin explodes the myth of Hitler's pope and condemns the mythmakers for not only rewriting history but for denying the testimony of Holocaust survivors hijacking the Holocaust for unseemly political ends and ignoring the real threat to the Jewish people **The American Miracle** Michael

Medved, 2017-09-05 The New York Times bestselling author of God's Hand on America reveals that what the Founders always believed has been proven true that America's rise to prosperity and power from the writing of the Constitution to the Civil War unfolded according to a master plan THE INSPIRATION FOR THE MOTION PICTURE EXPERIENCE THE AMERICAN MIRACLE OUR NATION IS NO ACCIDENT Absolutely spectacular The stories are genuinely staggering fascinating eye opening and deeply inspiring Eric Metaxas The history of the United States displays an uncanny pattern At moments of crisis when the odds against success seem overwhelming and disaster looks imminent fate intervenes to provide deliverance and progress Historians may categorize these incidents as happy accidents callous crimes or the product of brilliant leadership but the most notable leaders of the last four hundred years have identified this good fortune as something else a reflection of divine providence Among the stirring illogical episodes described here A band of desperate religious refugees find themselves blown hopelessly off course only to be deposited at the one spot on a wild continent best suited for their survival George Washington's beaten army surrounded by a ruthless foe and on the verge of annihilation manages an impossible escape due to a freakish change in the weather A famous conqueror known for seizing territory frustrated by a slave rebellion and a frozen harbor impulsively hands Thomas Jefferson a tract of land that doubles the size of the United States A weary soldier picks up three cigars left behind in an open field and notices the stogies have been wrapped in a handwritten description of the enemy's secret battle plans a revelation that gives Lincoln the supernatural sign he's awaited in order to free the slaves When millions worry over the nation losing its way Medved's sweeping narrative bursting with dramatic events and lively portraits of unforgettable occasionally little known characters affirms America as fortune's favorite shaped by a distinctive destiny from our beginnings to the present day *The 5 Big Lies About American Business* Michael Medved, 2010-11-02 WHY FEEL EMBARRASSED BY BUSINESS Every American benefits every day from the phenomenal productivity of the free market so why do so many people feel guilty or skeptical about our business system In this
