Miranda Seymour

Ring Of Conspirators Henry James And His Literary Circle 1895 1915

Paul Kléber Monod

Ring Of Conspirators Henry James And His Literary Circle 1895 1915:

A Ring of Conspirators Miranda Seymour, 1989 James's character was full of contradictions. He was witty and melancholy, formidable and vulnerable, suavely brutal and imperiously kind. He was fiercely private and exuberantly sociable, guarded in many of his friendships, overt and demonstrative in his passions. Drawing on new material and using new illustrations, Miranda Seymour has recreated the last twenty years of James's life in England when he became master of Lamb House in Rye and the focal consciousness of a disparate band of writers who had settled in East Sussex: H. G. Wells, Stephen Crane, Ford Madox Ford, Joseph Conrad, Edith Wharton, W. H. Hudson. Only Wells was thoroughly British; he saw his neighbors James included as a ring of foreign conspirators plotting to transform the nature of British writing. Jacket flap **The Prefaces of Henry James** John H. Pearson, 2010-11-01 **Male Homosexuality in Children's Literature, 1867-1918** Eric L. Tribunella, 2023-07-20 In his 1908 cultural and historical study of homosexuality titled *The Intersexes: A History of Similisexuality as a Problem in Social Life*, Edward Irenus Prime Stevenson includes a section on homosexual juvenile fiction, perhaps the first attempt to identify a body of children's literature about male homosexuality in English. Known for pioneering the explicitly gay American novel for adults, Stevenson was also one of the first thinkers to take seriously the possibility and value of homosexual children, whom he called young Uranians. This book takes as its starting point Stevenson's catalog of homosexual boy books around the turn of the century and offers a critical examination of these works along with others by gay writers who wrote for children from the mid-nineteenth century through the end of World War I. Stevenson's list includes Eduard Bertz, Howard Sturgis, Horace Vachell, and Stevenson himself, to which Horatio Alger, John Gambril Nicholson, and E. F. Benson are added. Read alongside major developments in English and German language sexology, these boy books can be understood as participating in the construction and dissemination of the discourse of sexuality and as constituting the figure of the young Uranian as central to modern gay identity. Henry James and the Poetics of Duplicity Annick Duperray, Adrian Harding, Dennis Tredy, 2014-08-26 *Henry James and the Poetics of Duplicity* aims to advance the field of studies on the life and work of Henry James by fully exploring the author's use of duplicity, one of the key literary and rhetorical strategies within the author's vast and infamous arsenal of techniques of ambiguity. The collection brings together essays by both long established and more recent Jamesian scholars from eleven different countries, the collective work of whom through this publication further enhances our grasp of the ever elusive literary style of Henry James. The prefatory section of this volume provides a general overview of the myriad uses of duplicity in the writings of Henry James. The collected essays are then divided into five sections, each providing an in-depth study of a particular use of duplicity as a rhetorical strategy. The first three sections focus on duplicitous devices employed within James's works of fiction, including the author's often underhanded use of undisclosed literary sources, Duplicitous Subtexts, his staging of characters who rely on subterfuge and outright lying, Duplicitous Characters, and his creation of doubles and doppelgängers, another key connotation of the term.

duplicity both within a single work and throughout his literary career Duplicitous Representation The two final sections then focus the poetics of duplicity employed in works of non fiction by James including his autobiographies and his reviews of other authors as well as in his personal writings and correspondence This includes James s guileful use of duplicity in his representation of himself particular attention being paid to James s late works of self assessment Duplicitous Self Representation as well as in his assessments of other writers in his reviews or of certain places in his travel writing Duplicitous Judgements Henry James and the Poetics of Duplicity would thus be a great asset to scholars of James at all levels from the student grappling with James s literary sleight of hand for the first time to specialists in the field of James who have long studied the masterful art of James s literary trickery *Henry James's Style of Retrospect* Oliver Herford,2016 Henry James s *Style of Retrospect* examines the last twenty five years in the writing life of Henry James 1843 1916 one of the most important novelists of the nineteenth century It addresses a significantly under appreciated dimension of James s late life output not his fiction but rather the substantial body of retrospective and commemorative non fiction the late personal writings of the title which he began to produce in the 1890s and which came to assume a leading role in the last phase of his career It addresses these works from a literary critical viewpoint analysing the way James s style changed in response to the conditions imposed on him but also the opportunities revealed to him by the project of writing about the real past the book s main contribution is to develop a cumulative analysis of his style in the period 1890DS 1915 It also has a biographical aspect however and tells a story of his professional and emotional life in these years that particularly emphasises his investment in historical and personal continuity his sense of the duties of commemoration and his interest in the experiences of ageing and remembering **Henry James Framed** Michael Anesko,2022-10 Henry James Framed is a cultural history of Henry James as a work of art Throughout his life James demonstrated an abiding interest in some would say an obsession with the visual arts In his most influential testaments about the art of fiction James frequently invoked a deeply felt analogy between imaginative writing and painting At a time when having a photographic carte de visite was an expected social commonplace James detested the necessity of replenishing his supply or of distributing his autographed image to well wishing friends and imploring readers Yet for a man who set the highest premium on personal privacy James seems to have had few reservations about serving as a model for artists in other media and sat for his portrait a remarkable number of twenty four times Surprisingly few James scholars have brought into primary focus those occasions when the author was not writing about art but instead became art himself through the creative expression of another s talent To better understand the twenty four occasions he sat for others to represent him Michael Anesko reconstructs the specific contexts for these works coming into being assesses James s relationships with his artists and patrons documents his judgments concerning the objects produced and insofar as possible traces the later provenance of each of them James s long established intimacy with the studio world deepened his understanding of the complex relationship between the artist and his sitter James insisted above all that a

portrait was a revelation of two realities the man whom it was the artist's conscious effort to reveal and the artist or interpreter expressed in the very quality and temper of that effort The product offered a double vision the strongest dose of life that art could give and the strongest dose of art that life could give **Henry James: The Young Master** Sheldon M. Novick, 2011-07-27 As if Henry James himself were guiding us we visit old Calvinist New York in the mid nineteenth century and share the coming of age of a young man whose boldness of spirit and profound capacity for affection attract both men and women to him We journey with James through Italy and France witness his first love affair in Paris and settle with him in London at the height of Empire in the Victorian Age We scale the heights of London society with him and as the world opens to James we share with him the experience of writing a series of celebrated and successful novels culminating with Washington Square on which the play *The Heiress* is based and his masterpiece *The Portrait of a Lady* The Washington Post Book World notes It is no small ambition to write a biography of James that is commensurate with that master and Sheldon Novick has done it Splendidly written Novick has aimed to bring James back to life and he has succeeded brilliantly The Washington Post Book World Like a movie of James's life as it unfolds moment to moment The New York Times Masterful in bringing James and his world to life San Francisco Examiner Chronicle Beautifully written with a grace that enables Sheldon Novick to weave his subject's words in and out of his own with a properly Jamesian suavity Novick's account gives one a profound respect for James's persistence and power of will The New Republic NOTE This edition does not include a photo insert *Henry James* Denis Flannery, 2017-03-02 The success of a work of art to my mind may be measured by the degree to which it produces a certain illusion that makes it appear to us that we have lived another life that we have had a miraculous enlargement of experience Henry James A concept of illusion was fundamental to the theory and practice of literary representation in Henry James This book offers readings of James fictional and critical texts that are informed by the certainty of illusion and links James mode of illusion with a number of concerns that have marked novel criticism in both the recent and not so recent past gender publicity realism aesthetics and passion cults of authorial personality the narrative construction of the future and absorption Flannery addresses each of these concerns through close engagement with particular texts *The Portrait of a Lady* *The Tragic Muse* *The Wings of the Dove* and some other less familiar texts Although cognizant of debates that have raged around James as he is read both by radical and traditional critics this book's primary focus is on the specific nuances of James texts and the interpretive challenges and pleasures they offer *The Murder of Mr. Grebell* Paul Kléber Monod, 2008-10-01 On a winter night in 1743 a local magistrate was stabbed to death in the churchyard of Rye by an angry butcher Why did this gruesome crime happen What does it reveal about the political economic and cultural patterns that existed in this small English port town To answer these questions this fascinating book takes us back to the mid sixteenth century when religious and social tensions began to fragment the quiet town of Rye and led to witch hunts riots and violent political confrontations Paul Monod examines events over the course of the next two centuries

tracing the town's transition as it moved from narrowly focused Reformation norms to the more expansive ideas of the emerging commercial society. In the process, relations among the town's inhabitants were fundamentally altered. The history of Rye mirrored that of the whole nation, and it gives us an intriguing new perspective on England in the early modern period.

Henry James Susan L. Mizruchi, 2021 *Henry James: A Very Short Introduction* places Henry James's notoriously difficult writings in their historical and biographical context. Henry James had a major impact on the literary culture of his time and ever since. From his childhood through his mature life, James created a unique body of fiction, travel writing, reviews, and theory that represents one of the greatest achievements in America's literary history. This VSI studies various fictional and non-fictional works by James. These complex accounts of human experience engage with the vital issues of both James's era and our own, including gender relations, sexuality, the nature of modernity, the threat of relativism, and the role of art.

subscription-based access to a wide range of Ring Of Conspirators Henry James And His Literary Circle 1895 1915 eBooks, including some popular titles.

FAQs About Ring Of Conspirators Henry James And His Literary Circle 1895 1915 Books

What is a Ring Of Conspirators Henry James And His Literary Circle 1895 1915 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ring Of Conspirators Henry James And His Literary Circle 1895 1915 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ring Of Conspirators Henry James And His Literary Circle 1895 1915 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ring Of Conspirators Henry James And His Literary Circle 1895 1915 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ring Of Conspirators Henry James And His Literary Circle 1895 1915 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
