Santas Of The World:

Santas of the World George Ouwendijk, 1997 Explains that people of various cultures from around the world have different ideas about Santa Claus or a comparable mythical figure who is often seen as a gift giver [Call Me Santa Claus: True Christmas Stories from True Santas](#) K.A. Witte, 2023-11-21 Santa Claus Kris Kringle Pre No l He answers to many names but who is beneath the iconic white beard Embarking on a journey into a world seldom explored journalist K A Witte spent months interviewing professional and amateur Santas worldwide compiling their most cherished experiences These are tales of holiday magic faith personal growth and triumph over adversity all woven together by the enduring power and warmth of Christmas A child s heartfelt wish fulfilled a man experiencing Christmas joy for the first time a Santa on a mission to lift the burdens of the sick With hearty laughter occasional tears and an unwavering commitment to serving others these men keep the holiday spirit burning bright These are true stories from true Santas **The Secret Tale of Santa Claus** Kenneth Latragna, 2024-07-11 Kenneth Latragna puts a super fun spin on the history of Christmas and Kris Kringle better known as Santa Claus This tale is not your traditional Christmas story Join the fun as this tale with a science fiction spin has Santa making contact with extraterrestrials Read The Secret Tale of Santa Claus if you re in the mood for a Christmas story that is different from all the others About the Author Kenneth Latragna enjoys collecting Star Trek boxing and wrestling memorabilia *Bad Santas* Paul Hawkins, 2013 Bad Santas is not a book for children Here you will find the bloody the bawdy and the downright bizarre in a celebration of the most imaginative macabre and curious Christmas figures and customs from across Europe Drawing on that continent s legacy of disquieting folk tales told at wintertime Paul Hawkins gleefully dark exploration of seasonal folklore is the perfect book for reading around the fireside [Hallmark Keepsake Ornament Value Guide](#) Nicki Pierce, 2005-07 This value guide for Hallmark Keepsake Ornaments made between 1973 and 2005 is the most comprehensive guide to secondary market prices ever produced It contains over 6 000 entries which include Christmas Ornaments Easter Spring Ornaments Special Issue Ornaments Miniatures and Other Special Items Editorials cover the history of Christmas Ornaments and everything Hallmark has done to promote ornament collectability since it began producing Christmas Ornaments *Holidays Around the World, 6th Ed.* James Chambers, 2018-01-01 A comprehensive reference guide that covers over 3 500 observances Features both secular and religious events from many different cultures countries and ethnic groups Includes contact information for events multiple appendices with background information on world holidays extensive bibliography multiple indexes [Santa Claus Worldwide](#) Tom A. Jerman, 2020-05-01 This is a comprehensive history of the world s midwinter gift givers showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation

Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought. Although the names, appearance, attire, and gift giving practices of the world's winter solstice gift givers differ greatly, they are all recognizable as Santa, the personification of the Christmas and Midwinter festivals. Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England, the Communist Party of the twentieth century Soviet Union, and the government of Nazi Germany, Santa has survived and prospered, becoming one of the best known and most beloved figures in the world.

When he's ousted from his company, he must find his way back before his workforce is destroyed and his magical reindeer herds are slaughtered.
