Handbook of Clinical Issues in Couple Therapy Joseph L. Wetchler, 2011-03-01 Now updated in its second edition
Handbook of Clinical Issues in Couple Therapy provides a comprehensive overview of emerging issues that impact couple therapy Unlike other guides that concentrate more on theoretical approaches this invaluable resource contains the latest research and perspectives that every clinician needs when dealing with the challenging issues often found in practice Carefully referenced it explores a range of issues that include intimate partner violence posttraumatic stress disorder and its effect on couple relationships divorce therapy remarriage and cohabitation issues cultural issues and couple therapist training This insightful edited volume is suitable for a wide spectrum of readers including couple and family therapists counselors psychologists social workers pastoral counselors educators and graduate students **Bookseller and Stationery Trades' Journal** ,1963 *Handbook of Research on Educational Leadership and Research Methodology* Wang, Viktor, 2022-06-24 Education inevitably influences society and our future As literature and experience tells educational leaders impact not only their institutions but ultimately the learning outcomes for a large portion of society's members Educational leaders are charged with more than creating a viable future for an institution they are also charged with contributing to and creating a viable positive human future not an easy task amid the turbulence and disruption of our times The Handbook of Research on Educational Leadership and Research Methodology discusses the evolution of educational leadership knowledge thoughts and practices by sharing the perspectives experiences theories and philosophies related to educational leadership and research methodologies across all levels of education Covering topics such as critical race design toxic leadership and adult learning this major reference work is a critical resource for faculty and administrators of both K 12 and higher education principals superintendents chancellors directors pre service teachers teaching instructors government officials librarians researchers and academicians **Spirituality across Disciplines: Research and Practice:** Marian de Souza, Jane Bone, Jacqueline Watson, 2016-06-29 This book collects multiple disciplinary voices which explore current research and perspectives to discuss how spirituality is understood interpreted and applied in a range of contexts It addresses spirituality in combination with such topics as Christian mysticism childhood and adolescent education midwifery and sustainability It links spirituality to a variety of disciplines including cognitive neuroscience sociology and psychology Finally it discusses the application of spirituality within the context of social work teaching health care and occupational therapy A final chapter provides an analytical discussion of the different voices that appear in the book and offers a holistic description of spirituality which has the potential to bring some unity to the meaning expression and practice of spirituality across a variety of disciplines as well as across cultural religious and secular worldviews A strength of the book is that each chapter is characterized by a fearless confronting of oppositional perspectives and use of the latest research in addressing them The book takes the difficult topic of spirituality into almost every nook and cranny of personal and professional life

There is a persistent grasping of the contentiousness of the topic together with addressing counter positions and utilizing updated research across a range of fields in doing this The opening and closing chapters serve as book ends that keep the whole volume together Terence Lovat The University of Newcastle Australia The interdisciplinary nature of the work is by far the strongest aspect of this volume It has the potential to contribute to a dialogue between different professions and disciplines This prospective publication promises to promote a more holistic approach to the study of spirituality This volume takes into consideration a wide variety of issues The way the editors have structured the sequence of chapters contributes to facilitate any possible dialogue between the different areas Adrian Mario Gellel University of Malta Malta Whitaker's Cumulative Book List ,1963 **Linking Employee Satisfaction to Business Results** Paula S.
