Rise Of China How Economic Reform Is Creating A New Superpower:

The Rise of China William H. Overholt, 1994-09-06 Since the 1980s China's economy has attained the greatest sustained growth rate in human history Overholt a political adviser and a managing director of Bankers Trust Company in Hong Kong provides an authoritative and detailed insider's look at the world's most dynamic economy [China's Economic Growth](#) T. Cannon, 2000-06-01 Economic reforms in China began in 1979 and initiated some of the most fundamental changes ever to occur in any country While allowing some of the most astonishing economic growth the world has seen they have also induced some of the most profound social and environmental shifts

Regional Development and Planning for the 21st Century Allen G. Noble, Frank J. Costa, Robert B. Kent, 2019-10-28 Regional Development and Planning for the 21st Century examines a number of related themes including the traditional approach of local and regional planning initiatives developed within the context of national goals the current decline of bi polar political and ideological blocs political decentralization and concurrent economic centralization including the growth of multi national corporations devolution of centralized planning powers to regions and localities and the rise and acceptance of sustainable development concepts The book is divided into five parts addressing 1 adjustments to political economic and social change 2 the problems of urban housing and housing and health 3 adjustments to environmental change development policies and sustainability 4 the problem of rapid urban growth and mega cities 5 adjustments of changing urban networks The contributors are from several countries worldwide and the chapters examine the issues at a global level

China's Foreign Aid and Investment Diplomacy, Volume III John F. Copper, 2016-04-29 Today by many accounts China is the world's foremost purveyor of foreign aid and foreign investment to developing countries This is the product of China's miracle economic growth over a period of more than three decades together with China's drive to become a major player in world affairs and accomplish this through economic rather than military means This three volume work is the first comprehensive study of China's aid and investment strategy to trace how it has evolved since Beijing launched its foreign aid diplomacy at the time of the founding of the People's Republic of China in 1949 Volume III offers an analysis of China's foreign aid and investment to countries outside of Asia in Africa Europe the Middle East Latin America and Oceania Africa was and is the most important of these regions and it is given special treatment In the concluding chapter Copper reviews the findings of previous the volumes delineates China's most important victories and setbacks and notes opposition to and criticism of China's aid and investment diplomacy Copper gives evidence that will be shocking to some of the reality that China's financial help to developing countries is one of the most salient trends in international politics and constitutes a formidable challenge to the United States Japan and Europe as well as international financial institutions

The New Public Service, Expanded Edition Janet Vinzant Denhardt, 2007 Provides a framework for the many voices calling for the reaffirmation of democratic values citizenship and service in the public interest This edition includes a chapter that addresses the practical issues of applying these ideals in actual real life situations

Market Liberalism Gordon Cheung, 2019-01-22 This study analyzes the overseas effect of the market force of US foreign policy toward China Gordon Cheung puts forward the idea of augmented market liberalism arguing that the US was instrumental in making China a market economy

From Revolution to Reform He Li, 2004 In *From Revolution to Reform* He Li examines political and economic transformation in China and Mexico from the Mexican and Chinese revolutions at the beginning of the 20th century to economic reforms and political liberalization in recent decades Li also explores lessons that other developing countries could learn from the experiences of China and Mexico

The Politics of China Roderick MacFarquhar, 1997-01-13 The essays that make up this volume offer the reader a full introduction to and analysis of the politics of the People's Republic of China from 1949 to the mid 1990s

China Stands Up David Scott, 2007-05-21 Using a rich tapestry of sources and imagery ranging from governmental media academic and popular settings *China Stands Up* looks at relations and perceptions between the People's Republic of China and the international system since 1949 and into the future

Modernization and Revolution in China June Grasso, Michael G. Kort, 2015-05-18 Extensively revised and updated this popular text conveys the drama of China's struggle to modernize against the backdrop of a proud and difficult history Spanning the years from China's humiliating defeat in the Opium Wars to its triumphant hosting of the 2008 summer Olympics the authors narrate the major developments of that journey the breakdown of imperial China in the face of Japanese and Western encroachments Sun Yatsen and the founding of the Chinese republic the early struggles between the ideologies and armies of Chiang Kai shek and Mao Zedong China's bitter and costly war with Japan the final shootout that sent Chiang to Taiwan and Mao to Beijing the turbulent first decades of the People's Republic and the dramatic shift to a globalizing economic strategy This edition features all new analysis of issues facing China's leaders today including environmental challenges rural economic developments corruption the current economic climate China's relations with its neighbors and the United States the latest Tibet crisis and the reelection of Hu Jintao The authors have also incorporated some of the latest scholarship on Chinese historical events making this the best and most up to date brief text on modern China currently available
