efforts works that suffered censorship critical neglect or brilliant yet fleeting notoriety These rare and quirky totems of Canadiana collected over the last three decades form a travel diary of sorts yet one without maps Covering more than 250 books peppered with observations on the writing and publishing scenes Busby's work explores our cultural past questioning why certain works are celebrated and others ignored Brilliantly illustrated with covers and ephemera related to the titles discussed The Dusty Bookcase draws much needed attention to unknown writing worthy of our attention and some of our acclaim

Serving at Satan's Altar W.L. Newton, 2020-09-15 The God most of the world worships is known as Yahweh Jehovah yet what if you were told that this isn't the true God but an angel posing as God What if you were to be told that Satan is not the enemy but the wife of the true God and Creator This is the book of hidden teachings Satan or Iblis is the wife of the True Creator and the Mother of all Satan is the Ultimate Reality known as Haawiya who is the Mother of all the Void or the True Creator of all In this book I give the proofs of the esoteric occult teachings that have been hidden for centuries These are the teachings of true Satanism and it is through Satan our Mother that we will come to the knowledge of the Truth

Dæmonologia Sacra; Or, A Treatise of Satan's Temptations Richard Gilpin, 2023-08-11

The Curse of Satan's Collar John W. Miller, 2008-04-29 He was big the biggest of the litter big enough to wrestle bears and he did two maybe more but he killed many When he woke up in that black inky night he couldn't see thought he was blind and had a massive hangover from his Daddy's Cherry Jump moonshine A buzzard had died in his mouth and with it came rotten dog breath A headache like someone had hit him with a pole axe made him feel like he was dead dead as four o'clock And did he smell Wow His torn bib overalls were soaked in sour mash Other than not knowing where he was he still thought he was alright and that too was a problem Was there any hope or any salvation Luckily he had been weather hardened by war He stood up and he tired to walk but ran into something It knocked him down When he fell he heard something rattle It was a trace chain attached to a leather dog collar around his neck But in the inky dark he couldn't see his hand in front of him He got up again and found the trace chain wrapped around a tree and locked Shocked he screamed out Goddamn I'm chained to a tree then screamed louder They have chained me to a tree like a wild cur dog Now mad as hornet with his stinger busted he felt around and found something else about the tree This time he screamed even louder Son of a bitch It's my goddamn tree Who in the hell would chain me to my own tree He sat back down against the family tree stunned and then realized It's got to be my family Chained me like a goddamn cur dog to a tree But which one of them would have the nerve to do this to ME Then he realized it could be only one person He stood up and screamed Mama Then he fell down again pounded the ground cried like his heart tore out He got up off the ground went into a wild man's rage then fainted with exhaustion Then he got sick tried to walk but threw up all over himself And the chain snatched him back and down into his vomit it was all

over him like those bugs He pounded the ground with his fist wondering how in the world he had gotten here and where he was Again and again he got up Each time he tried to walk in another direction but the chain snatched him off his feet and back down on the ground and into his rotten vomit It didn't matter what direction he walked Finally exhausted he couldn't get back on his feet Still he kept asking himself Where in the hell am I and who in the hell put this collar on me All night he shouted and wallowed in his vomit like an itchy old fat hog taking a bath in new mud He heard no one come in the dark silent black night Thank God His vomit smell finally ran the goddamn bugs off his body and away

Supping with Satan Peter Steyn,2024-04-26 Nightfall ushers in its own set of terrors With every external light ablaze until dawn I find solace in the illusion of visibility But every creak every rustle throws me into high alert compelling me to scour the house for signs of the looming threat The dining room becomes my vantage point a silent sentinel observing the outdoors from three angles The very shadows that were once familiar now become menacing Surprisingly I find myself longing for the weighty presence of the 357 Magnum an army relic from my days in Military Intelligence That very tool I once detested aware of the devastation it could unleash now symbolized security Its potential for destruction was a deterrent I yearned for a beacon to ward off any audacious intruders and shield my family from the unknown horrors that lay beyond our walls
