A Room of His Own Gloria L. Cronin, 2001-01-01 The world of Saul Bellow is peopled largely by men often intellectuals who manifest Bellow's unique conception of American masculinity In this timely analysis of the Bellow oeuvre from a feminist perspective Gloria Cronin offers a stunning and insightful critique of the Nobel Prizewinning novelist Drawing on her comprehensive knowledge of Western thought and Western philosophical tradition Cronin also incorporates the brilliant insights of French feminist theory on Western male philosophers into her critique Cronin's mastery of these intellectual traditions informs her fruitful examination of Bellow's explicit dialogue rich consideration of his misogyny and the many masculinities he presents Cronin demonstrates how Bellow's almost exclusively male protagonists simultaneously search for and destroy a lost feminine essence that they yearn for and in so doing create their own prisons She also looks at the self irony pervading Bellow the comic dimension of his character's gender struggles and the spiritual sensibility that attempts to reach beyond gendered and other paradigms of selfhood *A Room of His Own* makes an extraordinary contribution to gender studies of masculinity and its formations

essays by recognized scholars as well as several by emerging Bellow scholars As a continuing examination of a living writer this collection will serve to address questions that the volume editor has determined are of most importance Eugene Hollahan has written wherever Bellow s philosophical development has led him we must look at his latest novel to discover that position **Re-Thinking Theory** Richard Freadman, Seumas Miller, 1992-05-07 These deficiencies are ascribed principally to three aspects of modern theoretical schools the commitment to a non referential view of language the rejection of substantive accounts of the individual and a repudiation of moral and aesthetic evaluation The alternative account offered by Professors Freadman and Miller incorporates the values renounced by contemporary literary theory and places a central emphasis on ethical discourse
