The Jewish-Christian Encounter in Medieval

Preaching Jonathan Adams, Jussi Hanska, 2014-10-03 This book explores the complexity of preaching as a phenomenon in the medieval Jewish Christian encounter This was not only an encounter as physical meeting or confrontation such as the forced attendance of Jews at Christian sermons that took place across Europe but also an imaginary or theological encounter in which Jews remained a figure from a distant constructed time and place who served only to underline and verify Christian teachings Contributors also explore the Jewish response to Christian anti Jewish preaching in their own preaching and religious instruction

Ethnicity in Medieval Europe, 950-1250 Claire Weeda, 2021 An investigation into how racial stereotypes were created and used in the European Middle Ages Students in twelfth century Paris held slanging matches branding the English drunkards the Germans madmen and the French as arrogant On crusade army recruits from different ethnic backgrounds taunted each other s military skills Men producing ethnography in monasteries and at court drafted derogatory descriptions of peoples dwelling in territories under colonisation questioning their work ethic social organisation religious devotion and humanness Monks listed and ruminated on the alleged traits of Jews Saracens Greeks Saxons and Britons and their acceptance or rejection of Christianity In this radical new approach to representations of nationhood in medieval western Europe the author argues that ethnic stereotypes were constructed and wielded rhetorically to justify property claims flaunt military strength and assert moral and cultural ascendance over others The gendered images of ethnicity in circulation reflect a negotiation over self representations of discipline rationality and strength juxtaposed with the alleged chaos and weakness of racialised others Interpreting nationhood through a religious lens monks and schoolmen explained it as scientifically informed by environmental medicine an ancient theory that held that location and climate influenced the physical and mental traits of peoples Drawing on lists of ethnic character traits school textbooks medical treatises proverbs poetry and chronicles this book shows that ethnic stereotypes served as rhetorical tools of power crafting relationships within communities and towards others

Christian Jewish Relations 1000-1300 Anna Sapir Abulafia, 2014-05-22 The history of relations between Jews and Christians has been a long complex and often unsettled one yet histories of medieval Christendom have traditionally paid only passing attention to the role played by Jews in a predominantly Christian society This book provides an original survey of medieval Christian Jewish relations encompassing England Spain France and Germany and sheds light in the process on the major developments in medieval history between 1000 and 1300 Anna Sapir Abulafia s balanced yet humane account offers a new perspective on Christian Jewish relations by analysing the theological socio economic and political services Jews were required to render to medieval Christendom The nature of Jewish service varied greatly as Christian rulers struggled to reconcile the desire to profit from the presence of Jewish men and women in their lands with conflicting theological notions about Judaism Jews meanwhile had to deal with the many competing authorities and interests in the localities in which they lived their continued presence hinged on a fine balance between theology and pragmatism The book examines the impact of the Crusades on Christian Jewish relations and

analyses how anti Jewish libels were used to define relations Making adept use of both Latin and Hebrew sources Abulafia draws on liturgical and exegetical material and narrative polemical and legal sources to give a vivid and accurate sense of how Christians interacted with Jews and Jews with Christians

Living Together, Living Apart Jonathan Elukin,2024-11-01 This historical study of Jewish life in Medieval Europe provides a much needed corrective to the popular notion of constant persecution Ivan G Marcus Yale University In *Living Together Living Apart* Jonathan Elukin traces the experience of Jews in Europe from late antiquity through the Renaissance and Reformation revealing how the pluralism of medieval society allowed Jews to feel part of their local communities despite recurrent expressions of hatred against them Elukin shows that Jews and Christians coexisted more or less peacefully for much of the

Middle Ages and that antisemitic violence was largely isolated He reveals an extraordinary picture of Jews living comfortably among their Christian neighbors working with them and occasionally cultivating lasting friendships even as Christian culture often demonized Jews As Elukin makes clear the expulsions of Jews from England France Spain and elsewhere were not the inevitable culmination of persecution but arose from the religious and political expedencies of particular rulers He demonstrates that the history of successful Jewish Christian interaction in the Middle Ages in fact laid the social foundations that gave rise to the Jewish communities of modern Europe
