Rita Sue And Bob Too:

Rita, Sue and Bob Too! Siobhan Finneran, Michelle Holmes, Alan Clarke, 2000 *Rita, Sue and Bob Too* Andrea Dunbar, 1981 *Rita Sue & Bob Too* Alan Clarke, 2014 Rita, Sue and Bob Too ; with The Arbor ; and Shirley : Three Stage Plays Andrea Dunbar, 1988 Do you think it would be better if you and me got ourselves steady boyfriends Best friends Rita and Sue get a lift home from married Bob after babysitting his kids When he takes the scenic route and offers them a bit of fun the three start a fling each of them think they control Andrea Dunbar's semi autobiographical play written for the Royal Court Theatre in 1982 when she was just 19 is a vivid portrait of girls caught between brutal childhood and an unpromising future both hungry for adult adventure Told with wicked humour startling insight and a great ear for dialogue this new edition of *Rita Sue and Bob Too* was published to coincide with director Max Stafford Clark's major new production produced by Out of Joint Bolton Octagon and the Royal Court Theatre **Technologies of Sexiness** Adrienne Evans, Sarah Riley, 2015 What does sexiness mean today Has sexiness become something that is bought and sold What identity effects does a sexiness informed by consumer culture have This book addresses these questions off the back of a heightened visibility of sex sexiness and sexualization in everyday life Social Housing in Performance Katie Beswick, 2019-02-07 This book explores the ways that council estates have been represented in England across a range of performance forms Drawing on examples from mainstream site specific and resident led performance works it considers the political potential of contemporary performance practices concerned with the council estate Depictions of the council estate are brought into dialogue with global representations of what Chris Richardson and Hans Skott Myhre call the hood to tease out the specific features of the British context and situate the work globally Katie Beswick's study provides a timely contribution to the ongoing national and global interest in social housing As the housing market grows ever more insecure and estates are charged with political rhetoric theatre and socially engaged art set or taking place on estates takes on a new potency Mainstream theatre works examined include *Rita Sue and Bob Too* and *A State Affair* at the Soho Theatre Port at the National Theatre and *DenMarked* at the Battersea Arts Centre The book also explores the National Youth Theatre's *Slick* and Roger Hiorns *Seizure* as well as community based and resident led performances by *Fourthland* Jordan McKenzie *Fugitive Images* and Jane English **Slags on Stage** Katie Beswick, 2025-03-31 *Slags on Stage* weaves cultural analysis with poetry and art criticism to explore the concept of the slag and its place in contemporary British culture The book traces the etymology of the word slag through the twentieth and into the twenty first century thinking through the ways slag speaks to issues of class sex and desire Broadly slag is an insult bound up with women's sexual reputations but beyond this it is a key word that shapes the ways we debate and understand what it means to be a woman For women who came of age in the United Kingdom in the late twentieth and early twenty first centuries slag produces complex feelings and has influenced how we have come to know ourselves and understand our sexual and quotidian desires This book explores the terrain of slag and

includes analyses of artworks by artists who have invoked the slag in their practice including Tracey Emin Cash Carraway and Michaela Coel Covering the cultural politics of clothing motherhood television representations sexual assault sex work and desire Slags on Stage asks what role does the slag play in British culture Who is she for And how have women used sex and sexuality to have their own say in cultures that want to control them This is a fascinating exploration for students and scholars of British drama theatre and performance cultural studies and sociology British Cinema Amy

Sargeant,2019-07-25 Although new writing and research on British cinema has burgeoned over the last fifteen years there has been a continued lack of single authored books providing a coherent overview to this fascinating and elusive national cinema Amy Sargeant's personal and entertaining history of British cinema aims to fill this gap With its insightful decade by decade analysis British Cinema is brought alive for a new generation of British cinema students and the general reader alike Sargeant challenges Rachel Low's premise that few of the films made in England during the twenties were any good by covering subjects as diverse as the art of intertitling the narrative complexities of Shooting Stars and Brunel's burlesques Sargeant goes on to examine among other things the differing acting styles of Dietrich and Donat in the seminal Knight Without Armour to early promotional campaigns in the 1930s whereas subjects ranging from product endorsement by stars to the character of the suburban wife are covered in the 1940s The 1950s includes topics such as the effect of post war government intervention to Free Cinema and Lindsay Anderson's infuriating lapses of rigour together with a much needed overview of Michael Balcon's contribution to British cinema For Sargeant the 1960s provides an overview of the tentative relationship between film and advertising and the rise of young Turks such as Tony Richardson Ken Loach Donald Cammell and Nicolas Roeg **Sex and desire in British films of the 2000s** Nigel Mather,2021-06-15 This book explores how

British filmmakers of the 2000s engaged with the themes of love sex and desire in a wide variety of movies It ranges from powerful contemporary dramas such as Kidulthood Closer and Disobedience to the lighter mood of the Bridget Jones series It also analyses how the lives loves and traumas of historical figures such as Oscar Wilde Sylvia Plath and Iris Murdoch were dramatised on film The book will appeal to literature enthusiasts film students and readers interested in exploring how we may currently live out our hopes fears and dreams in relation to sexual matters and affairs of the heart **English Theatre and Social Abjection** Nadine Holdsworth,2020-08-18 Focusing on contemporary English theatre this book asks a series of questions How has theatre contributed to understandings of the North South divide What have theatrical treatments of riots offered to wider debates about their causes and consequences Has theatre been able to intervene in the social unease around Gypsy and Traveller communities How has theatre challenged white privilege and the persistent denigration of black citizens In approaching these questions this book argues that the nation is blighted by a number of internal rifts that pit people against each other in ways that cast particular groups as threats to the nation as unruly or demeaned citizens as social abjects It interrogates how those divisions are generated and circulated in public discourse and how theatre offers up

counter hegemonic and resistant practices that question and challenge negative stigmatization but also how theatre can contribute to the recirculation of problematic cultural imaginaries
