The Pendulum Rickie Rush, 2014-11-18 You Haven't Missed It You're Right on Time Many of God's people feel guilty for going through difficult seasons We think depression is spiritual weakness In challenging circumstances we ask God where are You We consider the state of our lives and become discouraged assuming we are not where God wants us to be But what if we are What if the very circumstances that threaten to destroy us are the very things that launch us into our God ordained moments of destiny In The Pendulum Pastor Rickie Rush shows you that there is a time for everything under heaven Learn how Your seasons of difficulty can push you closer towards fulfilling your purpose God never wastes the struggles that you go through To embrace and flow with the natural seasons of life God's supernatural ability causes you to come out victorious on the other side God wants to use your story and transform you into someone who can help others flourish in every season of life

Removing Rebellion's Roots Olan Stubbs, 2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God's word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God's word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan's lies God's truth is the foundation for a holy life God's truth is the pure substance we need to replace the roots of our sinful practices

Thieves in the Kingdom Ellen Burgoyne, 2009-01-19 Thieves in the Kingdom reveals much about our lives and our world about what is wrong and why and about what is to come Much is coming and we dare not to be ignorant of it We cannot be so caught up in our daily lives that we do not prepare for the future This is especially true living in the fast paced generation and society we live in today Even with world news constantly informing us and information at

every fingertip we still need to focus on the priorities of our lives We need to see this world as it really is and to see ourselves as we really are as well as our place in the midst of it all I know that can seem very challenging sometimes but we must persevere anyway We must not ignore the most precious part of our lives as most people are prone to do The riches the rewards and the outcome we are supposed to get out of life are just too great too important and way too much for us to miss out on Fiction fantasy and imagination are sometimes very good and can make for great books and movies But when the real deal is bolder broader and more revealing than any story someone can come up with we ought to check it out and be willing to see it for what it really is So sit back and come with me back to a time long ago when things were very different down here on the earth and when life was much less cluttered Let s see just how the actions of some affected the lives of all
