Savage Promise:

Savage Promise Cassie Edwards,1992 When a silver eyed warrior appears out of the driving snow to rescue her from a vicious polar bear Letitia finds herself enthralled by Kanuga who vows to rid Alaska of all white trappers Letitia fears she might not survive in the frozen North alone but Kanuga s fiery passion convinces her that she could never survive without him Other titles available **Savage Promise** J. Woods,2017-10-23 When Brie Murphy moves back to Vancouver she can t help but think of it as a new beginning But it s the dark and charming playboy from her past that continues to consume her fantasies with a passion she has only felt during one heated night Only she never expected to see Max again or be drawn into his untamed magnetism as he threatens to expose her true feelings and the secret she has been guarding for seven months Max Savage can t believe his eyes at the halo of unexpected blonde hair the one woman he has been trying to find and who clearly wanted to stay hidden It s her fiery independence and the wild seductress she keeps just under the surface that touches a part of him no other woman ever has his heart Little does Brie know that Max is a man whose charisma has never been refused and he s not about to let her secrets or her denial get in the way of what he wants But when faced with an imposing threat can Max s determination and Brie s resilience overcome even the most dangerous of enemies **The Promise of Freedom for Slaves Escaping in British Ships** Theodore Corbett,2024-03-31 An uplifting work of black history in the context of the American War for Independence Although Africans and African Americans have been left out of most accounts of the Revolutionary years this book pieces together their emerging path toward freedom From Britain came the Great Awakening the advent of evangelism in America which would provide slaves with hope for future freedom In 1775 black emancipation commenced in Chesapeake Bay with Lord Dunmore s proclamation and the resulting fleet which attracted blacks creating the first mass emancipation of slaves in British colonial history At the end of the War for Independence the British evacuations of loyal subjects from 1782 to 1785 were the turning point in the Emancipation Revolution A majority of free and enslaved blacks would remain where the Royal Navy transports landed them in Jamaica the Bahamas Nova Scotia or Britain Blacks love of freedom is concluded with the abolition of the slave trade throughout the British Empire *Thrust & Throttle* Emma Slate,2023-01-31 My childhood best friend is a big bad biker and an animal in the bedroom I should know because we ve been hooking up in secret for weeks We crossed a line we swore we d never cross but the lust we d buried for years finally culminated in a night of heated passion I know the taste of Duke s lips but this is more than just desire When we re together I see the promise of forever in his eyes Duke is the only man who makes me feel safe enough to be vulnerable but I m terrified I m going to screw it up and lose it all He won t stop until he has every piece of me including my heart He wants me on the back of his bike my name inked on his skin He wants me to be his Old Lady He wants me pregnant *Dying to Be Normal* Brett Krutzsch,2019-02-01 On October 14 1998 five thousand people gathered on the steps of the U S Capitol to mourn the death of Matthew Shepard a gay college student who had been murdered in Wyoming

eight days earlier Politicians and celebrities addressed the crowd and the televised national audience to share their grief with the country Never before had a gay citizen s murder elicited such widespread outrage or concern from straight Americans In *Dying to Be Normal* Brett Krutzsch argues that gay activists memorialized people like Shepard as part of a political strategy to present gays as similar to the country s dominant class of white straight Christians Through an examination of publicly mourned gay deaths Krutzsch counters the common perception that LGBT politics and religion have been oppositional and reveals how gay activists used religion to bolster the argument that gays are essentially the same as straights and therefore deserving of equal rights Krutzsch s analysis turns to the memorialization of Shepard Harvey Milk Tyler Clementi Brandon Teena and F C Martinez to campaigns like the It Gets Better Project and national tragedies like the Pulse nightclub shooting to illustrate how activists used prominent deaths to win acceptance influence political debates over LGBT rights and encourage assimilation Throughout Krutzsch shows how in the fight for greater social inclusion activists relied on Christian values and rhetoric to portray gays as upstanding Americans As Krutzsch demonstrates gay activists regularly reinforced a white Protestant vision of acceptable American citizenship that often excluded people of color gender variant individuals non Christians and those who did not adhere to Protestant Christianity s sexual standards The first book to detail how martyrdom has influenced national debates over LGBT rights *Dying to Be Normal* establishes how religion has shaped gay assimilation in the United States and the mainstreaming of particular gays as normal Americans
