Robin Hood J. Walker McSpadden,2015-07-19 Excerpt from *Stories of Robin Hood And His Merry Outlaws* Songs and
legends of Robin Hood and his merry outlaws have charmed readers young and old for more than five hundred years They
are among the earliest heirlooms of the Anglo Saxon tongue dating back to the time when Chaucer wrote his *Canterbury*
Tales and the minstrel and scribe stood in the place of the more prim and precise modern printing block The present stories
then are but the retelling of old tales whose charm and interest nevertheless make them ever new The old tales were in
rhyme and ancient spelling they were hid in out of the way places and they were more or less disconnected and obscure to
our modern thinking For this reason the adventures are now put into a continuous prose narrative in the hope that they will
make some readers acquainted with one of the most attractive heroes in all story land Was Robin Hood a real person will
doubtless be the first question About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic
