The Rise and Growth of Economic Nationalism in India Bipan Chandra,1966 **The Rise and Growth of Economic Nationalism in India** Bipan Chandra,2016 **The Rise and Growth of Economic Nationalism in India** Bipan Chandra,1966 *The Rise and Growth of Economic Nationalism in India. Economic Politics of Indian National Leadership, 1880-1905. [With Forew. by B. Prasad].* Bipan Chandra,B. Prasad,1966 , Modern South Asian Thinkers Dev Nath Pathak,Sanjeev Kumar H.M,2025-10-30 This exceptional anthology brings together a collection of insightful expositions on modern South Asian thinkers and thoughts Employing an encyclopedic approach this volume delves deep into the intellectual history of South Asia transcending traditional academic perspectives and exploring a rich tapestry of ideas from various sources across time The book departs from the imported ideas of South Asia by delving into the diverse intellectual heritage of the region pertaining to political thinkers social and cultural thinkers and activists Historically the book aids in approaching the enduring social and political challenges in South Asia Drawing from an extensive array of works including polemics commentaries literary accounts politics and poetics modern thoughts in South Asia provide systematic solutions to the perennial issues that shape the region The curatorial consequence of the modern thoughts from the region put together in this compendium is a collective consciousness of South Asia as an offspring of the epistemological interface between region and universe The readers of this book shall arrive at a profound insight into the social political and cultural intricacies the transformative power of ideas and their enduring influence on the development of the region This book would be useful to students researchers and teachers working in the field of political science philosophy history and sociology in varied course curricula such as Indian political thought Eastern philosophy South Asian thought political thinkers and modern political thought **Revolutions in Sovereignty** Daniel Philpott,2010-07-01 How did the world come to be organized into sovereign states Daniel Philpott argues that two historical revolutions in ideas are responsible First the Protestant Reformation ended medieval Christendom and brought a system of sovereign states in Europe culminating at the Peace of Westphalia in 1648 Second ideas of equality and colonial nationalism brought a sweeping end to colonial empires around 1960 spreading the sovereign states system to the rest of the globe In both cases revolutions in ideas about legitimate political authority profoundly altered the constitution that establishes basic authority in the international system Ideas exercised influence first by shaping popular identities then by exercising social power upon the elites who could bring about new international constitutions Swaths of early modern Europeans for instance arrived at Protestant beliefs then fought against the temporal powers of the Church on behalf of the sovereignty of secular princes who could overthrow the formidable remains of a unified medieval Christendom In the second revolution colonial nationalists domestic opponents of empire and rival superpowers pressured European cabinets to relinquish their colonies in the name of equality and nationalism resulting in a global system of sovereign states Bringing new theoretical and historical depth to the study of

international relations Philpott demonstrates that while shifts in military economic and other forms of material power cannot be overlooked only ideas can explain how the world came to be organized into a system of sovereign states The Statecraft of British Imperialism Robert D. King, Robin W. Kilson, 1999 These stimulating essays reassess the meaning of British imperialism in the nineteenth and twentieth centuries They are written by leading authorities in the field and range in scope from the aftermath of the American revolution to the liquidation of the British empire from the Caribbean to the Pacific from Suez to Hong Kong

Economic Nationalism and Globalization Henryk Szlajfer, 2012-09-03 In Economic Nationalism and Globalization Lessons from Latin America and Central Europe Henryk Szlajfer offers against the background of developments in Latin America mainly Brazil and Central Europe mainly Poland in times of first globalization from late 19th century until late 1930s a reinterpretation of economic nationalism both as an analytical category and historical experience Also critically explored are attempts at proto economic nationalism in early 19th century Poland and Latin America as well as links between economic nationalism and the emergence of integral political nationalism and authoritarianism Economic nationalism is interpreted as historically significant world wide phenomenon intimately linked with the birth development and crisis of capitalist modernity and as a response to underdevelopment under first globalization Continuity of economic nationalism under present globalization is suggested
