Satiric Advice On Women And Marriage From Plautus To Chaucer:

Satiric Advice on Women and Marriage Warren S. Smith, 2010-02-24 Advice on sex and marriage in the literature of antiquity and the middle ages typically stressed the negative from stereotypes of nagging wives and cheating husbands to nightmarish visions of women empowered through marriage *Satiric Advice on Women and Marriage* brings together the leading scholars of this fascinating body of literature Their essays examine a variety of ancient and early medieval writers cautionary and often eccentric marital satire beginning with Plautus in the third century B C E through Chaucer the only non Latin author studied The volume demonstrates the continuity in the Latin tradition which taps into the fear of marriage and intimacy shared by ancient ascetics Lucretius satirists Juvenal comic novelists Apuleius and by subsequent Christian writers starting with Tertullian and Jerome who freely used these ancient sources for their own purposes including propaganda for recruiting a celibate clergy and the promotion of detachment and asceticism as Christian ideals Warren S Smith is Professor of Classical Languages at the University of New Mexico

particularly Roman history **The Christian Doctrine of Apokatastasis** Ilaria Ramelli, 2013-08-05 The theory of apokatastasis restoration most famously defended by the Alexandrian exegete philosopher and theologian Origen has its roots in both Greek philosophy and Jewish Christian Scriptures and literature and became a major theologico soteriological doctrine in patristics This monograph the first comprehensive systematic scholarly study of the history of the Christian apokatastasis doctrine argues its presence and Christological and Biblical foundation in numerous Christian thinkers including Syriac and analyses its origins meaning and development over eight centuries from the New Testament to Eriugena the last patristic philosopher Surprises await readers of this book which results from fifteen years of research For instance they will discover that even Augustine in his anti Manichaean phase supported the theory of universal restoration Paul and the Citizen Body Janelle Peters , 2025-02-17 In this study Janelle Peters argues Paul s construction of an individual body and communal body in 1 Corinthians serves as an alternative to Roman and Greek models of citizenship She situates the athletics and veiling of 1 Corinthians within ancient authority and citizenship which prioritized having control over one s body and head Contrary to scholarly assumptions that these citizenship indicators would have restricted the previous freedom of all women in order to present conformity with Roman norms the author contends that the elements of bodily control Paul imposes on the Christian body construct a new citizen body that appeals to Roman and Greek notions of prestige in order to transform the experience of the Christian both in the present world and in the heavenly politeuma Unlike civic honors within Roman and Greek secular polities this citizen body is accessible to all regardless of social status Satire in the Elizabethan Era William Jones, 2017-11-28 This book argues that the satire of the late Elizabethan period goes far beyond generic rhetorical persuasion but is instead intentionally engaged in a literary mission of transideological perceptual translation This reshaping of cultural orthodoxies is interpreted in this study as both authentic and activist in the sense that satire represents a purpose driven attempt to build a consensual community devoted to genuine socio cultural change The book includes explorations of specific ideologically stabilizing satires produced before the Bishops Ban of 1599 as well as the attempt to return nihilistic English satire to a stabilizing theatrical form during the tumultuous end of the reign of Elizabeth I Dr Jones infuses carefully chosen modern day examples of satire alongside those of the Elizabethan Era making it a thoughtful vigorous read **Cultural Crossroads in the Ancient Novel** Marília P. Futre Pinheiro, David Konstan, Bruce Duncan MacQueen, 2017-12-04 The protagonists of the ancient novels wandered or were carried off to distant lands from Italy in the west to Persia in the east and Ethiopia in the south the authors themselves came or pretended to come from remote places such as Aphrodisia and Phoenicia and the novelistic form had antecedents in a host of classical genres These intersections are explored in this volume Papers in the first section discuss mapping the world in the novels The second part looks at the dialogical imagination and the conversation between fiction and history in the novels Section 3 looks at the way ancient fiction has been transmitted and received Space as the locus of cultural interaction and exchange is the topic of the

fourth part The fifth and final section is devoted to character and emotion and how these are perceived or constructed in ancient fiction Overall a rich picture is offered of the many spatial and cultural dimensions in a variety of ancient fictional genres *When in Rome* Paul Chrystal,2017-06-29

Epicurean Ethics in Horace Sergio Yona,2018-01-19 Over the centuries leading up to their composition many genres and authors have emerged as influences on Horace s Satires which in turn has led to a wide variety of scholarly interpretations This study aims to expand the existing dialogue by exploring further the intersection of ancient satire and ethics focusing on the moral tradition of Epicureanism through the lens of one source in particular Philodemus of Gadara Philodemus was an Epicurean philosopher who wrote for a Roman audience and was one of Horace s contemporaries and neighbours in Italy His works which were preserved by the eruption of Vesuvius in AD 79 but have nevertheless not been widely read on account of their fragmentary nature feature a range of ethical treatises on subjects including patronage friendship flattery frankness poverty and wealth Epicurean Ethics in Horace The Psychology of Satire offers a serious consideration of the role of Philodemus Epicurean teachings in Horace s Satires and argues that the central concerns of the philosopher s work not only lie at the heart of the poet s criticisms of Roman society and its shortcomings but also lend to the collection a certain coherence and overall unity in its underlying convictions The result is a ground breaking study of the deep and pervasive influence of Epicurean ethical philosophy on Horace s Satires which also reveals something of the poet behind the literary mask or persona by demonstrating the philosophical consistency of his position throughout the two books *In Bed with the Romans* Paul Chrystal,2015-10-15 An entertaining and intriguing account of sex in Rome and the exploits of some of Rome s celebrated exponents of sexual permissiveness and perversion

Carajicomedia Frank Domínguez,2015 A study and edition of one of the most ignored works of early Spanish literature because of its strong sexual content this work examines the social ideology that conditioned the reactions of people to the

events it describes as well as Fernando de Rojas's masterpiece *Celestina* **Playing the Man** Meriel Jones, 2012-03 Examining and contextualising key discourses of ancient Greek masculinity in the five ideal Greek novels Jones argues that many of the novels' men depend very much on the maintenance of their image before others and that they are conscious of playing the man Lucretius and the End of Masculinity Michael Pope, 2023-05-25 From beginning to end the *De rerum natura* upsets expectations This book's premise is that Lucretius intentionally provokes his imagined male audience playfully and forcefully proving to them that they are not the men they suppose themselves to be From astral bodies to the magnetic draw of human sexuality to the social bonds linking parents to children Lucretius shows that everything is compounded material both a source of atomic issue and receptacle of atomic ingress The universe as Lucretius presents it is a never ending cycle of material interpenetration connectivity and dissolution Roman men in the vastness of it all are only exceptional in their self-defeating fantasies Close analysis of Lucretius' poetics reveals an unremitting assault upon the fictions that comprise Roman masculinity from seminal conception in utero to existential decomposition in the grave Nevertheless Lucretius offers an Epicurean vision of masculinity that just might save the Republic *The Making and Meaning of a Medieval Manuscript* Thomas C. Sawyer, 2025-06-03 Develops a method for placing book historical evidence in dialogue with literary meaning through a detailed investigation of a MS Bodley 851 How do you read a medieval book And what is the relationship between the study of manuscripts as material artifacts and the study of their textual contents This book develops a method for placing book historical evidence in dialogue with literary meaning Medieval manuscripts do not simply witness the texts they contain through the process of their making they preserve and generate knowledge about literature itself Central to the expression of method in this study is a detailed investigation of an immensely complex composite manuscript Oxford Bodleian Library MS Bodley 851 This manuscript survives as an important representative of textual cultures popular in late medieval England it attests the work of at least eight scribal agents and contains an infamous scribal version of *Piers Plowman* Z text the sole surviving copy of Walter Map's *De nugis curialium* and an array of satirical Anglo-Latin poetry including the *Apocalypsis goliae episcopi* the *Speculum stultorum* and the *Bridlington Prophecy* Close attention to the production of Bodley 851 underpins critical examinations of fragmentary misogamy the construction of literary sequences and the extent of pseudonymous authorship in the manuscript record an array of satirical Anglo-Latin poetry including the *Apocalypsis goliae episcopi* the *Speculum stultorum* and the *Bridlington Prophecy* Close attention to the production of Bodley 851 underpins critical examinations of fragmentary misogamy the construction of literary sequences and the extent of pseudonymous authorship in the manuscript record an array of satirical Anglo-Latin poetry including the *Apocalypsis goliae*

Performing Manuscript Culture Elisabeth Kempf, 2016-12-19 This study conceives of Thomas Hoccleve's Regement of Princes 1410 1413 as an essentially performative text one that expresses its awareness of the manuscript culture in which it is so firmly rooted The openness of manuscripts is a recurring subject in the Regement and is not only expressed through mere descriptions of but through complex references to this manuscript context Performances of manuscript culture manifest themselves in several aspects of the text The first is the narrator persona and especially the question of how persona and text are intertwined The second is the constantly recurring interpretation of quotes from authoritative sources that pervades the Regement This urge to interpret is expressed both in the tradition of adding marginal glosses and in the process of subjecting the text to an exegetical reading The third aspect is the relation between text and images in the Regement's manuscripts which shows how mediality is performed and how the manuscript context is made the focus of this performance In this monograph all of these aspects are studied in a mindset that combines the concept of performativity with the postulations of Material Philology

Satire, Humor and the Construction of Identities Massih Zekavat, 2017-06-15 Satire Humor and the Construction of Identities conveys how satire can contribute to the construction of social subjects identities It attempts to provide a theoretical ground for a novel understanding of the relationship between satire and identity by finding their common denominator namely opposition in order to explain the mechanism through which satire can form identities After establishing the role of opposition in satire and identity construction through a detailed analysis of various theories it will be argued that satire can contribute to the construction of racial ethnic national religious and gender identities Several examples from British Persian ancient Roman literary traditions and different epochs illustrate the theoretical discussions The prevalence of satire and the challenges that identity has encountered in our contemporary world guarantee the significance of this study and its socio political implications

Abject Eroticism in Northern Renaissance Art Yvonne Owens, 2020-10-29 Hans Baldung Grien the most famous apprentice and close friend of German artist Albrecht Dürer was known for his unique and highly eroticised images of witches In paintings and woodcut prints he gave powerful visual expression to late medieval tropes and stereotypes such as the poison maiden venomous virgin the Fall of Man death and the maiden and other motifs and eschatological themes which mingled abject and erotic qualities in the female body Yvonne Owens reads these images against the humanist intellectual milieu of Renaissance Germany showing how classical and medieval medicine and natural philosophy interpreted female anatomy as toxic defective and dangerously beguiling She reveals how Hans Baldung exploited this radical polarity to create moralising and titillating portrayals of how monstrous female sexuality victimised men and brought them low Furthermore these images issued from and contributed to the contemporary understanding of witchcraft as a heresy that stemmed from natural feminine defect a concept derived from

Conspiracy Theory in Latin Literature Victoria Pagán, 2012-12-15 Conspiracy theory as a theoretical framework has emerged only in the last twenty years commentators are finding it a productive way to explain the actions and thoughts of individuals and societies In this compelling exploration of Latin literature Pagán uses conspiracy theory to illuminate the ways that elite Romans invoked conspiracy as they navigated the hierarchies divisions and inequalities in their society By seeming to uncover conspiracy everywhere Romans could find the need to crush slave revolts punish rivals with death or exile dismiss women denigrate foreigners or view their emperors with deep suspicion Expanding on her earlier *Conspiracy Narratives in Roman History* Pagán here interprets the works of poets satirists historians and orators Juvenal Tacitus Suetonius Terence and Cicero among others to reveal how each writer gave voice to fictional or real actors who were engaged in intrigue and motivated by a calculating worldview Delving into multiple genres Pagán offers a powerful critique of how conspiracy and conspiracy theory can take hold and thrive when rumor fear and secrecy become routine methods of interpreting and often distorting past and current events In Roman society where knowledge about others was often lacking and stereotypes dominated conspiracy theory explained how the world worked The persistence of conspiracy theory from antiquity to the present day attests to its potency as a mechanism for confronting the frailties of the human condition
