Rilke Between Roots Lockert Library Of Poetry In Translat:

Rilke Rainer Maria Rilke, 1986 *The Dream of the Poem*, 2009-01-10 Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most powerful body of Jewish poetry written since the Bible Fusing elements of East and West Arabic and Hebrew and the particular and the universal this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language place and time Peter Cole's translations reveal this remarkable poetic world to English readers in all of its richness humor grace gravity and wisdom *The Dream of the Poem* traces the arc of the entire period presenting some four hundred poems by fifty four poets and including a panoramic historical introduction short biographies of each poet and extensive notes The original Hebrew texts are available on the Princeton University Press Web site By far the most potent and comprehensive gathering of medieval Hebrew poems ever assembled in English Cole's anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation a body of lyric and didactic verse so intense so intelligent and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us *The Dream of the Poem* is Howard says a crowning achievement *The Collected Lyric Poems of Luís de Camões* Luís de Camões, 2008-07-21 Luís de Camões is world famous as the author of the great Renaissance epic *The Lusads* but his large and equally great body of lyric poetry is still almost completely unknown outside his native Portugal In *The Collected Lyric Poems of Luís de Camões* the award winning translator of *The Lusads* gives English readers the first comprehensive collection of Camões's sonnets songs elegies hymns odes eclogues and other poems more than 280 lyrics altogether all rendered in engaging verse Camões 1524-1580 was the first great European artist to cross into the Southern Hemisphere and his poetry bears the marks of nearly two decades spent in north and east Africa the Persian Gulf India and Macau From an elegy set in Morocco to a hymn written at Cape Guardafui on the northern tip of Somalia to the first modern European love poems for a non-European woman these lyrics reflect Camões's encounters with radically unfamiliar peoples and places Translator Landeg White has arranged the poems to follow the order of Camões's travels making the book read like a journey The work of one of the first European cosmopolitans these poems demonstrate that Camões would deserve his place among the great poets even if he had never written his epic **A Child is Not a Knife** Göran Sonnevi, 1993-03-14 Göran Sonnevi is one of Sweden's most celebrated respected and prolific poets For this first book length selection of Sonnevi to appear in English Rika Lesser has chosen works written between 1971 and 1989 although most of the poems come from the last decade and from Sonnevi's last three books which form part of the single ongoing unending infinite interminable poem that he continues to write from book to book Of Lesser's introduction to the work Richard Howard writes Lesser's wonderful prose texts at the outset provide not only an ingress into complex and baffling matter but one of the most determined statements of the translator's text since Walter Benjamin From *by land* 1982 We are here in the ultimate lives of our bodies negations of

the ultimate negation We are complete parts of the world We rise up out of infinity like the limestone flats from the sea Like the stars We are denials of infinity One day we shall reach all the way there The Complete Odes and Satires of Horace Horace,2016-06-30 Horace has long been revered as the supreme lyric poet of the Augustan Age In his perceptive introduction to this translation of Horace s Odes and Satires Sidney Alexander engagingly spells out how the poet expresses values and traditions that remain unchanged in the deepest strata of Italian character two thousand years later Horace shares with Italians of today a distinctive delight in the senses a fundamental irony a passion for seizing the moment and a view of religion as aesthetic experience rather than mystical exaltation in many ways as Alexander puts it Horace is the quintessential Italian The voice we hear in this graceful and carefully annotated translation is thus one that emerges with clarity and dignity from the heart of an unchanging Latin culture Alexander is an accomplished poet novelist biographer and translator who has lived in Italy for more than thirty years Translating a poet of such variety and vitality as Horace calls on all his literary abilities Horace Quintus Horatius Flaccus 65 8 bce was born the son of a freed slave in southern rural Italy and rose to become one of the most celebrated poets in Rome and a confidante of the most powerful figures of the age including Augustus Caesar His poetry ranges over politics the arts religion nature philosophy and love reflecting both his intimacy with the high affairs of the Roman Empire and his love of a simple life in the Italian countryside Alexander translates the diverse poems of the youthful Satires and the more mature Odes with freshness accuracy and charm avoiding affectations of archaism or modernism He responds to the challenge of rendering the complexities of Latin verse in English with literary sensitivity and a fine ear for the subtleties of poetic rhythm in both languages This is a major translation of one of the greatest of classical poets by an acknowledged master of his craft **Enough to Say It's Far** Chaesam

Pak,2006-07-23 This is the first English translation of selected poems by one of the most important and unusual modern poets of South Korea In contrast to the strident political protests found in the poetry of many of his contemporaries Pak Chaesam s work is characterized by intimate portraits of place nature childhood and human relationships and by indirection nostalgia and reflectiveness Often focused upon the border of this world and some other Pak writes with a spareness of presentation but a cornucopia of imagery meticulously exploring objective and subjective realms of existence and memory Encouraging the reader to see and listen and to allow the sensory to reshape the analytical Pak s poetry opens up new realms of experience A fellow Korean poet described Pak s poetry as being the most exquisite expression of the Korean sense of han or melancholy In Hora Mortis / Under the Iron of the Moon Thomas Bernhard,2024-05-14 Haunting and darkly humorous poems by the internationally acclaimed Austrian novelist playwright and memoirist Thomas Bernhard 1931 1989 has been compared to Kafka and Beckett and critics have ranked his novels among the masterpieces of the twentieth century But in fact he began his career in the 1950s as a poet publishing three books of well received verse before turning to fiction In Hora Mortis Under the Iron of the Moon is the first book of his expressionist like poetry to be published in English Bringing

together Bernhard's second and third books of poetry the collection's short untitled lyrics reveal his early explorations of themes that would continue to preoccupy him in his novels plays and other writings especially his intense ambivalence toward the land and people of Austria and their then recent Nazi past As the translator James Reidel writes in his preface Bernhard found Austrian soil to be like a hair shirt and a blanket It is a killing ground but with a postcard setting In poems that both subvert and pay homage to such influences as Georg Trakl Bernhard begins to develop his characteristic dark humor while exploring themes of nature death meaninglessness and faith **Translation** William Jay Smith, 1986
