Gorman,2014-01-31 The Pebble I am a pebble dropped into the water Spreading my ripples to all those around Each little wave bringing hope to the needy Easing their worries bringing smiles not a frown Spreading and rippling to far distant boundaries Drawing in help with its tidal display And they too will drop pebbles creating more ripples Lending a hand to the needy as they go day to day The lesson from this is to help one another And dont be afraid to spread yourself around And be like the pebble causing all of those ripples As those that are dormant are the ones on the ground I hope my poems were like the pebble and caused ripples of peace and joy in your life as you turned each page Many Thanks to those who have bought my book Tony Gorman *The American Shorthorn Herd Book* ,1902 *The Elgins' Family and Friends Believe It or Not!* Joyce Elgin,2018-11-29 This is an unbelievable tall tale or story with a few characters thinking that they may be aliens from another planet They can do unbelievable things but maybe they are just like you Do you know where your family comes from and who you are Do you know why you are here and what you are here to do Kevin Carlson goes to work for a company and questions his boss an alien from another planet if he was also an alien Where does it all end Read the facts and you decide on the story
