

Kannada-Bordered Silk Saria

558 Below left: A Mysore crepe sari. Crepe silk has only been woven in India (in Mysore, southern Karnataka) since the early 19th century. The dye is added after the sari are woven, the endpiece usually being dyed a different colour to the field. Fine-grade silk is used to create the supplementary-weave borders, which are woven on powerlooms using dobby or jacquard attachments.

570 Below: A lady wearing a Mysore crepe sari, with her grandchild, at the Meenakshi Temple, Madurai, southern Tamil Nadu. Little girls rarely wear saris today, but instead, tailored Western dresses.

The Migrants Table

Krishnendu Ray,2004-09-16 To most of us the food that we associate with home our national and familial homes is an essential part of our cultural heritage No matter how open we become to other cuisines we regard home cooking as an intrinsic part of who we are In this book Krishnendu Ray examines the changing food habits of Bengali immigrants to the United States as they deal with the tension between their nostalgia for home and their desire to escape from its confinements As Ray says This is a story about rice and water and the violations of geography by history Focusing on mundane matters of immigrant life for example what to eat for breakfast in America he connects food choices to issues of globalization and modernization By showing how Bengali immigrants decide what defines their ethnic cuisine and differentiates it from American food he reminds us that such boundaries are uncertain for all newcomers By drawing on literary sources family menus and recipes for traditional dishes interviews with Bengali household members and his own experience as an immigrant Ray presents a vivid picture of immigrants grappling with the grave and immediate problem of defining themselves in their home away from home

Reading Cultural Representations of the Double Diaspora Maya

Parmar,2019-08-08 Reading Cultural Representations of the Double Diaspora Britain East Africa Gujarat is the first detailed

study of the cultural life and representations of the prolific twice displaced Gujarati East African diaspora in contemporary Britain An exceptional community of people this diaspora is disproportionately successful and influential in resettlement both in East Africa and Britain Often showcased as an example of migrant achievement their accomplishments are paradoxically underpinned by legacies of trauma and deracination The diaspora despite its economic success and considerable upward social mobility in Britain has until now been overlooked within critical literary and postcolonial studies for a number of reasons This book attends to that gap Parmar uniquely investigates what it is to be not just from India but too Africa how identity forms within as the study coins the double diaspora Parmar focuses on cultural representation post twice migration via an interdisciplinary methodology offering new contributions to debates within diaspora studies In doing so the book examines a range of cultures produced amongst or about the diaspora including literary representations culinary dance and sartorial practices as well as visual materials

Creative Destruction Tyler Cowen, 2009-01-10 A Frenchman rents a Hollywood movie A Thai schoolgirl mimics Madonna Saddam Hussein chooses Frank Sinatra's *My Way* as the theme song for his fifty fourth birthday It is a commonplace that globalization is subverting local culture But is it helping as much as it hurts In this strikingly original treatment of a fiercely debated issue Tyler Cowen makes a bold new case for a more sympathetic understanding of cross cultural trade *Creative Destruction* brings not stale suppositions but an economist's eye to bear on an age old question Are market exchange and aesthetic quality friends or foes On the whole argues Cowen in clear and vigorous prose they are friends Cultural destruction breeds not artistic demise but diversity Through an array of colorful examples from the areas where globalization's critics have been most vocal Cowen asks what happens when cultures collide through trade whether technology destroys native arts why and whether Hollywood movies rule the world whether globalized culture is dumbing down societies everywhere and if national cultures matter at all Scrutinizing such manifestations of indigenous culture as the steel band ensembles of Trinidad Indian handweaving and music from Zaire Cowen finds that they are more

vibrant than ever thanks largely to cross cultural trade For all the pressures that market forces exert on individual cultures diversity typically increases within society even when cultures become more like each other Trade enhances the range of individual choice yielding forms of expression within cultures that flower as never before While some see cultural decline as a half empty glass Cowen sees it as a glass half full with the stirrings of cultural brilliance Not all readers will agree but all will want a say in the debate this exceptional book will stir **Fashion and Cultural Studies** Susan B. Kaiser, Denise N.

Green, 2021-11-04 Bridging theory and practice this accessible text considers fashion from both cultural studies and fashion studies perspectives and addresses the growing interaction between the two fields Kaiser and Green use a wide range of cross cultural case studies to explore how race ethnicity class gender and other identities intersect and are produced through embodied fashion Drawing on intersectionality in feminist theory and cultural studies Fashion and Cultural Studies is essential reading for students and scholars This revised edition includes updated case studies and two new chapters The first new chapter explores religion spirituality and faith in relation to style fashion and dress The second offers a critique of beauty and considers dressed embodiment inclusive of diverse sizes shapes and disabilities Throughout the text Kaiser and Green use a range of examples to interrogate the complex entanglements of production regulation distribution consumption and subject formation within and through fashion *The Lives of Others* Neel Mukherjee, 2025-04-25 Shortlisted for the

Man Booker Prize this dazzling Entertainment Weekly saga of epic scope is both a family and a political drama The aging patriarch and matriarch of the Ghosh family preside over their large household made up of their five adult children and their respective children unaware that beneath the barely ruffled surface of their lives the sands are shifting Each set of family members occupies a floor of the home in accordance to their standing within the family Poisonous rivalries between sisters in law destructive secrets and the implosion of the family business threaten to unravel bonds of kinship as social unrest brews in greater Indian society This is a moment of turbulence of inevitable and unstoppable change the chasm between the generations and between those who have and those who have not has never been wider The eldest grandchild Supratik compelled by his idealism becomes dangerously involved in extremist political activism an action that further catalyzes the decay of the Ghosh home Ambitious rich and compassionate The Lives of Others anatomizes the soul of a nation as it unfolds a family history at the same time as it questions the nature of political action and the limits of empathy It is a novel of unflinching power and emotional force **Aphrodite's Tortoise** Lloyd Llewellyn-Jones, 2003-12-31 Greek women routinely

wore the veil That is the unexpected finding of this meticulous study one with interesting implications for the origins of Western civilisation The Greeks popularly and rightly credited with the invention of civic openness are revealed as also part of a more Eastern tradition of seclusion Llewellyn Jones work proceeds from literary and notably from iconographic evidence In sculpture and vase painting it demonstrates the presence of the veil often covering the head but also more unobtrusively folded back onto the shoulders This discreet fashion not only gave a privileged view of the face to the ancient art consumer

but also incidentally allowed the veil to escape the notice of traditional modern scholarship From Greek literary sources the author shows that full veiling of the head and face was commonplace He analyses the elaborate Greek vocabulary for veiling and explores what the veil meant to achieve He shows that the veil was a conscious extension of the house and was often referred to as tegidion literally a little roof Veiling was thus an ingenuous compromise it allowed women to circulate in public while maintaining the ideal of a house bound existence Alert to the different types of veil used the author uses Greek and more modern evidence mostly from the Arab world to show how women could exploit and subvert the veil as a means of eloquent sometimes emotional communication First published in 2003 and reissued as a paperback in 2010 Llewellyn Jones book has established itself as a central and inspiring text for the study of ancient women *History of World Dress and Fashion, Second Edition* Daniel Delis Hill, 2022-01-13 The History of World Dress and Fashion presents a comprehensive survey of dress from around the world including China Japan India Africa the Islamic Empire and the Ancient Americas This extensive study features descriptions and analysis of men s women s and children s clothing accessories and cultural styles from prehistory into the twenty first century Lavishly illustrated in color throughout it features more than 1600 images and is a valuable resource for fashion designers theater costumers textile researchers costume collectors and curators and anyone interest in clothing and style customs of the world **Sustainable Fashion** Janet Hethorn, Connie Ulasewicz, 2015-07-30 As issues surrounding sustainability in the fashion industry continue to evolve the conversation in this collection of essays from leading fashion scholars thinkers and practitioners has been updated with current concepts and industry practices This revised edition examines the challenges that designers product developers and consumers confront as they create wear and recycle clothing and fashion The introductions to each section have been completely revamped to provide readers with a foundation for the concepts and principles of sustainability covered in detail in the chapter essays Contributors include experts such as Lucy Dunne writing about how technology is helping create a sustainable fashionable future and Timo Rissanen on his innovative methods for creating fashion with zero fabric waste New to this edition New sidebars focusing on an expansion of Real World Applications Best Practices sections feature new examples of contemporary industry practices Discussion questions at the end of each chapter New chapter on social justice and corporate social responsibility CSR emphasizes the conditions of garment workers and human sustainability
