*Saul of Tarsus: a Tale of the Early Christians* Elizabeth Miller,2013-02-11 Paul is a pivotal character of history From a relative first century obscurity to a modern international figure no one aside from Jesus Christ himself has been so influential An absence of some acquaintance with the name Paul tells more about one s self than ought to be known The Persecutor Exactly when Paul began his bloody mission of savagery against the church of Christ is unknown with any degree of precision The fear of him was significant and those beyond the borders of Palestine trembled at the mention of the name of this wolf who stalked the fold of the Lamb Acts 9 13 26 cf 26 11 Saul of Tarsus first appears in the biblical record as a witness to the stoning of Stephen the first martyr to the cause of Christ even consenting to his death Acts 7 58 9 1 Henceforth his persecution of Christians as portrayed in the book of Acts via his own testimony was relentless though he thought sincerely he was doing Jehovah s will 23 1 26 9 Pursuing the saints even unto foreign cities 26 11 he beat imprisoned and had them put to death 22 19 Later he would write that beyond measure I persecuted the church of God and made havoc of it Galatians 1 13 The horrible memories of these vicious attacks would linger with the sensitive apostle for the balance of his earthly days cf 1 Corinthians 15 9 Ephesians 3 8 1 Timothy 1 15 That frenzied ambition to exterminate Christianity from the face of the earth was to radically change however And the record of how that occurred is as amazing as it is inspiring Paul the Apostle

developing and researching his books After reading his work the reader cannot refute what he has found he finds diamonds that have been covered for many years that are undeniable truths His intent is not to debate with those who cannot see this it is to reveal what has been hidden it is near revelatory as the reader follows the path of research to begin a clarity of understanding that many have never had before Thank you Kulwant for the nights and early hours you put in to bring this truth to the readers on the Apostolic doctrine Rev John Hemus Senior Pastor The Apostolic Church of Liverpool U K Missions District Superintendent UPC GB I England United Kingdom      *The Southern Review* Albert Taylor Bledsoe, Sophia M'Ilvaine Bledsoe Herrick, 1877      *The Jewish 100* Michael Shapiro, Daniel Shapiro, Nancy Hartman, 2000-10 Eminently readable informative and entertaining The Jewish 100 ranks the most influential Jews of all time with biographies of each person and the reason for his or her ranking The influence of these men and women spans all fields from religion and music to sports and philosophy Illustrations      *The Life and Epistles of St. Paul* William John Conybeare, John Saul Howson, 1866      Paul, Missionary of Jesus Paul Barnett, 2008-01-14 Looking at whether Paul was converted or called and if the new perspectives on Paul are true to evidence the author argues that Paul s own writings are supplemented by Luke s contemporaneously written narrative of the acts of the Apostles      Saul of Tarsus Jack Minter, 2015-10 Examining How Saul the Murderer Became Paul the Martyr Author Combines Bible Historical Fact and Fiction to Craft a Scenario of How the World s First Terrorist Became One of the World s Greatest Christians The man who was once the greatest intentional murderer of Christians the first terrorist was so completely changed by God that he became one of the greatest Christians of all time eventually becoming a martyr for his faith in Jesus Christ That man the Apostle Paul is the subject of author Jack Minter s new book Saul of Tarsus The First Terrorist I believe readers will find this a book of intrigue said Minter I ve blended biblical text and historical data as well as fictional scenarios to provide readers with a map of how Saul became the Apostle Paul one who spread the gospel of Jesus Christ at the risk of his own life following Jesus s crucifixion Saul of Taurus The First Terrorist also shows the similarities and differences between Jesus and Saul that could have led to Saul s murderous vengeance of early Christians When writing about Paul I wondered how he could be that forgiven of such atrocities by God much less be that changed as a person to abandon his hatred and become a follower of Jesus Christ said Minter Saul of Tarsus The First Terrorist is a study in contrasts and a thought provoking novel that will have readers diving into the Bible with a new perspective Today s world is still filled with terrorists who persecute Christians for their faith or due to intolerance of their beliefs Saul took the lead as the first terrorist but he was also so completely changed by Jesus that as Paul he became one of the most powerful Christians of all time Minter also takes a look at a fictional account of how Jesus and Paul could have potentially known one another long before they met as adults on the Road to Damascus According to Minter this possibility opens a new way of understanding how Paul grew to become one who despised and murdered Christians out of pure hatred and vengeance If you examine Paul s upbringing in the Jewish faith as well as Jesus s you see that it s quite possible that their paths crossed well

**The Apostle Paul - Saul of Tarsus: the Bitter Root** David Dryden, 2017-11-08 Going through the vast majority if not all of the apostle Paul's usages of verses from the Jewish Bible the old testament the author David Dryden uncovers much more to Paul's methodology than he ever expected As well as examining Paul's usage of the Jewish Bible David picks apart Paul's doctrines which have formed and shaped the Christian Church and how it relates to and interprets the books of Moses the prophets and the other scriptures that make up the Jewish Bible He doesn't claim to be an expert or a scholar but just as everyone who has read the Christian Bible should think about it says and test it he uses his everyman abilities to find the truth to the best of his ability For the author this journey forever changed his view of Paul from mild suspicion to fundamental condemnation But how will his journey impact you the reader The primary aim is to share ideas for the sake of truth whether you agree with the ideas proposed or not If this book can help a person get any closer to truth and to the Creator of the Universe then it would have fulfilled its purpose
