Rights Beyond Borders The Global Community And The Struggle Over Human Rights In China:

Rights Beyond Borders Rosemary Foot, 2000 Over the five decades since the establishment of the UN Charter and Universal Declaration of Human Rights human rights issues have become a dominant feature of the international system embracing new actors eroding the traditional Westphalian concept of sovereignty and leading to an acceptance that the treatment of individuals and groups within domestic societies is legitimately a focus of global attention This book examines the effect of this normative evolution on the individual state institutional and advocacy network behaviour Having described this normative environment it assesses its impact on key actors relationships with China particularly in the period since the Tiananmen bloodshed in June 1989 It also examines China's responses international and internal to being the focus of global attention in this issue area The book's theoretical concerns are to uncover the mechanisms through which international human rights norms influence especially the external but also the domestic behaviour of states *Rights Beyond Borders* Rosemary Foot, 2000

China and the International Society Jinjun Zhao, 2014 What is the relationship between China and the international society It is a question of historical and realistic significance for China and the world to answer Since the reform and opening up China initiated a journey to get integrated into the international society As an emerging power China is trying to seek identities display strength and build a good reputation Under various determinants and possibilities the relationship between China and the international society manifests a feature of complexity and multiple dimensions Following a guideline of OC on China for the world OCO this volume intends to introduce Chinese scholars latest studies on China's global strategies theories and policies to the outside world Contents The Self consciousness of Chinese Characteristic Diplomatic Practice and Theory China and International System Two Way Socialization under the Logic of Practice An Analytical Study of the Ideological Sources of China's Conduct Self generated Transformation On China's Agency in Its Interaction with International Human Rights Norms Border Geopolitics and China's International Relations Study Evolution of OC Neighborhood OCO Concept and China's Foreign Strategies The Role and Influence of China's Mainstream Media in South China Sea Disputes OCO An Analysis from the Perspective of Signaling Public Policy and Cross border Investment by Chinese Enterprises China's Approaches and Future Prospects for Participation in United Nation Peacekeeping and Peacebuilding A Report Based on Field Research of UN Peacekeeping and Peacebuilding Missions in Africa Origin of the Forum on China Africa Cooperation Readership Academics professionals undergraduate and graduate students interested in China's diplomatic practice and theory and China's international relations studies **Modern China** Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In Modern China author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also

addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views

Understanding Global Politics Klaus Larres,Ruth Wittlinger,2019-08-13 Contemporary international affairs are largely shaped by widely differing thematic issues and actors such as nation states international institutions NGOs and multinational companies Obtaining a deeper understanding of these multifaceted themes and actors is crucial for developing a genuine understanding of contemporary international affairs This book provides undergraduate and postgraduate students of global politics and international relations with the necessary knowledge of the forces that shape and dominate our global political economic and social cultural environment The book significantly enhances our understanding of the essentials of contemporary international affairs Understanding Global Politics takes a pragmatic approach to international relations with each chapter being written by an expert in their respective field Part I provides the historical background that has led to the current state of world affairs It also provides clear outlines of the major yet often complex theories of international relations Part II is dedicated to the main actors in global politics It discusses actors such as the most important nation states the UN EU international organizations NGOs and multinational companies Part III considers important contemporary themes and challenges in global politics including non state centered challenges Chapters focus on international terrorism energy and climate change issues religious fundamentalism and demographic changes The comprehensive structure of this book makes it particularly viable to students who wish to pursue careers in international organizations diplomacy consultancy the think tank world and the media

Wrongful Convictions in China Na Jiang,2016-08-08 The primary focus of this comparative and empirical work is to address wrongful convictions between China and common law countries in order to promote a better understanding of wrongful convictions in China s practice with the help of comparative analyses verifiable and empirical data and case studies It examines the scope of wrongful convictions and offers new insights into the worldwide movement to prevent them assesses how far it has progressed and what reforms are most needed The book suggests that adversarial and inquisitorial systems alike could benefit from this research and learn valuable lessons from one another on how to effectively reduce the risk of wrongful convictions

The Palgrave Handbook of EU-Asia Relations Emil Kirchner,T. Christiansen,K. Jørgensen,Philomena B. Murray,2016-11-09 The Handbook provides a comprehensive range of contributions on the relations between the EU and Asia two regions undergoing significant changes internally yet also developing stronger

relations in the context of an emerging multi polar world It collates some 40 contributions from various disciplines by contributors from throughout the world *Rising China's Influence in Developing Asia* Evelyn Goh, 2016-04-22 Rising China has been reshaping world order for the last two decades but this volume argues that we cannot accurately understand rising China's global impacts without first investigating whether and how its growing power resources are translated into actual influence over other states choices and policies Concentrating on the developing countries in East and South Asia where the power asymmetry is greatest and China ought to have the biggest influence the volume investigates China's influence in bilateral relationships and on key political actors from these countries within key issue areas and international institutions Using an influence framework the volume demonstrates how China tends to try to gain the support of smaller and weaker countries without forcing them to change their preferences or to act against their own interests China does purposefully coerce induce or persuade others to behave in certain ways but whether and the extent to which it succeeds is determined as much by the reactions political context and decision making processes of the target states as it is by how skilfully Chinese actors deploy these tools The contributors detail how China's influence even over these weaker states does not result from easy applications of power rather it tends to be mediated through the competing interests of target state actors the imperatives of other existing security and economic relationships and more complex strategic thinking than we might expect The book's findings carry lessons for conceptual refinement as well as policy implications for those coping with China's reshaping of international order Transnational Civil Society in China J. Chen, 2012-09-01 This book discusses the

penetration growth and operation of transnational civil society TCS in China It explores impacts on the incremental development of China's political pluralism mainly through exploring the influences of the leading TCS actors on the country's bottom up and self governing activist NGOs that have sprung up spontaneously in terms of capacities strategies leadership and political outlook as a result of complex interactions between the two sectors **China's Blueprint for Global**

Leadership: GSI, GDI, GCI and Xi Jinping's Vision for the International Order Matteo Dian, Silvia

Menegazzi, 2025-09-30 China's Blueprint for Global Leadership offers the first comprehensive academic analysis of China's Three Major Initiatives the Global Security Initiative GSI the Global Development Initiative GDI and the Global Civilization Initiative GCI launched between 2021 and 2023 Collectively known as the San da changyi these initiatives reflect Beijing's attempt to articulate a new vision of global order rooted in Chinese values norms and leadership and positioned as a challenge to the Western led Liberal International Order The book analyses the origin content and likely consequences of these flagship proposals placing them within the broader framework of China's foreign policy strategy during the Xi era The authors explore how through the GSI GDI and GCI Beijing seeks to present a coherent global vision that spans the realms of security development and political ideology In doing so China proposes itself as a leader beyond its immediate region particularly for the Global South and the BRICS coalition
