Summary of Corey Robin's The Reactionary Mind Everest Media,2022-04-05T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 A political party may find that it has had a history before it is fully aware of or agrees on its permanent tenets Its fundamental beliefs will be found only by careful examination of its behavior throughout its history and by examining what its more thoughtful and philosophical minds have said on its behalf 2 Modern politics is the story of the march of democracy in which men and women have fought for their rights and freedoms But behind that march there has always been a counter march led by conservative ideas 3 Occasionally the subordinates of a world protest their conditions and make demands They cease to be servants or supplicants and become agents speaking and acting on their own behalf This infuriates their superiors 4 American labor history is filled with similar complaints from the employing classes and their allies in government not that unionized workers are violent or unprofitable but that they are independent and self organizing

Summary of Corey Robin's The Enigma of Clarence Thomas Everest Media,2022-08-08T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The classic American autobiography narrates a pilgrim s progress originating in chaos and ending in clarity But for Clarence Thomas his life story is more like an un ironic Henry Adams never reaching illumination and mastery 2 In American autobiographies the countryside is often a place of horror while the city is an answer to the rural However this is not the case in African American autobiographies where the city is often a source of racism and hostility 3 Thomas s dislike of black liberals stems from the fact that he believes they are the product of light skinned privilege He believes that because light skinned black elites have the skills and cultural capital to represent the race they see themselves as the public face and natural leaders of the black community 4 After moving from rural Pin Point to urban Savannah Thomas attended all male Holy Cross in 1968 one of nineteen black men recruited by the legendary Father John Brooks His peers were far more hostile towards him than he was towards them

Robin's Puzzle William H.C. Hatteroth III,2019-10-16 The story teller continues his tale with more mystery and adventure After foiling a plot to steal a secret weapon from England Robin returns home for the first time in many years His visit is cut short when a mysterious box is found by Robin s lifelong friend and teacher Springfield This box cannot be opened in a normal way or broken into without destroying its contents This box must contain something of great value to others and so a perilous journey to France begins
