Role Of The Church In Aging Implications For Policy And Action:

The Role of the Church in Aging: Implications for policy and action Michael C. Hendrickson, 1985 This informative volume examines the multidimensional nature of aging identifies key issues involved in meeting the needs of the growing numbers of older adults and suggests effective methods of mobilizing resources to better meet the needs of the aging population **The Role of the Church in Aging**, 1985 *Introduction to Educational Gerontology* Ronald H. Sherron, D. Barry Lumsden, 2013-11-12 Educational gerontology is the study of the changes in the learning process caused by old age This new edition provides an update of developments in this field of research The volume probes topics such as implications for education for the aging reminiscence methods of teaching social exchange and equal opportunity Viktor Frankl's Contribution to Spirituality and Aging Melvin A. Kimble, 2014-02-04 Use Frankl's insights and techniques to improve life for your aging clients or parishioners Viktor Frankl a holocaust survivor who experienced firsthand the horrors of Auschwitz saw man as a being who continuously decides what he is a being who equally harbors the potential to descend to the level of an animal or to ascend to the life of a saint Man is that being who after all invented the gas chambers but at the same time he is that being who entered into those same gas chambers with his head held high and with the Our Father or the Jewish prayer of the dying on his lips Dr Frankl's insights led him to found the therapeutic system of logotherapy which views man as a spiritual being rather than simply as a biological construct Logotherapy has come to be called the Third Viennese School of Psychotherapy after Freud's psychoanalysis and Adler's individual psychology He left a rich legacy of theory and insights especially relevant to the search for meaning in later life The tenets of logotherapy provide many clues and approaches to what an ever increasing body of evidence suggests regarding the crisis of aging as a crisis of meaning Frankl's insightful work increased man's understanding of the spiritual dimension of humanity and the dignity and worth of every person in the face of what he called the tragic trial of human existence pain guilt and death Viktor Frankl's *Contribution to Spirituality and Aging* presents an essential overview of logotherapy and explores the search for and the will to meaning in later life the connection between logotherapy and pastoral counseling bringing psychology and theology together to effectively counsel the aging the role of logotherapy in the treatment of adult major depression aspects of meaning and personhood in dementia the search for meaning in long term care settings Viktor Frankl's *Contribution to Spirituality and Aging* represents varying professional perspectives on the application of Frankl's logotherapy for ministry with older adults The chapter authors represent diverse professional backgrounds in medicine pastoral theology the behavioral sciences and pastoral ministry They address issues such as death and dying dementia and depression and the spiritual meaning of aging as well as Frankl's conception of the nature of humanity Everyone interested in the connection between theology and psychology in the context of the aging will want to own this book **Faith-Based Initiatives and Aging Services** James W. Eller, F. Ellen Netting, 2012-12-06 Gain an understanding of the increased role religious congregations now play in providing social support

to the elderly Religious congregations and faith based organizations FBO from the Jewish Christian and Islamic traditions have worked on behalf of older adults for centuries But the initiation of President Bush s Office of Faith Based Initiatives has raised many questions from both the traditional secular and sectarian services as well as many nontraditional services found in each community Faith Based Initiatives and Aging Services addresses the issues of the separation of church and state the concerns involved in developing social services in religious congregations and the larger public policy implications of this office This unique book offers perspectives from traditional and nontraditional faith based groups as well as experts in volunteerism The enactment by Congress of the Charitable Choice section of the federal welfare reform law combined with the creation of the Center for Faith Based and Community Initiatives in the United States Department of Health and Human Services to signal a high level of interest in supporting faith based organizations Faith Based Initiatives and Aging Services focuses on the specific applications of services provided by religious congregations Editors F Ellen Netting and James W Ellor conducted an in depth interview with Elizabeth Seal Scott then Director of the Center for Faith Based and Community Initiatives an edited transcript of the interview is included in the book to help promote understanding of the development and implementation of faith based grass roots programs Faith Based Initiatives and Aging Services examines the separation of church and state Baptist perspectives on faith based initiatives and religious liberty managing older volunteers faith organizations and ethnically diverse elders the heritage of religion and spirituality in the field of gerontology faith related agencies and their implications for aging services the role of religious congregations in the social service system Faith Based Initiatives and Aging Services is an essential resource for anyone interested in developing programs for older adults in religious congregations for human services staffs seeking to work with faith based initiatives and for government workers in need of a better understanding of faith based services in their community *The Older Adult as Learner* D. Barry

Lumsden,1985 **Practical Theology for Aging** Derrell R. Watkins,2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God s great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society s stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God s purpose for aging why do we have

to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer's disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community *Aging, Spirituality, and Pastoral Care* James W Ellor, 2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re-examines issues of aging with dignity and spiritual meaning *Aging Spirituality and Pastoral Care A Multi National Perspective* brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged *Aging Spirituality and Pastoral Care* addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving **Aging, Spirituality and Palliative Care** Elizabeth MacKinlay, 2006 The period of time when a person approaches death is always difficult both for the patient and the caregiver *Aging Spirituality and Palliative Care* discusses best practices in aged and palliative care while addressing patients diverse spiritual needs Leading authorities presentations from the Third International Conference on Ageing and Spirituality in Adelaide Australia in 2004 explore practical sensitive spiritual approaches to help older patients deal with aging illness and approaching death Each chapter is carefully referenced and many include tables and figures that enhance understanding of research data

Spiritual Assessment and Intervention with Older Adults Mark Brennan, Deborah Heiser, 2013-04-03 Stay up to date with the latest innovative methods of meeting the spiritual needs of the elderly *Spiritual Assessment and Intervention Current Directions and Applications* examines current state of the art efforts in the development and implementation of spiritual interventions for older adults Academics and practitioners working in social work social welfare medicine and mental health and aging present innovative approaches to meeting major challenges in the field of gerontology including elder abuse dementia care giving palliative care and intergenerational relationships The book provides practical methods for dealing with the problems and pitfalls of starting and evaluating interventions of a spiritual nature in a variety of community based and institutional settings *Spiritual Assessment and Intervention Current Directions and Applications* provides you with an overview of current and future methods and means of providing spiritual support to the elderly as they struggle with the problems and possibilities of aging in today's complex world Growing interest in the positive effects that religiousness and

spirituality can have on life stress has created a growing need for research and practice models that strengthen reinforce or promote the spiritual well being of older adults This collection first presented in 2003 at the 56th Annual Scientific Meeting of the Gerontological Society of America addresses the important care giving and practice issues involving the physical and psychological health of older adults Spiritual Assessment and Intervention Current Directions and Applications examines how older adults use narrative therapy to manage adversity and maintain self efficacy how faith based communities can be enlisted as important social resources a pilot government funded project to raise awareness of elder abuse in faith communities an intergenerational project involving a preschool and a retirement community spiritual activities for adults with Alzheimer s disease the Creating Alternative Relaxing Environment CARE Cabinet intervention Spiritual Assessment and Intervention Current Directions and Applications is an essential resource for gerontological practitioners from the biological clinical including physicians physician assistants nurses and dentists behavioral and social sciences including anthropologists psychologists social workers sociologists and researchers and for health care administrators

New Directions in the Study of Late Life Religiousness and Spirituality Susan H. Mcfadden, Mark Brennan, 2014-05-01

Examine the questions of how what and why associated with religiousness and spirituality in the lives of older adults New Directions in the Study of Late Life Religiousness and Spirituality explores new ways of thinking about a topic that was once taboo but that has now attracted considerable attention from the gerontological community It examines various approaches to methodology and definition that are used in the study of religion spirituality and aging In addition it explores the ways that gerontological research can highlight the role of religion and spirituality in the lives of older adults The first section will introduce you to new ways of thinking about research methodology and data analysis that can be applied to studying the complexity of older adults religious spiritual practice and beliefs You ll learn several approaches to the study of phenomena that are both personal and also deeply embedded in community The second section addresses issues of definition exploring important questions that call for critical reflection such as What are we studying What social and psychological influences shape our thinking about definition and Do the definitions used by gerontologists match those held by older people The final section moves the study of religion spirituality and aging beyond a focus on health and mortality to examine well being more broadly in the context of the life experiences of older adults Here is a small sample of what you ll learn about in New Directions in the Study of Late Life Religiousness and Spirituality structural equation modeling a statistical method designed to capture the dynamics inherent in the passage of time feminist qualitative methods for studying spiritual resiliency in older women spirituality as a public health issue the differences between groups of older people in the way they define religion and spirituality the psychosocial implications of two types of religious orientation dwelling and seeking older women s responses to the experience of widowhood and to the question of whether their religious beliefs were affected by the experience how social context influences our decisions and our interpretations of people s religious beliefs behaviors and experiences the

ways that people caring for a spouse with dementia rely on religious coping a model that delineates three different ways people relate to God in coping and a study that asks whether these types of coping produce different outcomes for caregivers how people adjust to bereavement as a function of their beliefs about an afterlife *Religion and Aging* Derrel R.

Watkins,2001-10 This collection of essays and research studies will help clergy nursing home staff and family members to address the spiritual questing and questioning of the elderly Essays were first published in the Quarterly Papers on Religion and Aging between 1984 and 1994 Watkins is professor at the Institute for Gerontological Studies Baylor University This work is co published simultaneously as Journal of Religious Gerontology v 12 no 2 2001 Annotation copyrighted by Book News Inc Portland OR *Ministering to Older Adults* Donald Koepke,2013-10-18 Learn how to focus your ministry s programs and services on the elderly By 2030 20% of the people living in the United States will be age 65 or older with unique spiritual needs that can affect their physical and mental well being Ministering to Older Adults answers the critical need for a ministry that doesn t center primarily on youth and families in its outreach instead presenting a step by step guide to developing a ministry for the aged that is focused on the needs and resources of each congregation This program has been used effectively with nearly 50 congregations both large and small to create a focused older adult ministry No two congregations are alike The resources perspectives and skills of each congregation are different as are the needs of its members Ministering to Older Adults provides a framework for use by planning groups within communities of any religious tradition The book presents a process that includes essential questions that allow planning groups to develop answers that fit the needs cultural history and structure of their individual congregations Ministering to Older Adults is divided into three sections The Fundamentalsdefining your audience your mission and the skills and existing programs that can be brought to the planning process Programming Possibilitiesspiritual needs based on the aging process continued learning for older adults opportunities to serve and be served providing quality pastoral care and community building Putting it All Togetherdeciding on a direction using desired outcomes for evaluation establishing target dates and ongoing evaluation Ministering to Older Adults also includes forms and charts to help in the planning process The book is an invaluable resource for clergy ministry committees and planning groups and staff persons responsible for older adult ministries **Preaching as Weeping,**

Confession, and Resistance Christine M. Smith,1992-01-01 How can a person preach a word of hope and faith in a world filled with violence and suffering Smith says that one must encounter and name the radical evil that oppresses persons in the world She believes preaching is an interpretation of our present world and an invitation to a profoundly different world

Mental Health and Spirituality in Later Life Elizabeth MacKinlay,2014-01-02 Explore pastoral strategies for dealing with mental health problems Mental health is increasingly being recognized as an important issue in later life This valuable book will help you examine this dimension of aging in the context of pastoral spiritual and cultural issues It explores the relationship between mental health spirituality and religion in later life including the search for meaning cultural issues

spiritual issues depression dementia and issues of suicide in older people The first part of Mental Health and Spirituality in Later Life focuses on theology ethics and cultural issues in mental health and aging The second part addresses issues of multidisciplinary practice including a challenging chapter written by a woman with early onset dementia Alzheimer s and other chapters that present perspectives on the uses and meanings of ritual and symbolism in mental health and pastoral approaches to care Part one of Mental Health and Spirituality in Later Life deals with issues of theology culture and mental health in later life focusing on the importance of a richly textured understanding of personhood as a prerequisite for constructing a picture of late life mental health in the context of theology the relationship between culture spirituality and meaning for older immigrants and their effects on mental health the adverse effects of a mental health system that reflects only the dominant culture of a society leaving minority cultures vulnerable to misdiagnosis and inappropriate treatments that can do more harm than good a wholistic picture of aging that moves beyond the biomedical paradigm and demonstrates the power and potential of the human spirit in adjusting to and moving beyond suffering Part two of this valuable book addresses issues of concern to practitioners in mental health and spirituality for the aging including disruptive behavior among nursing home residents and common practices that fail to identify its causes or address the problem how some staff resident interactions can produce suffering for all concerned with case study outlines that illustrate the point memory loss and its effect on spirituality self worth and the faith community pastoral care for people suffering with dementia with practical information on helping them to make use of the power of prayer and to deal with loneliness fear and disempowerment an insightful look at a recent major study of residents in aged care facilities in Australia that explores the link between depression and spirituality risk and protective factors associated with suicide in later life and the treatment of depression pastoral interventions for depression and dementia

Psychological Perspectives on Christian Ministry Leslie J. Francis, Susan H. Jones, 1996 Nursing Home Ministry Chong Sung Lee, 2004-03 God Never Forgets Donald K. McKim, 1997-01-01 Sensing God s presence is difficult when faced with Alzheimer s Disease among family and loved ones This book brings faith and hope to these trying circumstances offering the witness of the Bible and the insights of theology to show how God continues to work in people s lives even in the midst of fearful disease Aging, Health, and Competence J. J. F. Schroots, 1993 The unprecedented increase in life expectancy has resulted in a large number of elderly people in our populations many of whom are vulnerable to developing health problems While past longitudinal studies of health and aging have provided some insights into our increased vulnerability with age it is recognized that the next century demands of us more sophisticated multidisciplinary longitudinal research to measure trends in adult health and to identify patterns of aging in populations and individuals This book brings together leading researchers in the field of health and aging to begin to discuss new theoretical developments and insights into the determinants of healthy aging and to outline the issues of the next generation of longitudinal research It includes reviews of past and current longitudinal studies of aging discussions of

current and future research directions and information of use to social policy educational and medical programs and the elderly themselves This volume will be of great interest to gerontologists geriatricians and public health workers providing the background and motivation to stimulate the next generation of longitudinal research on health and aging **The World of the Aging** Celia Hales-Mabry, 1993 This work explains how older adults get all their everyday information it also debunks stereotypes of the older individual The information programmes of churches libraries schools private agencies and the government are examined The concerns of minorities are also taken into account
