Cosmic Christianity describes the relationship between the earthly and supra earthly cosmic worlds by showing the relationship between the cosmos as expressed in the movements of the stars and the activities of Christ during his three years of ministry on Earth. The gesture of each astrological planet during those years is worked out and correlated with specific acts of the Christ as recorded in the Gospels. The apparent looping movements of Mercury for example are connected with the seven signs of St John's gospel. The author goes on to explore the many ways in which these healing acts which have been inscribed in the heavens continue to work in evolution through the events of history and through our individual human lives. By studying this we begin to understand our responsibility for developing the new Christian mysteries and consequently renewing the starry cosmos. Sucher presents a real foundation for modern star wisdom. Topics include the evolution of cosmology, the origins of the planetary symbols, our new relationship to the stars as revealed in human lives and historical events, and the role of the Archangel Michael in our individual relationship to the stars. This is an excellent place to begin one's study of the stars and their meaning for both our individual lives and for the world.

Legends Of The Fallen Leonard D. Raglin, 2009. Angels never fall __ humans do. This book is a must have for any person serious about correcting erroneous doctrines that have passed down from generation to generation. Legends of the Fallen is a work that calls its readers to assume their personal responsibility. Colored with humorous personal stories by the author as well as a conversational and entertaining writing style, Legends is an invaluable addition to your personal library as well as a wonderful study tool for group discussions and book clubs. It is an intense study that tips over many sacred cows. The book takes a closer look at very popular excuses for mankind's demise such as the legendary origin, identity, and fall of an angel formerly named Lucifer, along with his horde of fallen angels. Great book, sure to raise some eyebrows and prayerfully some conscious as well.

the souls of Man God created man to multiply subdue and have dominion over the earth But Lucifer or Satan the ruler of the world system was envious of Gods love for man He deceived Adam and Eve to sin against God Ever since then Satan has ensnared various men across time advancing his agenda to create world wide financial dominion thus controlling the political spiritual and economic systems everywhere with himself taking full lordship over Gods creation This is why I Grace Baumgarten Cannot Be Silenced With this being an election year in the USA and its consequent Changing of the guard being informed about the secret societies or Enlightened Elites is imperative Their ideology True freedom is liberation from God and from moral constraints with no absolute faith To them All truth is relative to the individual or group With back room dealings ruinous bailouts and elimination of basic human values theyve turned the USA over to be dissected corporate style and theyre forcing this fraud on you and me Yet our founding fathers constructed a different concept one of freedom under the authority of Almighty God as the Great Ruler with His creation nations and peoples empowered from on High His Bible and His Commandments are the authoritative Word of God and the basis for law life and true liberty My first book was just the beginning and so much has happened Therefore following a one year sabbatical I started writing one sentence at a time knowing one day this book would be born I Cannot Be Silenced
