Garber,Rebecca Walkowitz,2013-09-13 One Nation Under God is a remarkable consideration of how religion manifests itself in America today *Conditions of Music* Alan Durant,1985-06-30 Music is performed reproduced and heard differently today as a result of twentieth century technology A new consideration of these changes is a practical and cultural necessity In Conditions of Music Alan Durant extends Deryck Cooke's Language of Music placing the insights of Cooke into a much wider sociological and historical framework Conditions of Music provides a basis for detailed commentary and criticism of music Unlike literature and painting around which illuminating critical techniques and theories have developed little common ground exists for music criticism The appraisal argument adopted here implies a major revision of accepted ways of thinking about contemporary directions of music *The Columbia Guide to America in the 1960s* David Farber,Beth Bailey,2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths

making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade s major policies events and cultural changes The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era

The Republic of Rock Michael J. Kramer, 2013-06-27 Michael Kramer draws on new archival sources and interviews to explore sixties music and politics through the lens of these two generation changing places San Francisco and Vietnam From the Acid Tests of Ken Kesey and the Merry Pranksters to hippie disc jockeys on strike the military s use of rock music to boost morale in Vietnam and the forgotten tale of a South Vietnamese rock band The Republic of Rock shows how the musical connections between the City of the Summer of Love and war torn Southeast Asia were crucial to the making of the sixties counterculture The book also illustrates how and why the legacy of rock music in the sixties continues to matter to the meaning of citizenship in a global society today from publisher description
