The Secret Is Out: God's Truth Vs Satan's Doctrine Innocent Nangoma,2020-04-16 Once upon a time a man named Godfrey White took it on himself to read the whole bible to determine its validity Unfortunately he could not understand it This upset Godfrey White because he saw the positive impact it had done on other lives and wanted to know more about this One God so that it could impact his life too Mr White was extremely irritated by the bible because when he read it he felt like it was judging him so he felt unworthy of it Mr White would spend hours on hours during the day trying to figure out what God s love was all about but felt it was too overwhelming to take in He would sometimes read it before bed but found the stories as fictional and boring He did his best to study it and maybe understand who God was but failed to do so Therefore Godfrey White placed the

book in his closet where all the other books he had finished reading were He continued on with his life but everyday he would hear a voice calling to him Do you wish to know the truth He was not sure where the voice was coming from so he ignored it But the more he ignored it the louder the voice got Godfrey White soon began to lose his mind because the voice would not go away so one day when he was alone in his room he spoke back to the voice Who is it that is speaking Am I going crazy What is the truth It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me Go to your closet and find that book you have failed to understand and I will guide you to the truth Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me

Why I Satan Hate The Woman Joseph Brice,2025-04-29 Why I Satan Hate the Woman by Joseph Brice is a thought provoking exploration of one of the most pivotal moments in biblical history the serpent's deception of Eve in the Garden of Eden Far from the traditional narrative that casts Eve as weak or gullible Brice presents a powerful reframe Eve was targeted not by accident but because of her divine design She embodied life purpose and potential everything Satan envies

and cannot possess This book delves deep into the spiritual symbolism of womanhood exposing why Satan's hatred toward Eve was never just about Eden but about the life giving power women carry across generations Through biblical insight and cultural reflection Brice uncovers the enemy's long war against marriage motherhood identity and influence Yet amid the darkness he celebrates the rising of strong resilient women those who throughout history and especially in today's world are reclaiming their God given authority With a timely reflection on challenges like the COVID 19 pandemic Brice affirms that women are not only surviving adversity they are emerging as essential leaders and change makers This book is both a vindication of Eve and a rallying cry for women to rise lead and walk boldly in their purpose Why I Satan Hate the Woman challenges long held beliefs about gender power and identity and offers a transformative vision of womanhood rooted in divine truth It is a call to reject fear reclaim your voice and embrace the truth you are fiercely loved divinely equipped and destined to lead To every woman reading this You were never the enemy's mistake you've always been his greatest threat This book challenges conventional interpretations and delves into the deeper spiritual and symbolic meanings behind Eve's role in this ancient narrative Brice argues that Eve was not merely a passive participant in the fall of man but was targeted by the serpent for a specific and profound reason Through a detailed analysis he reveals that Eve's significance goes far beyond the traditional story suggesting that she was chosen for a higher purpose that has been overlooked and misunderstood for centuries The book also examines the ongoing spiritual warfare between good and evil particularly focusing on the enemy's consistent efforts to undermine relationships marriage and family Brice posits that the assault on Eve and by extension all women is a reflection of Satan's deep seated hatred for the life giving and nurturing power that women possess Why I Satan Hate the Woman vindicates Eve and celebrates women's strength resilience and leadership throughout history and contemporary society It highlights women's ongoing struggles and calls for recognizing their true worth and potential In this special edition Brice also reflects on the challenges posed by the COVID 19 pandemic noting how women emerge as key leaders in a rapidly changing world He urges women to embrace their destinies as leaders and change makers recognizing that they are uniquely positioned to shape the future This book is a rallying cry for women to step into their rightful place of leadership and influence offering a transformative journey that challenges readers to reconsider the spiritual and cultural narratives that have long shaped our understanding of gender power and purpose With all of the past hate abuse and pain the woman proves to be loved by God and is catapulting to the highest positions of leadership like never before Women are becoming the new face of leaders of this modern world in which we live To ignore facts of a power much greater than her own that's driving her we would be foolish to say the least It's as though something is in a hurry to establish her in power She has come so far but much more work is needed This book acknowledges Great Women's Achievements throughout history Amazingly throughout history she has been the target of rejection and abuse This book is a bold call for women to rise into their God given leadership and influence It offers a transformative journey that reclaims purpose and

challenges the spiritual and cultural lies about gender and power Your enemy hasn't forgiven Eden but Jesus already has
