Risen Jesus And Future Hope:

The Risen Jesus and Future Hope Gary R. Habermas, 2003 Always be prepared wrote the apostle Peter to give an answer to everyone who asks you to give the reason for the hope that you have Reading and digesting this book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future

Hope's Reason: a Journal of Apologetics Vol. 2 No. 1 Stephen Bedard, 2011-09-28 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world [Buried Hope or Risen Savior?](#) Charles L.

Quarles, 2008-01-01 Buried Hope or Risen Savior argues for the credibility of Jesus Christ's resurrection engaging the issue in relation to the recent Jesus Family Tomb claims that continue making headlines around the world Among the contributors Steve Ortiz professor of Biblical Archaeology at Southwestern Baptist Theological Seminary discusses the general background of this type of tomb and the archaeology of the Talpiot tomb site Craig Evans New Testament professor at Acadia Divinity College writes about ossuaries and tomb inscriptions Richard Bauckham New Testament professor at Scotland's University of St Andrews gives the history of Jewish names extrabiblical writings and Mary Magdalene William Dembski SWBTS research professor in Philosophy discusses the statistical evidence for the names found on the Talpiot tomb to have been Jesus Mike Licona North American Mission Board director of Apologetics and Interfaith Evangelism responds to claims that finding the bones of Jesus would not disprove Christ's resurrection Gary Habermas Apologetics Philosophy chair at Liberty University summarizes the evidence for the bodily resurrection of Jesus And Darrell Bock New Testament professor at Dallas Theological Seminary addresses the importance of the resurrection and how Christians should respond to challenges upon their faith

[Stepping Stones to Christianity](#) Peter S. Williams, 2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author's Essays on books with Wipf Stock

Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus

Mercer Dictionary of the Bible Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus

Behold the Man Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man

Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies

On the Resurrection, Volume 1 Gary Habermas, 2024-01-15 The first volume of Gary Habermas s magnum opus On the Resurrection Evidences represents the culmination of fifty years of research on the probability of Jesus s resurrection Using his minimal facts argument Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection This book is a must read for pastors students and scholars interested in the historical evidence for the resurrection of Jesus Christ

Resurrection Karl Olav Sandnes, Jan-Olav Henriksen, 2020-04-23 Christian faith depends upon the resurrection of Jesus but the claim about Jesus resurrection is nevertheless disputed This book written by a New Testament scholar and a systematic theologian in conjunction develops the conditions for the claim It carefully analyzes the relevant texts and their possible interpretations and engages with New Testament scholarship in order to show nuances and different trajectories in the material The picture emerging is that the New Testament authors themselves tried to come to terms with how to understand the claim that Jesus had been resurrected from the dead But the book does not stop there by also asking for the experiential content that gave rise to the belief in the resurrection Sandnes and Henriksen argue that there is no such thing as an experience of the resurrection reported in the New Testament only experiences of an empty tomb and appearance of Jesus interpreted as Jesus resurrected Hence resurrection emerges as an interpretative category for post Easter experiences and is only understandable in light of the full content of Jesus ministry and its context

Tough-Minded Christianity William A. Dembski, Thomas Schirrmacher, 2009-03-01 Tough Minded Christianity is a collection of essays about the great work of John Warwick Montgomery 1931 a living legend in the field of Christian apologetics who has earned eleven degrees in philosophy theology law and librarianship debated historic atheists including Madalyn Murray O Hair and influenced the work of bestselling authors such as Josh McDowell Contributors to this volume include J I Packer Ravi Zacharias John Ankerberg Erwin Lutzer Vernon Grounds Gary Habermas and among others Paige

Patterson who writes in the foreword that John Warwick Montgomery did the intellectual heavy lifting that undergirded the conservative renewal of the Southern Baptist Convention Seeing the Light Michael J. Eckstein, John S. Knox, 2023-03-27

For every human on earth the clock is ticking towards their inevitable death Whether one lives to the oldest of ages expiring quietly or death comes suddenly with a slip on the ice or in any other of the myriad of ways people die the end of biological life is the outcome for everyone For the Christian however there is the expectation of continuation beyond this fleeting life on earth Naturalists have no such optimism and can only hope that their time on earth is a pleasant one Because Christians have a divine assurance they want to share that hope with others Still theological questions remain Can near death experiences help lead those far from Christ to him Can they be added to the repertoire of apologetic arguments for Christianity This book examines the truth surrounding near death experiences how they have been seen in human culture what the scientific community is learning about those who have near death experiences and how near death experiences can be used or not used in your evangelistic encounters
