Risks Benefits And Controversies In Fertility Control:

Fertility Control S.L. Corson,R.J. Derman,1995-12-15 This is the second edition of Corson Derman and Tyrer s complete medical textbook on fertility control It has been revised and fully updated to include details about oral contraceptives and new progestins the female condom hormonal implantation new information about IUDs and the biochemistry biological effects and uses of mifepristone RU 486 Family Planning Deborah Maine,1981 **Current Catalog** National Library of Medicine (U.S.),1979 Includes subject section name section and 1968 1970 technical reports *Second Report on Intrauterine Contraceptive Devices* United States. Food and Drug Administration. Medical Device Advisory Committee on Obstetrics and Gynecology,1978 Prevention and Treatment of Contraceptive Failure S. Ratnam,2012-12-06 The International Women s Health Coalition was pleased to be the convenor and host of the first Christopher Tietze International Symposium held in Berlin in September 1985 The papers in this volume represent a wide range of international views and experience with the prevention and treatment of contraceptive failure We believe the issues discussed at the Tietze Symposium to be of interest and concern to women throughout the world and to those who would serve them The Coalition intends to ll ive broad distribution to this volume and encourages those interested in these issues to be in touch with the Coalition in New York City see address below We would like to thank The Ford Foundation Stewart Mott The David and Lucile Packard Foundation the Population Crisis Committee and The Uockefeller Foundation for their support of this Symposium In particular we would like to express our appreciation to Sarah Lewit Tietze and Uta Landy for the devotion ann dedication which made this Symposium possible and a worthy memorial to Christopher Tietze Abortion and Woman's Choice Rosalind Pollack Petchesky,2024-03-12 The best book I have read on the politics of reproduction It raises complex theoretical and strategic questions in a clear and accessible way and represents an important breakthrough in feminist thinking Leslie Doyal author of What Makes Women Sick This prize winning study is the definitive work on the politics of abortion and fertility Rosalind Pollack Petchesky provides overwhelming evidence against the anti abortion forces and in the process takes up issues of teenage sexuality the politics of eugenics and women s relationship to medical technology The book s continuing relevance is a tribute to the author and a sad indictment of contemporary politics *Medical and Psychological Impact of Abortion* United States. Congress. House. Committee on Government Operations. Human Resources and Intergovernmental Relations Subcommittee,1989 Cervagem Sultan M.M. Karim,2012-12-06 Honourable Chairman distinguished speakers ladies and gentlemen May Baker Singapore is proud to play a part in organizing and hosting this symposium I hope that it is not necessary for me to intro duce myself as Singapore doctors have received my letter of invitation and overseas delegates have received my letter of welcome It is my very pleasant duty to introduce our Director of Research Dr J A McFadzean who has come specially to grace this occasion Dr McFadzean Sir may I invite you to say a few words to this gathering of distinguished participants TanJoo Hock VU1 Welcome It is my privilege on behalf of May Baker to

welcome you here today We have representatives from nine countries Singapore Malaysia Thailand Hong Kong Indonesia Japan Norway Sweden and UK It is appropriate that this Symposium on Cervagem be held in South east Asia where so much excellent development work was done with this product Cervagem has resulted from many years of collaborative research and development between May Baker and the Ono Pharmaceutical Company of Japan It has been a most happy collaboration from the time the active ingredient ONO 802 was synthesized by the Ono Company You will hear today of the stage we have reached with the R D work

Second-Trimester Abortion G. Berger, W.E. Brenner, L.G. Keith, 2012-12-06 Irvin M Cushner MD MPH It is both remarkable and at the same time a sign of this era of rapid change that one can refer back to the infancy of a field which has existed for barely more than a decade Yet one now reads of the maturing of the family planning and abortion fields both of which were incorporated into our society and integrated into our health care system within the past ten years Indeed in the very year that this book is being prepared we note the tenth anniversaries of several significant events of 1970 1 the enactment of Title X of the Public Health Service Act establishing a Federal program in family planning 2 the first issuance by a major health related organization the APHA of a policy statement advocating repeal of all abortion laws and 3 the enactment by New York State of an abortion law whose only restriction was that it be performed by a licensed physician and the subsequent action the first by any local health department New York City to assure both its implementation and its quality They were indeed eventful days These three events seemed to presage a then unprecedented acceptance of fertility regulation as a right and as a needed service

Human Sexuality and its Problems John Bancroft, 2008-12-29 Prepared by one of the world's leading authorities Human Sexuality and its Problems remains the foremost comprehensive reference in the field Now available in a larger format this classic volume continues to address the neurophysiological psychological and socio cultural aspects of human sexuality and how they interact Fully updated throughout the new edition places a greater emphasis on theory and its role in sex research and draws on the latest global research to review the clinical management of problematic sexuality providing clear practical guidelines for clinical intervention Clearly written this highly accessible volume now includes a new chapter on the role of theory and separate chapters on sexual differentiation and gender identity development transgender and gender non conformity and HIV AIDS and other sexually transmitted diseases Human Sexuality and its Problems fills a gap in the literature for academics interested in human sexuality from an interdisciplinary perspective as well as health professionals involved in the management of sexual problems Long awaited new edition of the definitive reference text on human sexuality Addresses the neurophysiological psychological and socio cultural aspects of human sexuality and how they interact Examines the normal sexual experience and covers the various ways in which sex can be problematic including dysfunctional out of control high risk and illegal sexual behaviour Reviews the clinical management of problematic sexuality and provides clear practical guidelines for clinical intervention Presents a broad cross disciplinary perspective of the subject area making the book

suitable for all professionals involved in the field Presents a more theoretical approach to the study of human sexuality reflecting recent changes in research Includes a section on brain imaging to demonstrate the latest research findings in sexual arousal and to compare and contrast individuals with normal and low levels of sexual desire Discusses the use of sex as a mood regulator and the importance of current research in this area Discusses the impact on the internet on the modern sexual world Explores the relevance of transgender and gender non conformity Contains a chapter on HIV and AIDS and other sexually transmitted infections Chapter on therapy fully updated to reflect the movement towards integration of psychological and pharmacological approaches to management Explores the complex relationships between anger sexual arousal and sexual violence
