Rogue Sheriff:

Parliamentary Papers Great Britain. Parliament. House of Commons,1840 **When Law Was in the Holster** John Boessenecker,2012-09-28 One of the great lawmen of the Old West Bob Paul 1830 1901 cast a giant shadow across the frontiers of California and Arizona Territory for nearly fifty years Today he is remembered mainly for his friendship with Wyatt Earp and his involvement in the stirring events surrounding the famous 1881 gunfight near the OK Corral in Tombstone Arizona This long overdue biography fills crucial gaps in Paul s story and recounts a life of almost constant adventure As told by veteran western historian John Boessenecker this story is more than just a western shoot em up and it reveals Paul to be far more than a blood and thunder gunfighter Beginning with Paul s boyhood adventures as a whaler in the South Pacific the author traces his journey to Gold Rush California where he served respectively as constable deputy sheriff and sheriff in Calaveras County and as Wells Fargo shotgun messenger and detective Then in the turbulent 1880s Paul became sheriff of Pima County Arizona and a railroad detective for the Southern Pacific In 1890 President Benjamin Harrison appointed him U S marshal of Arizona Territory Transcending local history Paul s story provides an inside look into the rough and tumble world of frontier politics electoral corruption Mexican U S relations border security vigilantism and western justice Moreover issues that were important in Paul s career illegal immigration smuggling on the Mexican border youth gangs racial discrimination ethnic violence and police minority relations are as relevant today as they were during his lifetime **Accounts and Papers of the House of Commons** Great Britain. Aggressors in Blue Tom Barker,2020-01-20 This book presents a powerful and thorough investigation into police deviance and sexual misconduct in the US Drawing on news reports official government press releases and academic research sources Barker examines a wide array of cases including sexual harassment sexual abuse child molestation and police killings including those of prisoners behind bars Substantiated with additional cases from the UK Russia and beyond analysis is also conducted of the experiences of the victims of those crimes Aggressors in Blue argues that this misconduct has its roots in the nature of the law enforcement occupation and outlines the typical conditions which enables police sexual abuse to take place This is a bold new investigation which speaks to students and academics in criminal justice criminology and social justice in particular as well as to scholars social justice advocates law enforcement professionals policy makers and academics in other related disciplines Blood Ridden Tony Masero,2014-04-12 A hard bitten Western tale of harsh revenge Marshal Arnwood Deal is a lawman man equipped with both decency and honor but when he receives word that his much loved and respected family have been cruelly murdered he lays aside his star and follows a trail of reprisal that takes him beyond the borderlines of any code The road is filled with violence even before a fiercely angered Arnwood finds himself amongst the ruins of his family home In seeking out the culprits and exacting his bitter form of justice the Marshal s estranged sister must be brought into play whilst he is forced to discover he also has a fight against both the law in the shape

of a deputized boyhood friend and a cruel outlaw that is the nastiest piece of work that ever strapped on iron. Throw in an indifferent sheriff keen to have Arnwood in lockup and a vengeful gang of bad men determined to see the marshal buried six feet under and you have a foment of ferocious trouble just waiting to explode. **Reports from the Commissioners** Great Britain. The Things I've Seen Lara Marlowe, 2013-04-15 Lara Marlowe the Washington correspondent of The Irish Times has witnessed more than her share of history in three decades as a foreign correspondent. She has reported with clarity and fearlessness on the main conflicts of our era from the civil war in Lebanon to the break up of Yugoslavia, the US invasions of Afghanistan and Iraq and the ongoing Israeli Palestinian conflict. She has been outspoken in her criticism of the often cruel and misguided actions of the world's leading powers and invariably seeks out the views of civilians caught up in wars that are not of their making. The human cost of conflict and the absurdity of war come through her work time and again. In this stunning and moving collection Lara Marlowe has chosen her finest pieces of writing from her years as a foreign correspondent in some of the world's most troubled countries notably Lebanon, the Palestinian territories, Iraq and Haiti as well as the power centers of Paris and Washington. She brings her keen insight to bear on some intractable problems and shares with the reader the terror of living in a war zone. There are lighter moments too: a wonderful house warming party in Beirut during a lull in artillery bombardments; meetings with talented celebrities including Carla Bruni, Isabelle Adjani and Marcel Marceau; the simple delight of the companionship of cats. This is a superb collection from a writer at the height of her powers. **Prohibition in South Dakota** Chuck Cecil, 2016-09-12 South Dakota

has always had an intermittent relationship with prohibition. Constantly changing legislation kept citizens, saloonkeepers, bootleggers and other scofflaws on tenterhooks wondering what might come next. The scandalous indiscretions of the lethal Verne Miller and the contributions of agents of change like Senators Norbeck and Senn kept Nebraska on edge. In 1927 the double murder of prohibition officers near Redfield dominated headlines. From the Black Hills stills of Bert Miller to the Sioux Falls moonshine outfit buried under Lon Vaught's chicken house, uncork these oft overlooked and tumultuous eighteen years in state history. In the first book of its kind, award winning journalist Chuck Cecil delivers the boisterous details of an intoxicating era. **Dead River Killer** Frank Leslie, 2011-09-06 Bad luck has driven half breed Yakima Henry and Sheriff Jack Kelly into the town of Dead River during a severe mountain winter where Yakima must weather a killer who's hell bent on making the town as dead as its name.

The Mountain Man's Badge Gary Corbin, 2018-06-20 Lehigh Carter never asked to be sheriff. And he sure never wanted to arrest his new father in law for murder. Mountain Man Lehigh Carter got talked into serving the unexpired term of disgraced long time Mt Hood County sheriff Buck Winters, hoping for a quiet nine months in office before the voters selected a new permanent office holder. But a few months into the job, poachers discover the body of Everett Downey, a sleazy local businessman, and the evidence points to Lehigh's brand new father in law, the once powerful senator George McBride. To his chagrin and his new bride's fury, Lehigh is forced to arrest George for the murder and

suddenly his happy marriage is on the rocks Soon he s living in a tent with only his two dogs for companionship With dogged persistence Lehigh chips away at the investigation discovering facts that don t add up and leads him to suspect why some of those most intent on removing him from office have reasons far more sinister than Lehigh s agenda of reform Can Lehigh uncover the truth behind Everett Downey s murder without becoming the killer s next victim *Doppelganger* Brandon Lee Sedillo,2024-05-24 He looks like your husband but he can t remember where the kitchen is He also doesn t recognize his children You have to ask yourself who is this Especially when he starts talking about how easy it is to kill and that you should all go hunting together tonight Doppelganger is a story of people being replaced by the most evil versions of themselves You think you know someone but do you really About the Author Brandon Lee Sedillo is dealing with schizophrenia He tends to his family a lot Though he has no children he has raised more than one as if they were his own Sedillo loves to write

Justified and Philosophy Rod Carveth,Robert Arp,2014-12-22 The sharp shooting authors in Justified and Philosophy take aim at many of the same philosophical problems that the Justified TV series grapples with For instance is Tim Olyphant s character Deputy U S Marshal Raylan Givens morally justified in using his Wild Wild West style vigilante tactics to clean up Harlan County Kentucky After all the meth dealers thieves murderers and other low life scumbags all deserve what s coming to them right Not so fast Quick Draw McGraw What about the law What about a thorough and complete investigation of matters before dispensing so called justice What about the idea of the punishment fitting the crime Deputy Marshal Givens wears a white hat and fights the bad guys so he must be a good guy right His opponents are violent drug dealers white supremacists and thieves Givens carries a badge but when he shoots or kills people is it always justified What other choice does he have Would any other method be as effective in rural eastern Kentucky where criminal activity is one of the few viable options for making a living The coal mining culture of Harlan County Kentucky is an important backdrop to Justified and the issues surrounding the coal industry are addressed in some chapters Some of them include health problems like black lung the dissolution of communities the reduction in employment alternatives the destruction of the environment with mountain top removal and fracking and the increase in crime and poverty If Boyd Crowder robs the coal company responsible for exploiting his community is that justified The relationship between Boyd and Raylan dates back to a childhood friendship Then when they older they worked in the mines together One chapter explores the character and motivation of both men and argues that each follows a different moral compass Another chapter discusses the importance of family to the character of Mags Bennett and how that guides her actions and sense of duty Another topic of discussion is whether the end justifies the means when Boyd and his gang destroy a meth lab and end up killing one of the meth cooks Other chapters delve into a variety of fascinating philosophical themes that emerge in this modern day cowboy show **The Ku Klux Klan in South**
