The Rogue Prince's Lover Patti Larsen, 2025-08-11 She was born to burn this kingdom down She'd rather set the men she loves on fire caught between the rogue and the prince who would light the world ablaze for her Remalla never asked for the power of forgotten dragons or the destiny of magic that she was unwittingly born to wake Her mother's pawn she's left the battlefield of war for that of thrones and bloodlines But she has dragon fire in her veins that has only just awoken and two dangerous men at her side one the rogue drakonkin who steals more than kisses the other the Overprince who would sacrifice everything he knows to keep her safe Zenthri is chaos incarnate her reckless match in every way Atlas is duty bound and dangerous her steady flame in the storm Her lovers They want everything Including each other It's a good thing they don't mind sharing because they belong to her But personal choice isn't always an option for someone like her and rebellion comes at a cost When Remalla meets the drakonkin rebels and the leader who wants to control her she'll have to decide who she really is a faithful daughter still loyal to Heald and the memory of her mother a protective lover who puts her heart's desires first or a weapon everyone wants to wield The kingdom is crumbling Her enemies are circling Perfect for fans

Five centuries after magic was banished its return reignites old fears and sparks new unrest threatening to unravel a kingdom already on the brink of collapse Kadaris eager to prove herself is sent to a distant land simmering with unrest When the ruler s husband moves to restore the standing of mages it fractures the realm pitting those who embrace magic against those who would see it purged forever Tasked with tracking a rogue faction of mages Kadaris and her companions venture into hostile terrain where treachery waits behind every shadow As they navigate ancient ruins arcane traps and fractured loyalties Kadaris must harness her emerging powers to survive and protect those who follow her But what began as a mission of loyalty unravels into something far more dangerous The conspiracy runs deeper than anyone feared And as powerful figures like Dinoren rally the mages toward open conflict Kadaris begins to question who the true traitors are The kingdom stands on the edge of war Mages are divided Lines have been drawn *Highland Rogue* Deborah Hale,2012-03-15
