Felder,Diana Rosen,2005 From fiery social activists such as Emma Goldman to businesswomen like Estee Lauder Jewish women have made their mark on history Whether born in the ghetto or into lives of

privilege they have overcome prejudice and persecution by the power of their intellect and courage And what a difference they have made In this inspiring volume the histories of fifty Jewish women come vividly alive in text and pictures From biblical times to the present the personal odysseys of dozens of Jewish women bear witness to their enormous accomplishments and are presented for all to see **Jews in an Illusion of Paradise** Norman Simms,2017-03-07 The focus of this volume is on essential themes images and generic patterns beginning with a Talmudic legend about four scholars They by means of daring mystical interpretations of Scripture entered a Paradise representing different means of imaginative reading perception memory and application of the law One of them died one went mad another became a heretic and the other came back as a traditional exegete and teacher Based on that legend this book examines a small group of late 19th and early 20th century European Jewish intellectuals and artists in the light of their dreams writings and moments of crisis These men and women comedians in both the sense of stage actors and clowns or witty performers believed they had entered a new secular and tolerant society but discovered that there was no escape from their Jewish heritage and way of seeing the world This monograph looks into the imperfect mirror of cultural experience discovers a hazy world of illusions dreams and nightmares on the other side of the looking glass and sometimes constructs a midrashic conceit of the comical and grotesque screen between them **Let's Go to The Grand!** Sheila M.F.
