In this handy guide to nearly 800 award-winning historical fiction for Kindergarten through 8th grade, Beth Zarian literally spans the globe. Each book presents information in two sections. In the first part, titles are listed according to grade levels, within eras, and further organized according to product type. The books cover American history from North America Before 1600 and The American Colonies 1600-1774 to The Mid-Twentieth Century 1946-1975 and Since 1975. The second section has annotated bibliographies that describe each title and includes publication information and awards won. The focus is on books published since 1990, and all have received at least one favorable review. Some books with more illustration than text will be valuable for enticing slow or reticent readers. An index helps users find resources by author, title, or biographical subject.
