Rise of the New West, 1819-1829 Frederick Jackson Turner,1906 **Rise of the New West, 1819-1829** Frederick Jackson Turner,2025-03-28 Explore the formative years of the United States with Rise of the New West 1819 1829 a detailed study of American politics and government during a period of significant expansion Authored by F J Turner this book delves into the political landscape of the era examining the forces that shaped the nation s identity as it pushed westward Focusing on the years between 1819 and 1829 the book provides insights into the key political and governmental events that defined this period in American history Readers interested in the history of the United States and the development of its political system will find a wealth of information within these pages Discover the critical events and political shifts that characterized the growth of the nation during this important time A valuable resource for understanding the complexities of American governance during its period of expansion This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Rise of the New West, 1819-1829 Frederick Jackson Turner,2014-09-01 The history of the United States is the history of a growing nation Every period of its life is a transitional period but that from the close of the War of 1812 to the election of Andrew Jackson was peculiarly one of readjustment It was during this time that the new republic gave clear evidence that it was throwing off the last remnants of colonial dependence The Revolution had not fully severed the United States from the European state system but now the United States attained complete independence and asserted its predominance in the western continent It was in this period that the nation strengthened its hold on the Gulf of Mexico by the acquisition of Florida recognized the independence of the revolting Spanish American colonies and took the leadership of the free sisterhood of the New World under the terms of the Monroe Doctrine **Rise of the New West 1819-1829 (Classic Reprint)** Frederick Jackson Turner,2015-07-04 Excerpt from Rise of the New West 1819 1829 In a way the west is simply a broader east for up to the end of the period covered by this volume most of the grown men and women in the west came across the mountains to found new homes the new englander in western New York the Penn sylvanian diverging westward and southwestward the Virginian in Kentucky the north carolinian in Tennessee and Missouri and along with the South Carolinian and Georgian in the new southwestern states while north of the Ohio River the principal element up to 1830 was southern To describe such a movement and its effects Pro fessor Turner has the advantage to be a descendant Of new yorkers of New England stock but native to the west and living

alongside the most complete collection of materials upon the west which has ever been brought together the Library of the Wisconsin State Historical Society His point of View is that the west and east were always interdependent and that the rising power of the western states in national affairs was a wholesome and natural outcome of forces at work for half a century The transformation of the west from a rude and boisterous frontier to a group of states soon rivalling their parent communities in population and wealth was not unlike the process through which Massachusetts and Pennsylvania and Virginia passed as colonies except that the inland people accepted Ideals and standards originally English but worked out and put into shape by their colonist fathers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
